Roman Religion In Valerius Maximus:

Roman Religion in Valerius Maximus Hans-Friedrich Mueller, 2002-09-26 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company *Memorable Deeds and Sayings* Valerius Maximus, D. Wardle, 1998 Valerius Maximus stands alone as an extant prose author of the early principate who devoted specific interest to the Romans attitude to religion In eight chapters he presents a variety of material selected from earlier authors such as Cicero Livy and Varro to illustrate central areas of Roman religious thought and practice augury omens dreams and miracles Valerius has not been translated into English since 1678 and there has never been a detailed commentary on his work in any language With the growing interest in the non Judaeo Christian religions of the Mediterranean world and scholars recognizing that Roman religion should not be approached with Judaeo Christian presuppositions or through the filter of the Christian Fathers Valerius Maximus gives us an opportunity to see an unexceptional pagan speaking about his religion **Roman Virtue in the Early Christian Thought of Lactantius** Jason M. Gehrke, 2025 Known since the Renaissance as the Christian Cicero Lucius Caecilius Firmianus Lactantius d 324 A D was a professor of Latin rhetoric Christian apologist and theologian at Constantine s court Writing in response to Diocletian s persecution he attempted a complete synthesis of third century Latin Christian thinking about theology ethics and political order This work explores the character and quality of that synthesis in his major work *The Divine Institutes of the Christian Religion* by focusing on the core notion of *virtus* The early chapters explore the socio political Chapter 1 and philosophical traditions that informed arguments about *virtus* in classical Roman Chapter 2 and early Latin Christian writers especially Tertullian Minucius Felix and Cyprian Chapter 3 Reviving Roman Religion Ailsa Hunt, 2016-09-12 Argues that thinking about sacred trees in Roman culture forces us to rethink how we understand Roman religion Luke/Acts and the End of History Kylie Crabbe, 2019-11-18 Luke Acts and the End of History investigates how understandings of history in diverse texts of the Graeco Roman period illuminate Lukan eschatology In addition to Luke Acts it considers ten comparison texts as detailed case studies throughout the monograph Polybius s Histories Diodorus Siculus s Library of History Virgil s Aeneid Valerius Maximus s Memorable Doings and Sayings Tacitus s Histories 2 Maccabees the Qumran War Scroll Josephus s Jewish War 4 Ezra and 2 Baruch The study makes a contribution both in its method and in the questions it asks By placing Luke Acts alongside a broad range of texts from Luke s wider cultural setting it overcomes two methodological shortfalls frequently evident in recent research limiting comparisons of key themes to texts of similar genre and separating non Jewish from Jewish parallels Further by posing fresh questions designed to reveal writers underlying conceptions of history such as beliefs about the shape and end of history or divine and human agency in history this monograph challenges the enduring tendency to underestimate the centrality of eschatology for Luke s account Influential post war scholarship reflected powerful concerns about salvation history arising from its particular historical setting and criticised Luke for focusing on history instead of eschatology due to the parousia s delay Though some

elements of this thesis have been challenged Luke continues to be associated with concerns about the delayed parousia affecting contemporary interpretation By contrast this study suggests that viewing Luke Acts within a broader range of texts from Luke's literary context highlights his underlying teleological conception of history It demonstrates not only that Luke retains a sense of eschatological urgency seen in other New Testament texts but a structuring of history more akin to the literature of late Second Temple Judaism than the non Jewish Graeco Roman historiographies with which Luke Acts is more commonly compared The results clarify not only Lukan eschatology but related concerns or effects of his eschatology such as Luke's politics and approach to suffering This monograph thereby offers an important corrective to readings of Luke Acts based on established exegetical habits and will help to inform interpretation for scholars and students of Luke Acts as well as classicists and theologians interested in these key questions

Divine Honours for the Caesars Bruce W. Winter, 2015 In this book Bruce Winter explores the varied responses of the first Christians to requirements to render divine honors to the Caesars as the conventional public expression of loyalty to Rome and its rulers How did they cope with the culture of emperor worship when they were required to give their undivided loyalty to Jesus First examining the significant primary evidence of emperor worship and the enormous societal pressure the first Christians would have faced to participate in it Winter then looks at specific New Testament evidence in light of his findings He examines individual cities and provinces and the different ways in which Christians responded to the pressure to fulfill their obligations as citizens and participate in the conventional expressions of loyalty to the Roman Empire

The Oxford encyclopedia of ancient Greece and Rome. - Vol. 1 - 7 Michael Gagarin, 2010

The Cambridge Companion to Religious Studies Robert A. Orsi, 2012 Informative and provocative this book introduces readers to debates in the contemporary study of religion and suggests future research possibilities

Memory in Ancient Rome and Early Christianity Karl Galinsky, 2016 Memory in Ancient Rome and Early Christianity presents perspectives from an international and interdisciplinary range of contributors on the literature history archaeology and religion of a major world civilization based on an informed engagement with important concepts and issues in memory studies

Ancient Warfare, Volume II Jared Kreiner, Graham Wrightson, 2024-04-03 This volume demonstrates the wide array of topics in ancient warfare currently studied by researchers around the world Arranged chronologically in Greek and Roman history sections the book takes readers through all manner of current research topics on ancient warfare from traditional battle narratives or strategic analyses of campaigns through the logistical considerations of armies in the field to the ideology of women in war and mythology The study of ancient war deals with a myriad of different topics and deals with themes in all types of history social cultural economic religious literary numismatical epigraphical ethnographical topographical prosopographical and mythical as well as the usual political and military The study of ancient war is a field that is growing in popularity and continues to surprise us with many innovative new ideas as shown in this collection of papers by established academics and current graduate students

Marginalized Religion and the Law in the Roman Empire K.

