**William J. Collinge**

## **Roman Catholicism An Introduction:**

Roman Catholicism Denise Lardner Carmody, John Carmody, 1990      **Catholicism** Gerald O'Collins, 2017-05-18 Despite a long history of external threats and internal strife the Roman Catholic Church remains a vast and influential presence in our modern world But what were its origins and how has it changed and adapted over the centuries After Pope Benedict XVI dramatically resigned in early 2013 the first Pope to resign since the fifteenth century and Pope Francis was elected many wondered what direction he would lead the Church in and whether the Church could modernise in the face of the demands of our world In this Very Short Introduction Gerald O Collins covers the history of the Catholic Church and considers some of the key issues facing Catholicism today such as the catastrophic revelations about clerical child abuse the impact of the growth of Islam and the destruction in the Middle East of ancient Christian church communities He also shows how Catholics are being increasingly challenged by an opposition between their traditional Christian values and rights which are endorsed by the secular world such as the right to physician assisted suicide or same sex marriage and considers the future for the largest and oldest institution in the world ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable      Old Roman Catholicism Professor of English Literature William Myers, William Myers, 2013-06-01 The Old Roman Catholic Church is rich in history and maintains a traditional faith with pastoral understanding This book is an introduction to the faith as well as the people who helped to shape it throughout history      *An Introduction to Roman Catholicism* Enrique Fiesta, John Davidson, 2015-01-11 An Introduction to Roman Catholicism Table of Contents Introduction Essentials Chapter 1 The Creed Chapter 2 Sacraments Chapter 3 Catholic Traditions Conclusion Glossary of Terms Author Bio Publisher Introduction The purpose of this text is to present and defend the fundamental beliefs of the Roman Catholic faith from a Catholic perspective with an inviting and surprisingly affordable format Many people harbor gross misunderstandings of the Catholic religion due to misinformation and more likely than not a total misunderstanding of Catholic institutions and practices How and why an institution that has had as dramatic a role in the development of western civilization as the Catholic Church has come to be so entirely misunderstood and mischaracterized by non Catholics is beyond the scope of this text My hope is that this text dispels insubstantial notions held about the Catholic faith and replaces them with the factual information This text is a necessary corrective because it is difficult to articulate the motions and practices of faith to others especially if the others are aggressive and non receptive which is often the tone during interreligious dialogue Faith is often an organic and fluid motion on the part of the faithful Faith is a lived experience hence the phrase the life of faith The core beliefs of the Catholic faith are presented here in a manner accessible to Christians and non Christians alike I hope you approach this book with a spirit of open mindedness and a desire to learn It

is my earnest desire that this book either deepens your faith and your understanding of the Catholic religion The Catholic faith has two sources of authority Sacred Tradition and Sacred Scripture The Catholic Church in order to present its teachings in an approachable format has published a Catechism Consult the Catechism of the Catholic Church if you desire to explore anything presented in this book to a greater degree I intend to cite the Bible to provide an authoritative basis for the claims I make in this book The citations also allow the reader to research the claims for himself The Bible will be cited by book chapter and verse The Bible edition used in this text is The New American Bible Catholic Theology Frederick C. Bauerschmidt, James J. Buckley, 2016-03-28 Introduction to Catholic Theology is an accessible but in depth examination of the ways in which Catholic theology is rooted in and informs Catholic practice Weaves together discussion of the Bible historical texts reflections by important theologians and contemporary debates for a nuanced look at belief and practice within the Catholic faith Provides an overview of all major theological areas including scriptural historical philosophical systematic liturgical and moral theology Appropriate for students at all levels assuming no prior knowledge yet providing enough insight and substance to interest those more familiar with the topic Written in a dynamic engaging style by two professors with more than 50 years of classroom experience between them An Introduction to Catholicism Lawrence Cunningham, 2009-02-16 Explains the rich tapestry of beliefs traditions and practices at the heart of modern global Catholicism and how they developed **The Light of Christ** Thomas Joseph White, 2017-09-14 This introduction to Catholicism combines scholarly depth with an engaging style to present the what and why of Catholic belief with exceptional clarity Charles J Chaput OFM Cap Archbishop of Philadelphia In The Light of Christ Fr Thomas Joseph White provides an accessible presentation of Catholic doctrine that is both grounded in traditional theology and engaged with contemporary concerns Inspired by the theologies of Irenaeus Thomas Aquinas and John Henry Newman Father White covers the major doctrines of the Christian religion including knowledge of God the mystery of the Trinity the incarnation and the atonement the sacraments and the moral life eschatology and prayer The Light of Christ also addresses topics such as evolution the modern historical study of Jesus and the Bible and objections to Catholic moral teaching Authoritative yet accessible this book serves as an excellent introduction for general readers or as a helpful text for theology courses in a university context This is a book that offers itself as a companion My goal is to make explicit in a few broad strokes the shape of Catholicism I hope to outline its inherent intelligibility or form as a mystery that is at once visible and invisible ancient and contemporary mystical and reasonable Father White from the Introduction *Roman Catholicism* Michael J. Walsh, 2005 From the basic ideas terms to its structures practices this book offers a plain speaking introduction to Roman Catholicism *The Catholic Faith* Lawrence Cunningham, 1987 Surveys the fundamental teachings of the Catholic Church discusses the church s modern influence and describes what it means to be a Catholic Catholicism Gerald O'Collins, Mario Farrugia, 2015 The bestselling Catholicism has now been revised and updated for an eagerly anticipated second edition This lucid and accessible account explains how

