

RELIGION AND NATION IN MODERN UKRAINE

Edited by David and Susan G. Gryn

Religion And Nation In Modern Ukraine

Serhii Plokhy, Frank E. Sysyn

Religion And Nation In Modern Ukraine:

Religion and Nation in Modern Ukraine Serhii Plokhy, Frank E. Sysyn, 2003 **The Cossacks and Religion in Early Modern Ukraine** Serhii Plokhy, 2001-11-08 The Ukrainian Cossacks often compared in historical literature to the pirates of the Mediterranean and the frontiersmen of the American West constituted one of the largest Cossack hosts in the European steppe borderland They became famous as ferocious warriors their fighting skills developed in their religious wars against the Tartars Turks Poles and Russians By and large the Cossacks were Orthodox Christians and quite early in their history they adopted a religious ideology in their struggle against those of other faiths Their acceptance of the Muscovite protectorate in 1654 was also influenced by their religious ideas In this pioneering study Serhii Plokhy examines the confessionalization of religious life in the early modern period and shows how Cossack involvement in the religious struggle between Eastern Orthodoxy and Roman Catholicism helped shape not only Ukrainian but also Russian and Polish cultural identities Contemporary Ukraine on the Cultural Map of Europe Larissa M. L. Zaleska Onyshkevych, Maria G. Rewakowicz, 2014-12-18 The concept of a return to Europe has been integral to the movement for Ukrainian national rebirth since the nineteenth century While the goal of a more fully reformed politics remains elusive numerous expressions of Ukrainian culture continue to develop in the European spirit This wide ranging book explores Ukraine's European cultural connection especially as it has been reestablished since the country achieved independence in 1991 The contributors discuss many aspects of Ukraine's contemporary culture history politics and religion in Part I literary culture in Part II and language popular culture and the arts in Part III What emerges is a fascinating picture of a young country grappling with its divided past and its colonial heritage yet asserting its voice and preferences amid the diverse and at times conflicting realities of the contemporary political scene Europe becomes a powerful point of reference a measure against which the situation in post independence Ukraine is gauged and debated This framework allows for a better understanding of the complexities deeply ingrained in the social fabric of Ukrainian society *The Orthodox Church in Ukraine* Nicholas E. Denysenko, 2018-11-23 The bitter separation of Ukraine's Orthodox churches is a microcosm of its societal strife From 1917 onward church leaders failed to agree on the church's mission in the twentieth century The core issues of dispute were establishing independence from the Russian church and adopting Ukrainian as the language of worship Decades of polemical exchanges and public statements by leaders of the separated churches contributed to the formation of their distinct identities and sharpened the friction amongst their respective supporters In *The Orthodox Church in Ukraine* Nicholas Denysenko provides a balanced and comprehensive analysis of this history from the early twentieth century to the present Based on extensive archival research Denysenko's study examines the dynamics of church and state that complicate attempts to restore an authentic Ukrainian religious identity in the contemporary Orthodox churches An enhanced understanding of these separate identities and how they were forged could prove to be an important tool for resolving contemporary religious

differences and revising ecclesial policies This important study will be of interest to historians of the church specialists of former Soviet countries and general readers interested in the history of the Orthodox Church

A History of Ukraine Paul Robert Magocsi, 2010-06-18 First published in 1996 A History of Ukraine quickly became the authoritative account of the evolution of Europe's second largest country In this fully revised and expanded second edition Paul Robert Magocsi examines recent developments in the country's history and uses new scholarship in order to expand our conception of the Ukrainian historical narrative New chapters deal with the Crimean Khanate in the sixteenth and seventeenth centuries and new research on the pre-historic Trypillians the Italians of the Crimea and the Black Death the Karaites Ottoman and Crimean slavery Soviet era ethnic cleansing and the Orange Revolution is incorporated Magocsi has also thoroughly updated the many maps that appear throughout Maintaining his depiction of the multicultural reality of past and present Ukraine Magocsi has added new information on Ukraine's peoples and discusses Ukraine's diasporas Comprehensive innovative and geared towards teaching the second edition of A History of Ukraine is ideal for both teachers and students