P. S. Janssen, 2024-11-14 The Roman Empire's approach to religion has traditionally been described in paradoxical terms. On the one hand, Rome has often been regarded as almost proverbially tolerant as well as highly flexible in its dealings with the diverse range of religious cults and practices within its territories. On the other hand, the Roman religious landscape was not without its limits, and there were certain groups who found themselves for one reason or another on the outside. The legal interactions between these groups and the Roman authorities have largely been studied in isolation. In *Marginalized Religion and the Law in the Roman Empire*, K. P. S. Janssen instead takes a comparative approach and investigates how members of various marginalized religious groups were embedded in and interacted with the wider Roman legal system. The legal positions of private diviners, Jewish communities, and early Christians are compared and contrasted to provide a broader perspective on the legal treatment of marginalized religion in the Roman world. Janssen argues that the known interactions between these respective groups and the Roman authorities are best understood within the wider context of Roman law and administration, and that they furthermore shared a number of important characteristics. While the treatment these groups received was certainly not in all respects identical, the procedural, socio-political, and ideological mechanisms that underpinned the relevant legal measures were nonetheless conspicuously similar. *Imitating Abraham*, 2025-03-27

Imitating Abraham provides exciting glimpses into the reception history of the character Abraham in Judaism, Christianity, and Islam, illuminating the manifold ways in which interpreters draw upon his legacy to authorize practices like sacrifice, circumcision, hospitality, feasting, prayer, and personal and corporate piety. Abraham holds surprises; his name is used in magical amulets, some published here for the first time, to ward off demons, protect cattle from illness, and even to round up runaway slaves. Researchers, students, and all interested in Biblical, Jewish, Christian, and Islamic Studies, as well as ritual and exemplarity, will want to read this book. *Backgrounds of Early Christianity*, Everett Ferguson, 2003

New to this expanded, updated edition are revisions of Ferguson's original material, updated bibliographies, a fresh discussion of first-century social life, the Dead Sea Scrolls, and much else. *A Companion to Saxo Grammaticus*, 2024-06-17

Ever since the publication of Saxo Grammaticus' *Gesta Danorum* at the beginning of the thirteenth century, scholars and laymen have grappled with the complex and marvellous chronicle. As much specialized scholarship has been published in Danish, this companion breaks new ground by giving a comprehensive and up-to-date tour of the work for a global audience. Attention is given to the unity of Saxo's massive chronicle, whether he is dealing with a legendary pagan past or events from his own time. Saxo's world and views are explored in ways that shed new light on all of northern Europe. Contributors are Bjørn Bandlien, Karsten Friis Jensen, Michael H. Gelting, Thomas K. Heebøll Holm, Lars Hermanson, Lars Kjær, Torben Kjersgaard, Nielsen Annette, Lassen Anders, Leegaard Knudsen, Lars Boje Mortensen, Mia Münster Swendsen, Erik Niblaeus, Roland Scheel, Karen Skovgaard Petersen, Kurt Villads Jensen, and Helle Vogt. **On Roman Religion**, Jörg Rüpke, 2016-10-19

Provocative reading for anyone interested in Roman culture in the late Republic and early Empire. Religious Studies Review. Was religious practice in ancient Rome cultic and

hostile to individual expression Or was there rather considerable latitude for individual initiative and creativity J rg R pke one of the world s leading authorities on Roman religion demonstrates in his new book that it was a lived religion with individual appropriations evident at the heart of such rituals as praying dedicating making vows and reading On Roman Religion definitively dismantles previous approaches that depicted religious practice as uniform and static Juxtaposing very different strategic and even subversive forms of individuality with traditions their normative claims and their institutional protections R pke highlights the dynamic character of Rome s religious institutions and traditions In R pke s view lived ancient religion is as much about variations or even outright deviance as it is about attempts and failures to establish or change rules and roles and to communicate them via priesthoods practices related to images or classified as magic and literary practices R pke analyzes observations of religious experience by contemporary authors including Propertius Ovid and the author of the Shepherd of Hermas These authors in very different ways reflect on individual appropriation of religion among their contemporaries and they offer these reflections to their readership or audiences R pke also concentrates on the ways in which literary texts and inscriptions informed the practice of rituals *Augustus and the Family at the Birth of the Roman Empire* Beth Severy, 2004-02-24 In this lively and detailed study Beth Severy examines the relationship between the emergence of the Roman Empire and the status and role of this family in Roman society The family is placed within the social and historical context of the transition from republic to empire from Augustus rise to sole power into the early reign of his successor Tiberius Augustus and the Family at the Birth of the Roman Empire is an outstanding example of how if we examine private issues such as those of family and gender we gain a greater understanding of public concerns such as politics religion and history Discussing evidence from sculpture to cults and from monuments to military history the book pursues the changing lines between public and private family and state that gave shape to the Roman imperial system

