*Bentley MkVI* Martyn Nutland, 2007-08-15 The Bentley MkVI introduced in 1946 fairly bristled with new ideas and marked a bold change of direction for a company as conservative as Rolls Royce owner of the Bentley marque The most radical departure from pre

war practice was the fact that the MkVI could be bought with a standard body Other major new features were the engine cruciform chassis and hydraulically operated front brakes However none of this indicates the true historical importance of the MkVI or why the model is at the heart of this book quite simply the MkVI s design was the well spring from which all the mainstream Rolls Royce and Bentley models flowed until the advent of the Silver Shadow and Bentley T Series in 1965 Here is the complete story of the Rolls Royce Silver Wraith Silver Dawn and Silver Cloud and the Bentley MkVI R Type and S Type Covering concept design and development production promotion publicity and the coachbuilt cars There is also helpful practical advice on buying and running these cars today together with appendices of chassis number sequences and dates build numbers and modifications and development by chassis number Illustrated with over 160 black and white and color photos this book is a must have for anyone interested in automotive history

**Dark Side Of Healthcare, The: Issues, Cases, And Lessons For The Future** Brian Edwards,2021-05-28 The Dark Side of Healthcare draws uncomfortable lessons from over 300 case studies of events that occurred in the healthcare sector Health services have many skilled and dedicated professionals but there is a dark side that cannot be ignored The unthinkable has happened and might have been prevented The case studies from many countries include serial killers with a health background drugs and medical devices that proved to be dangerous negligent and poor clinical practices as well as incompetent and weak management that led to failing hospitals and harm to patients There are also corruption cases accidents at work and cases involving the sexual exploitation of children Politicians early responses to COVID 19 and the subsequent missteps are also scrutinised Many of the errors and omissions that led to patient harm have been repeated This book is not an attack on health services or health professionals Instead it is a search for ways of making health delivery safer for patients and staff who deliver care often in challenging circumstances Its focus is learning rather than blame
