## Roman Avec Cocaïne:

**A Romance with Cocaine** M Arĕeb, 2008 Struggling with the confusion and insecurities that adolescence brings Vadim seeks an outlet for his frustration Following unfulfilling attempts at classroom rebellion filial disobedience and teenage sex he is drawn further and further into the world of illicit drugs As his desire to experiment with narcotics grows stronger so too do his feelings of worthlessness and isolation and his ultimate physical surrender to cocaine mirrors his nation s psychological capitulation to a world where morals no longer apply

**Novel with Cocaine** M. Ageyev, 1998 A Dostoevskian psychological novel of ideas Novel with Cocaine explores the interaction between psychology philosophy and ideology in its frank portrayal of an adolescent s cocaine addiction The story relates the formative experiences of Vadim at school and with women before he turns to drug abuse and the philosophical reflections to which it gives rise Although Ageyev makes little explicit reference to the Revolution the novel s obsession with addictive forms of thinking finds resonance in the historical background in which our inborn feelings of humanity and justice provoke the cruelties and satanic transgressions committed in its name
