Sex Goes to School Susan K. Freeman, 2010-10-01 When seeking approaches for sex education few look to the past for guidance But Susan K Freeman's investigation of the classrooms of the 1940s and 1950s offers numerous insights into the potential for sex education to address adolescent challenges particularly for girls From rural Toms River New Jersey to urban San Diego and many places in between the use of discussion based classes fostered an environment that focused less on strictly biological matters of human reproduction and more on the social dimensions of the gendered and sexual worlds that the students inhabited Although the classes reinforced normative heterosexual gender roles that could prove repressive the discussion based approach also emphasized a potentially liberating sense of personal choice and responsibility in young women's relationship decisions In addition to the biological and psychological underpinnings of normative sexuality teachers presented girls' sex lives and gendered behavior as critical to the success of American families and by extension the entire way of life of American democracy The approaches of teachers and students were sometimes predictable and other times surprising yet almost wholly without controversy in the two decades before the so called Sexual Revolution of the 1960s Sex Goes to School illuminates the tensions between and among adults and youth attempting to make sense of sex in a society that was then as much as today both sex phobic and sex

saturated *This Time With Her (Sam & Brooke)* Nina Lindsey, Nina Lane, Bookstore owner Sam Donovan is Bliss Cove's most stoic bachelor though most argue he's just plain grouchy. With a past he's kept secret out of necessity, Sam can't afford to let anyone in, especially not the perky local journalist he's been avoiding all year. Inquisitive by trade and too damn fun by default, Brooke somehow sneaks past all the defenses guarding his hardened heart. And this is without the help of a big storm keeping them stuck up on a mountain together. Now jobless, adrift, and pushing the big 30, Brooke Castle desperately needs to hit reset and regroup. But when she gets trapped with the intensely reticent Sam, she's surprised to find her own self-discovery comes with learning his buried secrets. Though both have careers built on stories, their deep-rooted views on life and love couldn't be more different. Which begs the question: what will they do with their own? What happened in the cabin stays in the cabin tale. This book was previously published under the title *Words of Love*, same swoony emotional small-town romance just with a fresh new title and cover. Heart-grabbing small-town love stories with uniquely imperfect couples and hard-fought ever-afters. Binge the entire Bliss Cove series today! **BLISS COVE SISTERS: The Moment We Knew** Aria Hunter **FREE** for a limited time. **All We'll Ever Need** Callie Jake **Everything We Haven't Said** Rory Grant **BLISS COVE BACHELORS: This Time With Her** Sam Brooke **Coming Home to Her** Lincoln Grace **It'll Always Be Her** Adam Bee Tropes: small-town romance, friends-to-lovers, grouchy hero, sassy heroine, holiday romance, snow romance, winter romance, heartwarming romance, contemporary romance, dating romance, starting over, vacation romance, roommate romance, cabin romance, grumpy hero, intense hero, strong heroine. When a mysterious young woman named Katie appears in the small North Carolina town of Southport, her sudden arrival raises questions about her past. Beautiful yet self-effacing, Katie seems determined to avoid forming personal ties until a series of events draws her into two reluctant relationships: one with Alex, a widowed store owner with a kind heart and two young children, and another with her plainspoken single neighbor Jo. Despite her reservations, Katie slowly begins to let down her guard, putting down roots in the close-knit community and becoming increasingly attached to Alex and his family. But even as Katie begins to fall in love, she struggles with the dark secret that still haunts and terrifies her: a past that set her on a fearful, shattering journey across the country to the sheltered oasis of Southport. With Jo's empathetic and stubborn support, Katie eventually realizes that she must choose between a life of transient safety and one of riskier rewards, and that in the darkest hour, love is the only true safe haven. *The Last Song* Nicholas Sparks, 2009-09-08 From the author of *A Walk to Remember*

Remember comes a moving tale of redemption and first love when a rebellious teenager decides to spend the summer with her estranged father in a North Carolina beach town Seventeen year old Veronica Ronnie Miller s life was turned upside down when her parents divorced and her father moved from New York City to Wilmington North Carolina Three years later she remains angry and alienated from her parents especially her father until her mother decides it would be in everyone s best interest if she spent the summer in Wilmington with him Ronnie s father a former concert pianist and teacher is living a quiet life in the beach town immersed in creating a work of art that will become the centerpiece of a local church The tale that unfolds is an unforgettable story of love on many levels first love love between parents and children that demonstrates as only a Nicholas Sparks novel can the many ways that love can break our hearts and heal them **Spirit-centered**

Relationships Gay Hendricks, Kathlyn Hendricks, 2006 This book shows you a new way to experience more love in your life If you use the three simple tools described in the book your relationships will undergo a spiritual transformation Specifically you will feel a deeper sense of your own spiritual center while at the same time seeing the spiritual essence of your partner more clearly What allows this transformation to take place It s the power of Presencing a new set of relationship enhancing techniques that enable you to slip free of the shackles of the past into a new space of creative freedom Based on work with more than 3 500 couples and 20 000 single and divorced people Gay and Kathlyn Hendricks discovered that relationships flourish when each person develops a body sense of spirit This means that each person must get deeper than the level of spiritual concepts to feel a living sense of spirit inside Using the three specific tools described in the book Presencing Wonder Presencing Spirit and Spirit Centered Listening couples feel more love and harmony flowing into their lives and single people find it much easier to attract genuine love to them
