Alistair Moffat

Roman Carlisle And The Post Roman Kingdoms:

Post-Roman Carlisle and the Kingdoms of the North-west Ronald Cunliffe Shaw, 1964 **Post-Roman Kingdoms** Raffaele D'Amato, 2023-01-19 Meticulously researched this book examines the evidence for the post Roman military forces of France and Britain during the Dark Ages reconstructing their way of life and the battles they fought in compelling detail The collapse of the former Western Roman Empire during the so called Dark Ages c AD 410 was gradual and piecemeal Out of this vacuum arose regional tribes and leaders determined to take back kingdoms that were theirs and oust any Roman presence for good However the Roman guard was tenacious and survived in small pockets that emerged in both Gaul and Britain These areas of Romano Celtic resistance held out against the Saxons until at least the mid 6th century in Britain and against the Visigoths and the Merovingian Franks until the late 8th century in France Drawing on archaeological finds contemporary sculpture and manuscript illuminations Dr Raffaele D Amato presents contemporary evidence for 5th to 9th century Gallic and British Dark Age armies and reconstructs their way of life and the battles they fought The text accompanied by photographs and colour illustrations paints an intricate picture of how these disparate groups of Roman soldiers survived and adapted on the fringes of the Roman Empire **Post Roman Carlisle and the Kingdoms of the North-West ... Second Edition. [With Illustrations.]** Ronald Cunliffe Shaw, 1964 **Gaelic Influence in the Northumbrian Kingdom** Fiona Edmonds, 2019 WINNER OF THE FRANK WATSON BOOK PRIZE 2021 SHORTLISTED IN SCOTLAND S NATIONAL BOOK AWARDS 2021 The first full scale interdisciplinary treatment of the wide ranging connections between the Gaelic world and the Northumbrian kingdom Northumbria was the most northerly Anglo Saxon kingdom its impressive landscape featured two sweeping coastlines which opened the area to a variety of cultural connections This book explores influences that emanated from the Gaelic speaking world including Ireland the Isle of Man Argyll and the kingdom of Alba the nascent Scottish kingdom It encompasses Northumbria s Golden Age the kingdom s political and scholarly high point of the seventh and early eighth centuries and culminates with the kingdom s decline and fragmentation in the Viking Age which opened up new links with Gaelic Scandinavian communities Political and ecclesiastical connections are discussed in detail the study also covers linguistic contact material culture and the practicalities of travel bringing out the realities of contemporary life This interdisciplinary approach sheds new light on the west and north of the Northumbrian kingdom the areas linked most closely with the Gaelic world Overall the book reveals the extent to which Gaelic influence was multi faceted complex and enduring Dr FIONA EDMONDS is Reader in History and Director of the Regional Heritage Centre at Lancaster University **A Companion to the Early Middle Ages** Pauline Stafford, 2012-12-26 Drawing on 28 original essays A Companion to the Early Middle Ages takes an inclusive approach to the history of Britain and Ireland from c 500 to c 1100 to overcome artificial distinctions of modern national boundaries A collaborative history from leading scholars covering the key debates and issues Surveys the building blocks of political society and considers