Churches in the Ukrainian Crisis Andrii Krawchuk, Thomas Bremer, 2017-02-07 This volume explores the churches of Ukraine and their involvement in the recent movement for social justice and dignity within the country In November of 2013 citizens of Ukraine gathered on Kyiv's central square Maidan to protest against a government that had reneged on its promise to sign a trade agreement with Europe The Euromaidan protest included members of various Christian churches in Ukraine who stood together and demanded government accountability and closer ties with Europe In response state forces massacred over one hundred unarmed civilians The atrocity precipitated a rapid sequence of events the president fled the country a provisional government was put in place and Russia annexed Crimea and intervened militarily in eastern Ukraine An examination of Ukrainian churches involvement in this protest and the fall out that it inspired opens up other questions and discussions about the churches identity and role in the country's culture and its social and political history Volume contributors examine Ukrainian churches historical development and singularity their quest for autonomy their active involvement in identity formation their interpretations of the war and its causes and the paths they have charted toward peace and unity

Everyday Religiosity and the Politics of Belonging in Ukraine Catherine Wanner, 2022-11-15 Everyday Religiosity and the Politics of Belonging in Ukraine reveals how and why religion has become a pivotal political force in a society struggling to overcome the legacy of its entangled past with Russia and chart a new future If Ukraine is ground zero in the tensions between Russia and the West religion is an arena where the consequences of conflicts between Russia and Ukraine keenly play out Vibrant forms of everyday religiosity pave the way for religion to be weaponized and securitized to advance political agendas in Ukraine and beyond These practices Catherine Wanner argues enable religiosity to be increasingly present in public spaces public institutions and wartime politics in a pluralist society that claims to be secular Based on ethnographic data and interviews conducted since before the Revolution of Dignity and the outbreak of armed combat in

2014 Wanner investigates the conditions that catapulted religiosity religious institutions and religious leaders to the forefront of politics and geopolitics Religion and identity Ryszard Michalak,2023-09-04 The role of religious identity in social communities has gained importance in the past few years as many questions about individual and collective identity have been brought up in the fields of science and everyday life Religion despite the process of secularisation remains an important component of human identity Increasingly religion is also becoming an object of political influence This volume argues that religion actually determinates various phenomena in the political sphere today **Eastern Christianity and Politics in the Twenty-First Century** Lucian N. Leustean,2014-05-30 This book provides an up to date comprehensive overview of Eastern Christian churches in Europe the Middle East America Africa Asia and Australia Written by leading international scholars in the field it examines both Orthodox and Oriental churches from the end of the Cold War up to the present day The book offers a unique insight into the myriad church state relations in Eastern Christianity and tackles contemporary concerns opportunities and challenges such as religious revival after the fall of communism churches and democracy relations between Orthodox Catholic and Greek Catholic churches religious education and monastic life the size and structure of congregations and the impact of migration secularisation and globalisation on Eastern Christianity in the twenty first century

Historical Dictionary of Ukraine Ivan Katchanovski,Zenon E. Kohut,Bohdan Y. Nebesio,Myroslav Yurkevich,2013-07-11 Although present day Ukraine has only been in existence for something over two decades its recorded history reaches much further back for more than a thousand years to Kyivan Rus Over that time it has usually been under control of invaders like the Turks and Tatars or neighbors like Russia and Poland and indeed it was part of the Soviet Union until it gained its independence in 1991 Today it is drawn between its huge neighbor to the east and the European Union and is still struggling to choose its own path although it remains uncertain of which way to turn Nonetheless as one of the largest European states with considerable economic potential it is not a place that can be readily overlooked The problem is or at least was where to find information on this huge modern Ukraine and since 2005 the answer has been the Historical Dictionary of Ukraine in its first edition and now even more so with this second edition It now boasts a dictionary section of about 725 entries these covering the thousand years of history but particularly the recent past and focusing on significant persons places and events political parties and institutions as well as more broadly international relations the economy society and culture The chronology permits readers to follow this history and the introduction is there to make sense of it It also features the most extensive and up to date bibliography of English language writing on Ukraine *Living Soviet in Ukraine from Stalin to Maidan* Michael T. Westrate,2016-04-29 What the world is now witnessing in Ukraine is the cumulative effect of history and memory in the lives of the people of the region and this book directly addresses those subjects Although the majority of scholarship on the Soviet Union focuses on top level political and intellectual elites these groups were only tiny minorities What was life like for the rest of society What was it like for the vast population that usually

