

# Roman Politics

**Dean Hammer**

## Roman Politics:

*Roman Politics* Frank Frost Abbott, 1923      **Roman politics** Frank Frost Abbott, 2025-08-15 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      The Greek Slogan of Freedom and Early Roman Politics in Greece Sviatoslav Dmitriev, 2011-03-24 This book elucidates the many uses of the slogan of freedom by ancient Greeks beginning with the Peloponnesian war and continuing throughout the Hellenistic period and shows in detail how the Romans appropriated and adjusted Greek political vocabulary and practices to establish the pax Romana over the Mediterranean world      **Roman politics** Frank Frost Abbott, 2025-08-22 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage      *Politics in the Roman Republic* Henrik Mouritsen, 2017-03-02 A very readable introduction exploring much contested issues and debates and providing an original synthesis of this important topic      **A Companion to the Political Culture of the Roman Republic** Valentina Arena, Jonathan R. W. Prag, Andrew Stiles, 2022-01-25 An insightful and original exploration of Roman Republic politics In A Companion to the Political Culture of the Roman Republic editors Valentina Arena and Jonathan Prag deliver an incisive and original collection of forty contributions from leading academics representing various intellectual and academic traditions The collected works represent some of the best scholarship in recent decades and adopt a variety of approaches each of which confronts major problems in the field and contributes to ongoing research The book represents a new updated and comprehensive view of the political world of Republican Rome and some of the included essays are available in English for the first time Divided into six parts the discussions consider the institutionalized loci political actors and values rituals and discourse that characterized Republican Rome The Companion also offers several case studies and sections on the history of the interpretation of political life in the Roman Republic Key features include A thorough introduction to the Roman political world as seen through the wider lenses of Roman political culture Comprehensive explorations of the fundamental components of Roman political culture including ideas and values civic and religious rituals myths and communicative strategies Practical discussions of Roman Republic institutions both with reference to their formal rules and prescriptions and as patterns of social organization In depth examinations of the afterlife of the Roman Republic both in ancient authors and in early modern and modern times Perfect for students of all levels of the ancient world A Companion to the Political Culture of the Roman Republic will also earn a place in the libraries of scholars and students of politics political history and the history of ideas      Illyricum in Roman Politics, 229 BC-AD 68 Danijel Dzino, 2010-01-21 This book examines Roman military and political conquest of the Western Balkans Illyricum between 229 BC and c AD 68 using written and archaeological sources It shows the various political strategies that the Romans were using in dealing with the indigenous

population of the region      Greek and Roman Political Ideas Melissa Lane, 2014-05-01 What is politics What are the origins of political philosophy What can we learn from the Greeks and Romans In Greek and Roman Political Ideas acclaimed classics scholar Melissa Lane introduces the reader to the foundations of Western political thought from the Greeks who invented democracy to the Romans who created a republic and then transformed it into an empire Tracing the origins of political philosophy from Socrates to Cicero to Plutarch Lane reminds us that the birth of politics was as much a story of individuals as ideas      Roman Political Thought and the Modern Theoretical Imagination Dean Hammer, 2014-10-22 Links modern political theorists with the Romans who inspired them Roman contributions to political theory have been acknowledged primarily in the province of law and administration Even with a growing interest among classicists in Roman political thought most political theorists view it as merely derivative of Greek philosophy Focusing on the works of key Roman thinkers Dean Hammer recasts the legacy of their political thought examining their imaginative vision of a vulnerable political world and the relationship of the individual to this realm By bringing modern political theorists into conversation with the Romans who inspired them Arendt with Cicero Machiavelli with Livy Montesquieu with Tacitus Foucault with Seneca the author shows how both ancient Roman and modern European thinkers seek to recover an attachment to the political world that we actually inhabit rather than to a utopia a perfect nowhere outside of the existing order Brimming with fresh interpretations of both ancient and modern theorists this book offers provocative reading for classicists political scientists and anyone interested in political theory and philosophy It is also a timely meditation on the hidden ways in which democracy can give way to despotism when the animating spirit of politics succumbs to resignation cynicism and fear      *A Companion to Greek and Roman Political Thought* Ryan K. Balot, 2012-12-21 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political thought in all its range diversity and depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives A Companion to Greek and Roman Political Thought is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and challenge the modern world      *Roman Political Thought* Dean Hammer, 2014-07-28 This book is the first comprehensive treatment of Roman political thought arguing that Romans engaged in wide ranging reflections on politics      **The Cambridge History of Greek and Roman Political Thought** Christopher Rowe, Malcolm Schofield, 2000-05-11 A definitive reference work on Greek and Roman political thought from the age of Homer to late antiquity first published in 2000      **Roman Political Thought** Jed W. Atkins, 2018-04-12 What can the Romans teach us about politics This thematic introduction to Roman political thought shows how the Roman world developed

political ideas of lasting significance from the consequential constitutional notions of the separation of powers political legitimacy and individual rights to key concepts in international relations such as imperialism just war theory and cosmopolitanism Jed W Atkins relates these and many other important ideas to Roman republicanism traces their evolution across all major periods of Roman history and describes Christianity's important contributions to their development Using the politics and political thought of the United States as a case study he argues that the relevance of Roman political thought for modern liberal democracies lies in the profound mixture of ideas both familiar and foreign to us that shape and enliven Roman republicanism Accessible to students and non specialists this book provides an invaluable guide to Roman political thought and its enduring legacies