whether there were fundamental differences across Britain and Ireland Considers potential factors for change including the economy Christianisation and the Vikings [Post Roman Carlisle and the Kingdoms of the North-west](#) Ronald Cunliffe Shaw,1963 **The Lost Dark Age Kingdom of Rheged** Ronan Toolis,Christopher Bowles,2017-01-31 Trusty s Hill is an early medieval fort at Gatehouse of Fleet Dumfries and Galloway The hillfort comprises a fortified citadel defined by a vitrified rampart around its summit with a number of enclosures looping out along lower lying terraces and crags The approach to its summit is flanked on one side by a circular rock cut basin and on the other side by Pictish Symbols carved on to the face of a natural outcrop of bedrock This Pictish inscribed stone is unique in Dumfries and Galloway and southern Scotland and has long puzzled scholars as to why the symbols were carved so far from Pictland and even if they are genuine The Galloway Picts Project launched in 2012 aimed to recover evidence for the archaeological context of the inscribed stone but far from validating the existence of Picts in this southerly region of Scotland the archaeological context instead suggests that the carvings relate to a royal stronghold and place of inauguration for the local Britons of Galloway around AD 600 Examined in the context of contemporary sites across southern Scotland and northern England the archaeological evidence from Galloway suggests that this region may have been the heart of the lost Dark Age kingdom of Rheged a kingdom that was in the late sixth century pre eminent amongst the kingdoms of the north The new archaeological evidence from Trusty s Hill enhances our perception of power politics economy and culture at a time when the foundations for the kingdoms of Scotland England and Wales were being laid [The Romans Who Shaped Britain](#) Sam Moorhead,David Stuttard,2016-08-02 A biographical history of the Romans who conquered and dominated Britain based on the latest archaeological evidence and original source material Here are the stories of the people who built and ruled Roman Britain from the eagle bearer who leaped off Caesar s ship into the waves at Walmer in 55BC to the last cavalry units to withdraw from the island under their dragon standards in the early fifth century AD Through the lives of its generals and governors this book explores the narrative of Britannia as an integral and often troublesome part of Rome s empire a hard won province whose mineral wealth and agricultural prosperity made it crucial to the stability of the West But Britannia did not exist in a vacuum and the authors set it in an international context to give a vivid account of the pressures and events that had a profound impact on its people and its history The authors discuss the lives and actions of the Roman occupiers against the backdrop of an evolving landscape where Iron Age shrines were replaced by marble temples and industrial scale factories and granaries sprang up across the countryside **The Origins of Lancashire** Denise Kenyon,1991 [The Men of the North](#) Tim Clarkson,2012-09-28 The North Britons are the least known among the inhabitants of early medieval Scotland Like the Picts and Vikings they played an important role in the shaping of Scottish history during the first millennium AD but their part is often neglected or ignored This book aims to redress the balance by tracing the history of this native Celtic people through the troubled centuries from the departure of the Romans to the arrival of the Normans The fortunes of Strathclyde the last

surviving kingdom of the North Britons are studied from its emergence at Dumbarton in the fifth century to its eventual demise in the eleventh. Other kingdoms such as the Edinburgh based realm of Gododdin and the mysterious Rheged are examined alongside fragments of heroic poetry celebrating the valour of their warriors. Behind the recurrent themes of warfare and political rivalry runs a parallel thread dealing with the growth of Christianity and the influence of the Church in the affairs of kings. Important ecclesiastical figures such as Ninian of Whithorn and Kentigern of Glasgow are discussed partly in the hope of unearthing their true identities among a tangled web of sources. The closing chapters of the book look at how and why the North Britons lost their distinct identity to join their old enemies the Picts as one of Scotland's vanished nations.

The North-south Divide Helen M. Jewell, 1994. The North-South divide in England is rooted in prehistory and attested throughout recorded time in widely varied sources. This book traces its development from earliest times and provides a corrective to the popular notion that the divide only originated with the Industrial Revolution. A major theme of the study is the development of northern consciousness and the presence of Scotland across the northern border is seen as an important factor in shaping northern English identity as well as the attitudes of southern kings and governments to the north.

Carlisle Mike McCarthy, 2017-07-20. Carlisle charts the city's emergence as an urban centre under the Romans and traces its vicissitudes over subsequent centuries until the high Middle Ages. Arguably the most important theme that differentiates its development from many other towns is its position as a border city. The characteristics of the landscape surrounding Carlisle gave it special significance as a front line element in the defence of the Roman province of Britannia and later at the frontier of two emerging kingdoms, England and Scotland. In both cases it occupied the only overland route in the west between these two kingdoms, emphasising the importance of understanding its landscape setting. This volume sheds light on the processes of urbanization under the Romans, beginning with a fort developing into a major nodal hub and ending as the capital city of the local tribe, the Carvetii. The story continues with the collapse of Roman rule and the city's re-emergence first as a monastic centre then as a proto town in the period of Anglo-Scandinavian settlement. Finally, the Norman Conquest confirmed Carlisle's importance with the establishment of a castle, a diocese and an Augustinian Priory, as well as the granting of specific rights to the citizens. Carlisle uses a combination of archaeological discoveries and historical data to explore the history and legacy of this fascinating city.