supported the regime mostly accepted the rules essentially internalized the ideology and generally made the same choices as their neighbors and friends What was it like to live Soviet as the USSR hit its peak as a superpower and then fell apart What was it like to live Soviet in Ukraine in the decade after independence This book answers those questions It is an oral history of a group of military colonels and their wives children and contemporaries covering their lives from childhood to the present During this period these military families went from comfortable economic circumstances professional prestige and political influence as part of the Soviet upper stratum to destitution and disgrace in the 1990s Today many of them are part of Europe s largest ethnic minority Russians in Ukraine The geographic focus is Kharkiv the second largest city in Europe s second largest country a Russian speaking city in eastern Ukraine Based on 3 000 pages of interview transcripts and supplemented with materials gleaned from unprecedented access to personal family and institutional archives the book investigates how families endured shifting social cultural and political realities By analyzing the lives of individuals in context Weststrate provides insights at the grassroots level He reveals how ideological professional gender ethnic and national imperatives as developed and transmitted by elites were internalized transformed or rejected by the rank and file He reveals how the subjective identities of individuals and small groups developed and changed over time and how that process relates to the parallel projects pursued by the leaders of their countries In the process he shows what those experiences have to offer the study of Soviet post Soviet and transnational history bridging the boundaries created by the collapse of the USSR and exploring the foundations of both twenty first century Ukraine and today s conflicts

From “the Ukraine” to Ukraine

Matthew Kasianov, Georgiy Minakov, Mykhailo Rojansky, 2021-05-11 The contributors to this collection explore the multidimensional transformation of independent Ukraine and deal with her politics society private sector identity arts religions media and democracy Each chapter reflects the up to date research in its sub discipline is styled for use in seminars and includes a bibliography as well as a recommended reading list These studies illustrate the deep changes yet at the same time staggering continuity in Ukraine s post Soviet development as well as various counter reactions to it All nine chapters are jointly written by two co authors one Ukrainian and one Western who respond here to recent needs in international higher education The volume s contributors include apart from the editors Margarita M Balmaceda Seton Hall University Oksana Barshynova Ukrainian National Arts Museum Tymofii Brik Kyiv School of Economics Jos Casanova Georgetown University Diana Dutsyk Kyiv Mohyla Academy Marta Dyczok University of Western Ontario Hennadii Korzhov Kyiv Polytechnic Institute Serhiy Kudelia Baylor University Pavlo Kutuev Kyiv Polytechnic Institute Olena Martynyuk Columbia University Oksana Mikheieva Ukrainian Catholic University Tymofii Mylovanov University of Pittsburgh Andrian Prokip Ukrainian Institute for the Future Oxana Shevel Tufts University Ilona Sologoub Kyiv School of Economics Maksym Yenin Kyiv Polytechnic Institute and Yuliya Yurchenko University of Greenwich

Eighteenth-Century Ukraine

Zenon E. Kohut, Volodymyr Sklokin, Frank E. Sysyn, 2023-05-15 The Cossack revolution of 1648 redrew the map of Eastern Europe and

established a new social and political order that endured until the early nineteenth century with the full integration of Ukraine into imperial states. It was an era when Ukrainian Cossack statehood was established when a country called Ukraine appeared for the first time on European maps and new diverse identities emerged. Eighteenth Century Ukraine provides an innovative reassessment of this crucial period in Ukrainian history and reflects new developments in the study of eighteenth century Ukrainian history. Written by a team of primarily Ukrainian historians, the volume covers a wide range of topics: social history, demographics, history of medicine, religious culture, education, symbolic geography, the transformation of collective identities, and political and historical thought. Special attention is paid to Ukrainian-Russian relations in the context of eighteenth century Russian imperial unification. **Eighteenth Century Ukraine** is the most comprehensive guide to new visions of early modern Ukrainian history.

The Near Abroad Zbigniew Wojnowski, 2017-01-01 In *The Near Abroad* Zbigniew Wojnowski traces how Soviet Ukrainian identities developed in dialogue and confrontation with the USSR's neighbours in Eastern Europe.

Conversion After Socialism Mathijs Pelkmans, 2009 The large and sudden influx of missionaries into the former Soviet Union after seventy years of militant secularism has been controversial and the widespread occurrence of conversion has led to anxiety about social and national disintegration. Although these concerns have been vigorously discussed in national arenas, social scientists have remained remarkably silent about the subject. This volume's focus on conversion offers a novel approach to the dislocations of the postsocialist experience. In eight well-researched ethnographic accounts, the authors analyse a range of missionary encounters as well as aspects of conversion and anti-conversion in different parts of the region, thus challenging the problematic idea that religious life after socialism involved a simple revival of repressed religious traditions. Instead, they unravel the unexpected twists and turns of religious dynamics and the processes that have challenged popular ideas about religion and culture. The contributions show how conversion is rooted in the disruptive qualities of the new capitalist experience and document its unsettling effects on the individual and social level.

