Skinner, 2010-01-01 In this careful analysis Matthew Skinner explores the trial narratives of Jesus Paul Stephen and others in the Gospels and Acts who found themselves brought before powerful individuals and groups often with deadly consequences His close study of these texts is essential for those interested in the early church's relationship to the sociopolitical structures in which Christian belief emerged He shows how the narratives helped shape early Christian identity as these communities sought to understand both the political implications of the emerging Christian gospel as well as the dangers and opportunities their sociopolitical context presented He also reflects on the theological resources and paradigms these texts offer to Christians today *Sapphira and the Slave Girl* Willa Cather, 2009-07-01 Willa Cather's twelfth and final novel *Sapphira and the Slave Girl* is her most intense fictional engagement with political and personal conflict Set in Cather's Virginia birthplace in 1856 the novel draws on family and local history and the escalating conflicts of the last years of slavery conflicts in which Cather's family members were deeply involved both as slave owners and as opponents of slavery Cather at five years old appears as a character in an unprecedented first person epilogue Tapping her earliest memories Cather powerfully and sparsely renders a Virginia world that is simultaneously beautiful and as she said terrible The historical essay and explanatory notes explore the novel's grounding in family local and national history show how southern cultures continually shaped Cather's life and work culminating with this novel and trace the progress of Cather's research and composition during years of grief and loss that she described as the worst of her life More early drafts including manuscript fragments are available for *Sapphira and the Slave Girl* than for any other Cather novel and the revealing textual essay draws on this rich resource to provide new insights into Cather's composition process **A Slave Girl's Story** Kate Drumgoold, 1898