**The Body Politic in Roman Political Thought** Julia Mebane, 2024-01-31 How did Roman writers use the metaphor of the body politic to respond to the downfall of the Republic In this book Julia Mebane begins with the Catilinarian Conspiracy in 63 BCE when Cicero and Catiline proposed two rival models of statesmanship on the senate floor the civic healer and the head of state Over the next century these two paradigms of authority were used to confront the establishment of sole rule in the Roman world Tracing their Imperial afterlives allows us to see how Romans came to terms with autocracy without ever naming it as such In identifying metaphor as an important avenue of political thought the book makes a significant contribution to the history of ideas This title is part of the Flip it Open Programme and may also be available Open Access Check our website Cambridge Core for details

**Reconstructing the Roman Republic** Karl-J. Hölkeskamp, 2010-04-11 In recent decades scholars have argued that the Roman Republic's political culture was essentially democratic in nature stressing the central role of the sovereign people and their assemblies Karl J Hölkeskamp challenges this view in *Reconstructing the Roman Republic* warning that this scholarly trend threatens to become the new orthodoxy and defending the position that the republic was in fact a uniquely Roman dominantly oligarchic and aristocratic political form Hölkeskamp offers a comprehensive in depth survey of the modern debate surrounding the Roman Republic He looks at the ongoing controversy first triggered in the 1980s when the oligarchic orthodoxy was called into question by the idea that the republic's political culture was a form of Greek style democracy and he considers the important theoretical and methodological advances of the 1960s and 1970s that prepared the ground for this debate Hölkeskamp renews and refines the elitist view showing how the republic was a unique kind of premodern city state political culture shaped by a specific variant of a political class He covers a host of fascinating topics including the Roman value system the senatorial aristocracy competition in war and politics within this aristocracy and the symbolic language of public rituals and ceremonies monuments architecture and urban topography Certain to inspire continued debate *Reconstructing the Roman Republic* offers fresh approaches to the study of the republic while attesting to the field's enduring vitality

Roman Political Culture Laurens Ernst Tacoma, 2020 This volume offers an original and innovative analysis of Roman political culture in Italy from the first to the sixth century AD drawing on seven case studies to argue against the prevailing view among

historians that deliberative and participatory politics effectively ended with the institution of the Roman monarchy under Augustus

*Republicanism, Rhetoric, and Roman Political Thought* Daniel J. Kapust, 2011-03-07 *Republicanism Rhetoric and Roman Political Thought* develops readings of Rome's three most important Latin historians Sallust Livy and Tacitus in light of contemporary discussions of republicanism and rhetoric Drawing on recent scholarship as well as other classical writers and later political thinkers this book develops interpretations of the three historians writings centering on their treatments of liberty rhetoric and social and political conflict Sallust is interpreted as an antagonistic republican for whom elite conflict serves as an outlet and channel for the antagonisms of political life Livy is interpreted as a consensualist republican for whom character and its observation helps to maintain the body politic Tacitus is interpreted as being centrally concerned with the development of prudence and as a subtle critic of imperial rule

*Aspects of Roman History 31 BC-AD 117* Richard Alston, 2013-11-07 This new edition of *Aspects of Roman History 31 BC AD 117* provides an easily accessible guide to the history of the early Roman Empire Taking the reader through the major political events of the crucial first 150 years of Roman imperial history from the Empire's foundation under Augustus to the height of its power under Trajan the book examines the emperors and key events that shaped Rome's institutions and political form Blending social and economic history with political history Richard Alston's revised edition leads students through important issues introducing sources exploring techniques by which those sources might be read and encouraging students to develop their historical judgement The book includes chapters on each of the emperors in this period exploring the successes and failures of each reign and how these shaped the empire sections on social and economic history including the core issues of slavery social mobility economic development and change gender relations the rise of new religions and cultural change in the Empire an expanded timeframe providing more information on the foundation of the imperial system under Augustus and the issues relating to Augustan Rome a glossary and further reading section broken down by chapter This expanded and revised edition of *Aspects of Roman History* covering an additional 45 years of history from Actium to the death of Augustus provides an invaluable introduction to Roman Imperial history surveying the way in which the Roman Empire changed the world and offering critical perspectives on how we might understand that transformation It is an important resource for any student of this crucial and formative period in Roman history

*Political Conversations in Late Republican Rome* Cristina Rosillo López, 2022 This book analyses senatorial political conversations and illuminates the oral aspects of Roman politics it offers a new perspective of Roman politics through the proxy of conversations and meetings

**Lectures in the History of Political Thought** Michael Oakeshott, 2011-10-24 Oakeshott's memorable lectures on the history of political thought delivered each year at the London School of Economics will now be available in print for the first time as Volume II of his *Selected Writings* Based on manuscripts in the LSE archive for 1966-67 the last year of Oakeshott's tenure as Professor of Political Science these thirty lectures deal with Greek Roman mediaeval and modern European political thought in a uniquely accessible manner Scholars

familiar with Oakeshott's work will recognize his own ideas subtly blended with an exposition carefully crafted for an undergraduate audience those discovering Oakeshott for the first time will find an account of the subject that remains illuminating and provocative