The Young Against the Old L.L. Welborn, 2018-03-07 The so called First Epistle of Clement has long intrigued historians of early Christianity It responds to a crisis in the Corinthian church by enjoining an ethic of subordination especially to the presbyteroi and episkopoi but the exact nature of that conflict has eluded scholars L L Welborn sets out a clear methodology for reconstructing the historical situation behind the letter then examines the conventions of its deliberative rhetoric its blending of citations from the Old Testament and Paul s letters and its reliance on topoi from Greco Roman civic discourse He then presents a compelling argument for the letter s occasion First Clement assails a revolt among the youth against their elders invoking epithets and characterizations that were as Welborn demonstrates at length common in political discourse supporting the status quo At length Welborn proposes two possible scenarios for the precise nature of the revolt in Corinth a revolt possibly inspired by memories of the apostle Paul and details the replacement of a Pauline ethic with a strict code of subordination Valerius Maximus Valerius Maximus, 1998 Valerius Maximus stands alone as an extant prose author of the early principate who devoted specific interest to the Romans attitude to religion This is the first translation of his work into

English since 1678 Routledge Encyclopedia of Ancient Mediterranean Religions Eric Orlin, 2015-11-19 The Routledge Encyclopedia of Ancient Mediterranean Religions is the first comprehensive single volume reference work offering authoritative coverage of ancient religions in the Mediterranean world Chronologically the volume's scope extends from pre historical antiquity in the third millennium B C E through the rise of Islam in the seventh century C E An interdisciplinary approach draws out the common issues and elements between and among religious traditions in the Mediterranean basin Key features of the volume include Detailed maps of the Mediterranean World ancient Egypt the Roman Empire and the Hellenistic World A comprehensive timeline of major events innovations and individuals divided by region to provide both a diachronic and pan Mediterranean synchronic view A broad geographical range including western Asia northern Africa and southern Europe This encyclopedia will serve as a key point of reference for all students and scholars interested in ancient Mediterranean culture and society **T&T Clark Encyclopedia of Second Temple Judaism Volume Two** Loren T. Stuckenbruck, Daniel M. Gurtner, 2019-12-26 The T T Clark Encyclopedia of Second Temple Judaism provides a comprehensive reference resource of over 600 scholarly articles aimed at scholars and students interested in Judaism of the Second Temple Period The two volume work is split into four parts Part One offers a prolegomenon for the contemporary study and appreciation of Second Temple Judaism locating the discipline in relation to other relevant fields such as Hebrew Bible Rabbinics Christian Origins Beginning with a discussion of terminology the discussion suggests ways the Second Temple period may be described and concludes by noting areas of study that challenge our perception of ancient Judaism Part Two presents an overview of respective contexts of the discipline set within the broad framework of historical chronology corresponding to a set of full colour custom designed maps With distinct attention to primary sources the author traces the development of historical social political and religious developments from the time period following the exile in the late 6th century B C E through to the end of the Bar Kokhba revolt 135 C E Part Three focuses specifically on a wide selection of primary source literature of Second Temple Judaism summarizing the content of key texts and examining their similarities and differences with other texts of the period Essays here include a brief introduction to the work and a summary of its contents as well as examination of critical issues such as date provenance location language s and interpretative matters The early reception history of texts is also considered and followed by a bibliography specific to that essay Numerous high resolution manuscript images are utilized to illustrate distinct features of the texts Part Four addresses topics relevant to the Second Temple Period such as places practices historical figures concepts and subjects of scholarly discussion These are often supplemented by images maps drawings or diagrams some of which appear here for the first time Copiously illustrated carefully researched and meticulously referenced this resource provides a reliable up to date and complete guide for those studying early Judaism in its literary and historical settings

Roman Religion In Valerius Maximus Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Roman Religion In Valerius Maximus free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Roman Religion In Valerius Maximus free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Roman Religion In Valerius Maximus free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to

be cautious and verify the authenticity of the source before downloading Roman Religion In Valerius Maximus. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Roman Religion In Valerius Maximus any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Roman Religion In Valerius Maximus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Roman Religion In Valerius Maximus is one of the best book in our library for free trial. We provide copy of Roman Religion In Valerius Maximus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Roman Religion In Valerius Maximus. Where to download Roman Religion In Valerius Maximus online for free? Are you looking for Roman Religion In Valerius Maximus PDF? This is definitely going to save you time and cash in something you should think about.
