**1933-1962** James Terence Fisher,2001-02-01 James Fisher argues that Catholic culture was transformed when products of the immigrant church largely inspired by converts like Dorothy Day launched a variety of spiritual communitarian and literary experiments He also explores the life and works      **The American Catholic Experience** Jay P. Dolan,2011-09-07 Catholicism has had a profound and lasting influence on the shape the meaning and the course of American history Now in the first book to reflect the new communal and social awakening which emerged from Vatican Council II here is a vibrant and compelling history of the American Catholic experience one that will surely become the standard volume for this decade and decades to come Spanning nearly five hundred years the narrative eloquently describes the Catholic experience from the arrival of Columbus and the other European explorers to the present day It sheds fascinating new light on the work of the first vanguard of missionaries and on the religious struggles and tensions of the early settlers We watch Catholicism as it spread across the New World and see how it transformed and was transformed by the land and its people We follow the evolution of the urban ethnic communities and learn about the vital contributions of the immigrant church to Catholicism And finally we share in the controversy of the modern church and the extraordinary changes in the Catholic consciousness as it

comes to grips with such contemporary social and theological issues as war and peace and the arms race materialism birth control and abortion social justice civil rights religious freedom the ordination of women and married clergy The American Catholic Experience is not just the history of an institution but a chronicle of the dreams and aspirations the crises and faith of a thriving ever evolving religious community It provides a penetrating and deeply thoughtful look at an experience as diverse as exciting and as powerful as America itself

Church and State in America: A Bibliographical Guide Bloomsbury Publishing,1987-08-14 The second in a two volume bibliography on church state relations in U S history this book contains eleven critical essays and accompanying bibliographical listings on periods or topics from the Civil War to the present day Each essay reviews the available relevant literature and the listings emphasize critical studies and documents published in the last quarter century This reference work will enable the reader to grasp the historiographic issues become acquainted with the resources available and move on to interpret current as well as past issues more knowledgeably and effectively

**Religious History of the American People** Sydney E. Ahlstrom,2004-01-01 This classic work winner of the 1973 National Book Award in Philosophy and Religion and Christian Century's choice as the Religious Book of the Decade 1979 is now issued with a new chapter by noted religious historian David Hall who carries the story of American religious history forward to the present day Praise for the earlier edition An unusual and praiseworthy book It takes a modern almost anthropological view of history in which worship is a part of a web of culture along with play love dress and language B A Weisberger Washington Post Book World The most detailed most polished of the works in its tradition Martin E Marty New York Times Book Review An intellectual delight that one does not so much read as savor America The definitive one volume study by the leading authority Christianity Today No one writing or thinking hereafter about America's past will be able to ignore Ahlstrom's magisterial account of the religious element American Historical Review

*Routledge Library Editions: 19th Century Religion* Various Authors,2021-07-09 Reissuing works originally published between 1973 and 1997 Routledge Library Editions 19th Century Religion 18 volumes offers a selection of scholarship covering historical developments in religious thinking Topics include the origin of Catholicism in America sexual liberation and religion in Europe and the emergence of Atheism in Victorian England This set also includes collections of sermons and essays from some of the most influential preachers of the nineteenth century

**Religion in America** John Corrigan,Winthrop Hudson,2018-03-09 This comprehensive narrative account of religion in America from the sixteenth century through the present depicts the religious life of the American people within the context of American society It addresses topics ranging from the European origins of American religious thought and the diversity of religion in America to the relation of nationhood with religious practice and the importance of race ethnicity and gender in American religious history Split into four parts this textbook covers Religion in a Colonial Context 1492 1789 The New Nation 1789 1865 Years of Midpassage 1865 1918 Modern America 1918 Present This new edition has been thoroughly updated to include further discussion of colonialism religious minorities space and