Book Jacket

The 'Lviv Sobor' of 1946 and Its Aftermath, 2022-12-28 In 1946 the Lviv Sobor voted to liquidate the Ukrainian Greco-Catholic Church. The Moscow Patriarchate considers it a triumph of Orthodoxy, while the Catholic Church condemns it as an illegitimate council convened by Soviet authorities. What is the truth? This volume presents the contexts of the Lviv Sobor, its aftermath, and reception from various perspectives. Although there is no common narrative, scholars have concluded that the decisions of the Lviv Sobor were coerced by Soviet authorities; the Russian Orthodox Church was forced to collaborate and that reconciliation depends on acknowledging these facts in order to move toward reconciliation.

Eastern Christianity and the Cold War, 1945-91 Lucian Leustean, 2010-01-21 This book provides a comprehensive overview of the dynamics between Eastern Christianity and politics from the end of the Second World War to the fall of communism, covering 40 Orthodox churches, including diasporic churches in Africa, Asia, America, and Australia.

Globalization and Orthodox Christianity Victor Roudometof, 2013-10-15 With approximately 200 to 300 million adherents worldwide, Orthodox

Christianity is among the largest branches of Christianity yet it remains relatively understudied This book examines the rich and complex entanglements between Orthodox Christianity and globalization offering a substantive contribution to the relationship between religion and globalization as well as the relationship between Orthodox Christianity and the sociology of religion and more broadly the interdisciplinary field of Religious Studies While deeply engaged with history this book does not simply narrate the history of Orthodox Christianity as a world religion nor does it address theological issues or cover all the individual trajectories of each subgroup or subdivision of the faith Orthodox Christianity is the object of the analysis but author Victor Roudometof speaks to a broader audience interested in culture religion and globalization Roudometof argues in favor of using globalization instead of modernization as the main theoretical vehicle for analyzing religion displacing secularization in order to argue for multiple hybridizations of religion as a suitable strategy for analyzing religious phenomena It offers Orthodox Christianity as a test case that illustrates the presence of historically specific but theoretically distinct glocalizations applicable to all faiths

On the Shoulders of Grandmothers Cinzia Solari, 2017-08-03 On the Shoulders of Grandmothers is a global ethnography of Ukrainian transnational migration Gendered migrant subjectivities are a key site for understanding the production of neoliberal capitalism and Ukrainian nation state building a fraught process that places Ukraine precariously between Europe and Russia with dramatic implications for the political economy of the region However processes of gender and migration that undergird transnational nation state building require further attention Solari compares two patterns of Ukrainian migration the forced exile of middle aged women most grandmothers to Italy and the voluntary exodus of families led by the same cohort of middle aged women to the United States In both receiving sites these migrants are caregivers to the elderly Using in depth interviews and ethnographic data collected in three countries Solari shows that Ukrainian nation state building occurs transnationally She examines the collective practices of migrants who are building the new Ukraine from the outside in and shaping both Italy and the United States as well The Ukrainian state in order to fulfil its First World aspirations of joining Europe and distancing itself from all things Soviet is pursuing a gendered reorganization of family and work structures to achieve a transition from socialism to capitalism This has created a labor force of migrant grandmothers who carry the new Ukraine on their shoulders Solari shows that this post Soviet economic transformation requires a change in the moral order as migrant women struggle to understand how to be good mothers and grandmothers and men join women in attempts to teach their children to be successful and honorable people now that the social rules have drastically changed Looking at individual migrant women and men and their families in Ukraine allows us to see the production of neoliberal capitalism and new nationalism from the ground up and the outside in for a region that promises to be a flashpoint in our century

The Church's Unholy War Nicholas Denysenko, 2023-05-04 How did religion contribute to Russia's invasion of Ukraine Heated disputes and alienation among Orthodox Christians in Ukraine and Russia contributed to Russian aggression in Crimea and Donbas in 2014 and the full scale invasion of Ukraine in

2022 This book examines attempts from the early twentieth century to the present day to liberate the Ukrainian Orthodox Church from Russian control It explores the causes of bitter alienation Russia s use of soft power to maintain control the development of hate speech used to discriminate against independent minded Ukrainians and the transition from soft to hard power from 2014 to the present

Religion And Nation In Modern Ukraine Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Religion And Nation In Modern Ukraine PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture

of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Religion And Nation In Modern Ukraine PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Religion And Nation In Modern Ukraine free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Religion And Nation In Modern Ukraine Books

What is a Religion And Nation In Modern Ukraine PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Religion And Nation In Modern Ukraine PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Religion And Nation In Modern Ukraine PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Religion And Nation In Modern Ukraine PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Religion And Nation In Modern Ukraine PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to

restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
