*POEMS THROUGH THE PORTAL* Susan Joyner-Stumpf, 2019-04-26 Words dancing inside My heart for so long If I don't write them Down they're forever Gone They play across hills Shine back in my eyes flirt with snow Calling from some vortex Those poems through the portal Demanding the release Of my aching Soul **My Personal Journey With Jesus Revealed Through Poetry** Brian Whitacre, 2012 My Personal Journey With Jesus Revealed Through Poetry includes my personal testimony along with poems I have written since 1999 My personal testimony is about how Jesus walked with me and carried me through the trials and tribulations of the past seventeen years This includes my salvation experience my personal encounters with Satan my time spent in mental hospitals two times when I could have died the loss of family and friends and also how God provided me with a new Christian family and friends who are helping me rebuild my life and showing me how to minister to others The three sections of poems include personal journey poems praise and worship poems and poems about the end times The reason I am telling my story and being so open and honest is because I want you to know that Jesus is real and that He will save you and walk with you for eternity if you only open up your heart to Him My name is Brian Whitacre I was born in 1973 As a child I enjoyed school and played sports however I didn't know Jesus My spiritual journey started in 1993 At the age of twenty I began attending a Pentecostal Church where I was drawn to Jesus by the power of love On April 24 1994 I got saved as God spoke these words to me are you willing to give up your secular music for me I said yes and God also delivered me from my bad temper and cursing However right after I got saved I came face to face with Satan This encounter changed the course of my life forever Because of this encounter I ended up in a maximum security mental hospital in Dayton Ohio Since 1994 I have spent many long hours in mental hospitals where Jesus proved He would never leave me *Adrienne Rich's Later Poetry* Alec Marsh, 2024-12-12 Reorienting understandings of Adrienne Rich's later work through her interest in Marx and Marxist politics this book engages with this overlooked part of her oeuvre through considerations of issues such as race nationhood and gender From 1983 onward after she visited revolutionary Nicaragua until the end of her life Rich's political vision can best be described as Marxist Humanist Until recently very little attention has been paid to Rich's interest in Marx there is no in depth treatment of the effect of Marx's humanistic philosophy on Rich's later work or even on her unwavering but altered dedication to Women's Liberation This book fills this gap showing how Rich's discovery of Marx's humanism affected her poetry In doing so it makes a significant intervention into debates about the direction of American poetics and argues powerfully for a greater consciousness of political engagement through poetry Release Me Through Poetry Olga L.