empire religious freedom emotion popular religion sexuality the ascent of the nones Islamophobia and the development of an American mission to the world With a detailed timeline illustrations and maps throughout and an accompanying companion website Religion in America is the perfect introduction for students new to the study of this topic who wish to understand the key themes places and people who shaped the world as we know it today [Catholics in America](#) Russell Shaw,2016-06-14 This book is a collection of popularly written profiles of some of the leading figures in American Catholic history The group includes Archbishop John Carroll Saint Elizabeth Ann Seton Orestes Brownson Cardinal James Gibbons Al Smith Dorothy Day Cardinal Francis Spellman President John F Kennedy and others Collectively these individuals tell the story of the building and the shaping of the largest religious body in the United States But this book is more than a historical survey of prominent personalities Catholics in America explores the ongoing often controversial effort of Catholics to work out their identity in a secular and sometimes hostile society Taken together the chapters pose a fundamental challenge to the conventional wisdom of Catholic Americanist historiography which takes cultural assimilation for granted The oldest question in the history of the Catholic Church in the United States may be this Is it possible to be a good Catholic and a good American This book documents the variety of answers that have been given to date and demonstrates that the question is timelier now than ever before *The Blackwell Companion to Religion in America* Philip Goff,2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment [Religion in America](#) Winthrop Hudson,2015-08-07 This comprehensive narrative account of religion in America from 1607 through the present depicts the religious life of the American people within the context of American society It addresses topics ranging from the European Puritan origins of American religious thought the ramifications of the Great Awakening the effect of nationhood on religious practice and the shifting religious configuration of the late 20th century [Religion in American Life](#) Jon Butler,Grant Wacker,Randall Balmer,2011-10-07 The new edition of Religion in American Life written by three of the country's most eminent historians of religion offers a superb overview that spans four centuries illuminating the rich spiritual heritage central to nearly every event in our nation's history *The Uprooted: The Epic Story of the Great Migrations That Made the American People* Oscar Handlin,2021-12-09 The Uprooted The Epic Story of the Great Migrations That Made the American People which won the 1952 Pulitzer for history was aimed at an audience of general readers in making his case

that immigration more than the frontier experience or any other episode in its past was the continuing defining event of American history. Dispensing with footnotes and writing in a lyrical style, Dr. Handlin emphasized the common threads in the experiences of the 30 million immigrants who poured into American cities between 1820 and the turn of the century. Regardless of nationality, religion, race, or ethnicity, he wrote, the common experience was wrenching hardship, alienation, and a gradual Americanization that changed America as much as it changed the newcomers. The book used a form of historical scholarship considered unorthodox at the time, employing newspaper accounts, personal letters, and diaries as well as archives.

Paul Vitello, *The New York Times*: Oscar Handlin has charged his pages with poetry and feeling. *The Uprooted* is history with a difference, the difference being its concern with men's hearts and souls no less than an event.

Milton Rugoff, *The New York Times*: Seldom in our historical literature have we been offered such detailed realistic pictures of what it meant to come to the New World. The crossing itself, the struggle to make a living in the New World, the problems of housing, social fellowship, religion, adjustment to democracy, a chapter is devoted to each of these. The social and political pressures, the friction and misunderstanding between generations, the awful realization that the adjustment was too great, this reviewer knows of no book that captures these moods and situations with such sympathy and understanding. This is not in either style or format conventional or scholarly history. The style is not pedantic or heavy. The author is imaginative, sensitive, understanding. A tremendous amount of research and real depth of understanding lies behind the book.

Ralph Adams Brown, *The Annals of the American Academy of Political and Social Science*: Strong stuff handled in a masterly and quite moving way. *The New Yorker*: This is a book of fundamental importance. For the first time it attempts to get at the inner meaning of an experience crucial in the development of the United States. It makes the attempt with a background of imaginative research, a perceptiveness, and a literary skill rare in the modern writing of history. No one should attempt serious work in modern American history without fully reckoning with *The Uprooted*.

Eric F. Goldman, *The Journal of Southern History*: Dr. Handlin's *The Uprooted* deserves every bit of the praise and honors that have been heaped upon it. Dealing with an important area of American history without deviating from scholarly standards, the author succeeded in penetrating the facade of historical data to reach the drama of the historical process. The book is not only beautifully written and alive with human interest but also highly pertinent to current social and political events in the United States. Dr. Handlin has handled his material magnificently, and every immigrant and descendant of an immigrant that is every American ought to read this book in order the better to understand himself and his ancestors.

Solomon Grayzel, *Publications of the American Jewish Historical Society*: The best historical interpretation of the inner meaning of migration.

