State Board of Censors of Motion Pictures, 1918 The Making of Middle English, 1765-1910 David Matthews, 1999 Before the 1760s with

the major exception of Chaucer nearly all of Middle English literature lay undiscovered and ignored Because established scholars regarded later medieval literature as primitive and barbaric the study of this rich literary heritage was relegated to antiquarians and dilettantes In The Making of Middle English 1765 1910 David Matthews chronicles the gradual rediscovery of this literature and the formation of Middle English as a scholarly pursuit Matthews details how the careers class positions and ambitions of only a few men gave shape and direction to the discipline Mostly from the lower middle class they worked in the church or in law and hoped to exploit medieval literature for financial success and social advancement Where Middle English was concerned Matthews notes these scholars were self taught and their amateurism came at the price of inaccurately edited and often deliberately improved texts intended for a general public that sought appealing rather than authentic reading material This study emphasizes the material history of the discipline examining individual books and analyzing introductions notes glossaries promotional materials lists of subscribers and owners annotations to assess the changing methodological approaches of the scholars and the shifts in readership Matthews explores the influence of aristocratic patronage and the societies formed to further the editing and publication of texts And he examines the ideological uses of Middle English and the often contentious debates between these scholars and organizations about the definition of Englishness itself A thorough work of scholarship The Making of MiddleEnglish presents for the first time a detailed account of the formative phase of Middle English studies and provides new perspectives on the emergence of medieval studies canon formation the politics of editing and the history of the book Mediaeval Romance in England Laura Alandis Hibbard Loomis, 1924 Shakespeare's London 1613 David M. Bergeron, 2018-07-30 Shakespeare's London 1613 offers for the first time a comprehensive biography of this crucial year in English history The book examines political and cultural life in London including the Jacobean court and the city which together witnessed an exceptional outpouring of cultural experiences and transformative political events The royal family had to confront the sudden death of Prince Henry heir apparent to the throne which provoked unparalleled grief Meanwhile an unprecedented number of plays performed at court helped move the country away from sadness to the happy occasion of Princess Elizabeth's marriage to a German prince Shakespeare's productions dominated London's cultural landscape while other playwrights writers and printers produced an extraordinary number of books Readers interested in literature cultural history and the royal family will find in this book a rich and accessible account of this monumental year The Road to Romance and Ruin Jon Lewis, 2013-12-04 This book analyses the teen film as the rare medium able to represent the otherwise chaotic and conflicting experience of youth The author focuses on six major issues alienation deviance and delinquency sex and gender the politics of consumption the apolitics of youth ful rebellion and regression into nostalgia Despite the many differences within the genre this book sees all teen films as focused on a single social concern the breakdown of traditional forms of authority school church family Working with the theories of such diverse scholars as Kenneth Keniston Bruno Bettelheim Erik Erikson

Theodor Adorno Simon Frith and Dick Hebdige the author draws an innovative and flexible model of a cultural history of youth Originally published in 1992 Spectacular Wickedness Emily Epstein Landau, 2013-01-14 From 1897 to 1917 the red light district of Storyville commercialized and even thrived on New Orleans's longstanding reputation for sin and sexual excess This notorious neighborhood located just outside of the French Quarter hosted a diverse cast of characters who reflected the cultural milieu and complex social structure of turn of the century New Orleans a city infamous for both prostitution and interracial intimacy In particular Lulu White a mixed race prostitute and madam created an image of herself and marketed it profitably to sell sex with light skinned women to white men of means In Spectacular Wickedness Emily Epstein Landau examines the social history of this famed district within the cultural context of developing racial sexual and gender ideologies and practices Storyville's founding was envisioned as a reform measure an effort by the city's business elite to curb and contain prostitution namely to segregate it In 1890 the Louisiana legislature passed the Separate Car Act which when challenged by New Orleans s Creoles of color led to the landmark Plessy v Ferguson decision in 1896 constitutionally sanctioning the enactment of separate but equal laws The concurrent partitioning of both prostitutes and blacks worked only to reinforce Storyville's libidinous license and turned sex across the color line into a more lucrative commodity By looking at prostitution through the lens of patriarchy and demonstrating how gendered racial ideologies proved crucial to the remaking of southern society in the aftermath of the Civil War Landau reveals how Storyville's salacious and eccentric subculture played a significant role in the way New Orleans constructed itself during the New South era

Sea Power .1918 What's Wrong with the Poor? Mical Raz, 2013-11-11 In her insightful interdisciplinary history physician and historian Mical Raz examines the interplay between psychiatric theory and social policy throughout the 1960s ending with President Richard Nixon s 1971 veto of a bill that would have provided universal day care She shows that this cooperation between mental health professionals and policymakers was based on an understanding of what poor men women and children lacked This perception was rooted in psychiatric theories of deprivation focused on two overlapping sections of American society the poor had less and African Americans disproportionately represented among America's poor were seen as having practically nothing A Reel of Rainbow Frank Boreham, 1920 Girls Make Media Mary Celeste Kearney, 2013-08-21 More girls are producing media today than at any other point in U S history and they are creating media texts in virtually every format currently possible magazines films musical recordings and websites Girls Make Media explores how young female media producers have reclaimed and reconfigured girlhood as a site for radical social cultural and political agency Central to the book is an analysis of Riot Grrrl a 1990s feminist youth movement from a fusion of punk rock and gender theory and the girl power movement it inspired The author also looks at the rise of girls only media education programs and the creation of girls studies This book will be essential reading for anyone seeking to understand contemporary female youth in today s media culture The Routledge Companion to Feminism and Postfeminism Sarah

Gamble, 2004-11-23 Approachable for general readers as well as for students in women's studies related courses at all levels this invaluable guide follows the unique Companion format in combining over a dozen in depth background chapters with more than 400 A Z dictionary entries The background chapters are written by major figures in the field of feminist studies and include thorough coverage of the history of feminism as well as extensive discussions of topics such as Postfeminism Men in Feminism Feminism and New Technologies and Feminism and Philosophy The dictionary entries cover the major individuals and issues essential to an understanding both of feminism's roots and of the trends that are shaping its future Readers will find entries on people such as Aphra Behn Simone de Beauvoir Princess Diana Courtney Love and Robert Bly and on subjects such as Afro American feminism cosmetic surgery the new man prostitution reproductive technologies and slasher films Contained Empowerment and the Liminal Nature of Feminisms and Activisms Victoria A. Newsom, 2022-12-19 Contained Empowerment and the Liminal Nature of Feminisms and Activisms examines the processes by which activist successes are limited and outlines a theoretical framing of the liminal and temporal limits to social justice efforts as contained empowerment With a focused lens on the third wave and contemporary forms of feminism the author investigates feminist activity from the early 1990s through responses and reactions to the overturning of Roe v Wade in 2022 and contrasts these efforts with anti feminist white supremacist and other structural normalizing efforts designed to limit and repress women's gendered and reproductive rights This book includes analyses of celebrity activism girl power transnational feminist NGOs digital feminisms and the feminist mimicry applied by practitioners of neo liberal and anti feminism Victoria A Newsom concludes that the contained nature of feminist empowerment illustrates how activists must engage directly with intersectional challenges and address the multiplicities of structural oppressions in order to breach containment