Roman Catholicism and its beliefs and practices came to be what they are. Renowned scholars Gerald O Collins and Mario Farrugia move through history to sum up the present characteristics of Catholic Christianity and the major challenges it faces in the third millennium. Clear and engaging, the authors present matters in a fresh and original way. They skilfully depict the Catholic heritage and show that Catholicism is a dynamic and living faith. O Collins and Farrugia engage with contemporary moral issues and explore the challenges which Catholics and other Christians must face. This is an authoritative, lively and up to date introduction to Catholicism for the twenty first century. *Roman Catholicism: The Basics* Michael Walsh, 2016-06-17. From the most basic terms to the structures and practices of the Church, this book offers a plain speaking introduction to Roman Catholicism. Now in a second edition, it contains new sections on relations with other faiths, coverage of recent controversies in the Church, and an expanded section on social teaching. It covers Roman Catholic beliefs and traditions, practices and devotional life, rituals, prayer, mass, Church structures and authorities from Vatican to parish, church, Church hierarchies and people from bishops to the laity, the role of the Church in society. With a glossary, further reading sections, and reference to official documents of the Church, this is the perfect guide for students approaching the study of Roman Catholicism for the first time.

**An Introduction to Catholic Theology** Richard Lennan, 1998. What is Catholic theology? In order to reach an answer, the authors use various definitions of theology to identify the principal elements of the discipline: elements that include the human person, faith, the scriptures, philosophy, morality, and everyday human experience. The authors also provide examples from the history of theology to highlight the dynamic nature of Catholic theology and its evolution in a variety of cultural and historical settings.

BOOK JACKET Title Summary field provided by Blackwell North America Inc. All Rights Reserved.

**Process Thought and Roman Catholicism** John Becker, Marc A. Pugliese, 2022-03-21. This collection of essays explores convergences and divergences between process thought and Roman Catholicism, with the goal of identifying reasons for why process philosophy and theology has not had the same impact in Roman Catholic circles as in Protestantism, and of constructively navigating avenues of promising engagement between Process thought and Roman Catholicism. In creatively considering the Roman Catholic tradition from the vantage point of Process thought, different theoretical perspectives are brought to bear on Catholic characteristics of historical theology, fundamental theology, systematic theology, moral theology, social justice, and theology of religions. While the contributors draw upon a broad range of resources from the disciplines of the physical and social sciences, philosophy, and ethics from a process perspective, the primary methodology employed is theological reflection.

Lectures Introductory to the Study of the Acts, the Catholic Epistles, and the Revelation William Kelly, 1870.

**Encyclopedia of Catholicism** Frank K. Flinn, 2007. Covers the key people, movements, institutions, practices, and doctrines of Roman Catholicism from its earliest origins. R sum de l diteur.

An Introductory Dictionary of Theology and Religious Studies Orlando O. Espín, James B. Nickoloff, 2007. Spanning the gamut from Aaron to Zwingli, this dictionary includes nearly 3 000 entries written by about sixty authors, all of whom are

specialists in their various theological and religious disciplines The editors have designed the dictionary especially to aid the introductory level student with instant access to definitions of terms likely to be encountered in but not to substitute for classroom presentations or reading assignments Publisher A Catholic Introduction to the Bible John Bergsma, Brant Pitre, 2018-09-04 Although many Catholics are familiar with the four Gospels and other writings of the New Testament for most reading the Old Testament is like walking into a foreign land Who wrote these forty six books When were they written Why were they written What are we to make of their laws stories histories and prophecies Should the Old Testament be read by itself or in light of the New Testament John Bergsma and Brant Pitre offer readable in depth answers to these questions as they introduce each book of the Old Testament They not only examine the literature from a historical and cultural perspective but also interpret it theologically drawing on the New Testament and the faith of the Catholic Church Unique among introductions this volume places the Old Testament in its liturgical context showing how its passages are employed in the current Lectionary used at Mass Accessible to nonexperts this thorough and up to date introduction to the Old Testament can serve as an idea textbook for biblical studies Its unique approach along with its maps illustrations and other reference materials makes it a valuable resource for seminarians priests Scripture scholars theologians and catechists as well as anyone seeking a deeper understanding of the Bible **Pentecostals and Roman Catholics on Becoming a Christian**

Karen Murphy, 2018-05-23 In **Pentecostals and Roman Catholics on Becoming a Christian** Dr Karen Murphy explores the fifth round of the International Roman Catholic Pentecostal Dialogue 1998 2006 Discussing Spirit baptism faith conversion experience and discipleship Dr Murphy notes areas in which the Dialogue has evolved since its inception in 1972 She unpacks the commonalities that bond Catholics and Pentecostals and examines theological divergences and challenges to dialogue While Catholics approach becoming a Christian from a sacramental perspective most Pentecostals think of Christian initiation in non sacramental or conversionist terms a reality that fosters ongoing tensions between the two traditions Dr Murphy reveals how Catholics and Pentecostals seek to overcome this dichotomy by honoring spirituality and experience as integral to the ecumenical encounter **Confession of a Roman Catholic** Paul Whitcomb, 1995 A former Protestant minister s own gripping story of how he was led to the Catholic Church by reading his Bible Confession of a Roman Catholic is one of the most remarkable writings you will ever encounter and despite its small size one of the most momentous and important for our times This is the story of the spiritual journey of a former Protestant minister who was led to the Catholic Church by reading the Bible This testimonial of one man s faith contains the reasons why all Catholics are Catholics

**Roman Catholicism in the Light of Scripture** F. C. H. Dreyer, E. Weller, 2016-04-15 Which is the true way of salvation Is it from Christ direct to the sinner or is it through priests and sacraments and church The answer is of vital importance for the eternal destiny of souls is at stake This book attempts to examine the wide field of questions in dispute It is not written in any spirit of disputation for disputation s sake or just to prove someone else is wrong but that the truth as revealed in the

Holy Scriptures the Word of God may be clearly seen Ye shall know the truth and the truth shall make you free John 8 32