John Higham, *Pacific Historical Review*: Dr. Handlin has discharged his responsibility admirably. An able scholar of immigration history, Dr. Handlin in the present work reveals a mastery of historical data and rare insight and understanding of the manifold problems of the immigrant. The book is beautifully written, and many passages are truly moving. Americans would understand their country better if they would read this book and benefit from the humane spirit in which it

is written Carl Wittke The New England Quarterly      **American Catholic** D. G. Hart, 2020-10-15 American Catholic places the rise of the United States political conservatism in the context of ferment within the Roman Catholic Church How did Roman Catholics shift from being perceived as un American to emerging as the most vocal defenders of the United States as the standard bearer in world history for political liberty and economic prosperity D G Hart charts the development of the complex relationship between Roman Catholicism and American conservatism and shows how these two seemingly antagonistic ideological groups became intertwined in advancing a certain brand of domestic and international politics Contrary to the standard narrative Roman Catholics were some of the most assertive political conservatives directly after World War II and their brand of politics became one of the most influential means by which Roman Catholicism came to terms with American secular society It did so precisely as bishops determined the church needed to update its teaching about its place in the modern world Catholics grappled with political conservatism long before the supposed rightward turn at the time of the Roe v Wade decision in 1973 Hart follows the course of political conservatism from John F Kennedy the first and only Roman Catholic president of the United States to George W Bush and describes the evolution of the church and its influence on American politics By tracing the roots of Roman Catholic politicism in American culture Hart argues that Roman Catholicism s adaptation to the modern world whether in the United States or worldwide was as remarkable as its achievement remains uncertain In the case of Roman Catholicism the effects of religion on American politics and political conservatism are indisputable

**Jesuit Ethos, The** Enyegue, Jean Luc, SJ, 2023 The Jesuit Ethos aims at revisiting important moments in Jesuit history from the margins and in light of the current global challenges It argues that by examining Jesuit history from the margins one better appreciates this history as a spiritual journey a constant quest for the unity of hearts and minds among the members Their cultural and political origins the diversity of their ministries their apostolic dispersion amid the First Globalization and constant assaults from declared enemies kept the Jesuits on the verge of implosion and immolation and made the unity among their members a matter of survival By analyzing how the Jesuits exploited their diversity of cultures and politics to build a global ethos and how this global organization was sustained for the last 500 years relevant lessons can be learned to address the ongoing challenges of our global community While speaking to a broader global oriented audience such a history might be the first of such by an African thus its originality in a context of shifting demographics in the Church and Society of Jesus and questions about the identity of its institution and mission

**Catholic Lives, Contemporary America** Thomas J. Ferraro, 1997 What does it mean to be or to have been raised Catholic in America today now that formally nonpracticing Catholics outnumber the memberships of any other single denomination Catholic Lives Contemporary America is a collection of informed and spirited essays focusing on Catholic lay practices not commonly recognized or at times officially sanctioned For the formidable array of scholars and writers gathered here being Catholic is not simply a matter of going to confession or attending Mass and Catholicism s contributions to

American cultural identity remain open to question Edited and with an introduction by Thomas J Ferraro Catholic Lives Contemporary America offers a banquet of essays and interviews at once subtle and accessible treating American Catholic lives and legacies with compassion and flair Contributors Patrick Allitt Paul Crowley Thomas J Ferraro James T Fisher Paul Giles Mary Gordon Stanley Hauerwas Frank Lentricchia Robert A Orsi Camille Paglia David Plante Richard Rodriguez Kathy Rudy Andrew Sullivan Mary Jo Weaver

Roman Catholicism and the American Way of Life. [By Various Authors.] Edited by T.T. McAvoy Thomas Timothy MACAVOY,1960

Moralizing Capitalism Stefan Berger,Alexandra Przyrembel,2019-07-26 This book adds a crucial focus on morality to the growing literature on the history of capitalism by exploring social and cultural perspectives on the economic order that has dominated the modern world Taking the study beyond narrow economic confines it traces the entanglement between moral sentiments and capitalism examining both moral critiques and moral justifications Company bankruptcies systems of taxation wealth and the running of stock exchanges were attacked on moral grounds while ideas of economic justice and the humanization of capitalism loomed large over moral critiques Many movements from antislavery to labour campaigns were inspired by aspirations to improve capitalism and halt the moral decay that was felt to have affected large sections of society This book questions how moral sentiments are defined and have changed over time and how these relate to both capitalism and anti capitalism Covering a range of different social movements and ethical issues the 13 chapters present a moral history of capitalism understood not simply as an economic system but as an order that encompasses all areas of modern life