The Faded Map Alistair Moffat, 2011-05-23. In this modern age, the regional and national boundaries which define Scotland seem fixed and permanent. But of course this has not always been so. In this book, Alistair Moffat looks at the shifting political shape of the land long before its modern borders were created. In doing so, he brings to vivid life the half-forgotten kingdoms that came and went during Roman times, the Dark Ages, and the early medieval period. This is a fascinating journey into a tantalisingly little-known period of our history, yet one which is crucial to our understanding of who we are and where we came from. Moffat's tireless research and commanding knowledge bring these forgotten peoples to life. Scottish Field.

Proceedings - Isle of Man Natural History and Antiquarian Society Isle

of Man Natural History and Antiquarian Society,1966 **A Mighty Fleet and the King's Power** Tim Clarkson,2023-04-06
 Situated in the middle of the Irish Sea the Isle of Man is like a stepping stone between the lands that surround it In medieval times it played an important role in the histories of Ireland Scotland England and Wales This book explores the first part of that turbulent era tracing the story of the Isle of Man from the fifth to the thirteenth centuries It looks at the ways in which various peoples Britons Scots Irish English and Scandinavians influenced events in Man over a period of more than 800 years A large portion of the book is concerned with the Vikings a group whose legacy in place names old burial mounds and finely carved stones is such a vivid element in the Manx landscape today **The Archaeological Journal** ,1890 **Evidence of Arthur** Flint F. Johnson,2014-02-07 Making use of the methodology developed in his *Origins of Arthurian Romances* McFarland 2012 the author explores the question of King Arthur s existence in several original approaches to the subject Examining the extant literature and other evidence the author searches for the truth of the who when and where of King Arthur These explorations are grouped into historicity geography and the years in which he flourished The conclusion is that Arthur was indeed an historical entity and the author places him in a specific area and narrows the time frame of his period of activity The Transformation of the Roman World AD 400-900 Leslie Webster,Michelle P. Brown,Michelle Brown,1997 Book accompanies 5 exhibitions Includes bibliographical references p 249 255 and index *The North Pennines from Prehistory to Present* Paul Frodsham,Martin Green,Greg Finch,2024-11-14 The first comprehensive survey of the archaeology of the North Pennines from Mesolithic to modern times Traces of 10 000 years of human activity survive today including flint scatters at Mesolithic campsites earthworks of prehistoric and later settlements and field systems and extensive remnants of the post medieval miner farmer landscape *Military Religion in Roman Britain* Georgia Irby-Massie,2018-07-17 This volume deals with the religions of the Roman soldiers in Britain and the religious interactions of soldiers and civilians Drawing on epigraphic and archaeological evidence the discussion shows the complexities of Roman Eastern and Celtic rites how each system influenced the ritual and liturgy of the others and how each system was altered over time The first part presents discursive chapters on topics such as the cult of the emperor Mithraism in Britain the cults of Celtic warriors and healers the Romanization of Civilian religions and Christianity the second part consists of an annotated catalogue of the epigraphical sources Of significance is the broad range of materials synthesized to show the extent to which native religions influenced and were influenced by imported Roman and Eastern cults

Roman Carlisle And The Post Roman Kingdoms Introduction

In the digital age, access to information has become easier than ever before. The ability to download Roman Carlisle And The Post Roman Kingdoms has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Roman Carlisle And The Post Roman Kingdoms has opened up a world of possibilities. Downloading Roman Carlisle And The Post Roman Kingdoms provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Roman Carlisle And The Post Roman Kingdoms has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Roman Carlisle And The Post Roman Kingdoms. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Roman Carlisle And The Post Roman Kingdoms. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Roman Carlisle And The Post Roman Kingdoms, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Roman Carlisle And The Post Roman

Kingdoms has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Roman Carlisle And The Post Roman Kingdoms Books

1. Where can I buy Roman Carlisle And The Post Roman Kingdoms books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
