Hardison,2011-09-30 this is a story about love The world needs love more than ever now and I need the forgiving grace of God truly And the love of Ghee Ghee Lucy to move me away from this lonely hideous hell to nearer and nearer heaven Because greed hate arrogance and sin are legislated And shot into our body souls and our veins like some small pox or swine flue vaccine and only God s love grace can turn the hands of time Because my heart was left so cold alone and abandoned And for my poor heart Gloria no one can ever take your place Shall I not ever kiss you or touch your waiting hands or hear you call my name so tenderly sweet Was the last time I saw you the last time If this be so then what a cold cruel world and life I have stumbled into Can the world see this loneliness

reflected in my eyes or on my face as I choke back the tears daily Do they know my love lost I think I hide it fairly well But how much longer must I wait Is it that I m so very eager to hold you once more Come to me and let me put my arms around you Closer that I might fill my lungs with you And if I can t have you in this night marish waking state then to hell with it Then come to me at night every night in my dreams That I may profess my love for you that I may have my never ending fill of you That you may call my name and say Daa come and take me right now I m gonna keep waiting and hoping and praying Oh dear God what is this that drives and whirls me so Between her voluptuous bosoms of pleasure caressing mounds of luscious lure with nipples erect sweeter than grapes for sure To taste this fruit is heaven So pleasing to mine eyes taste touch aroma and I now breathe heavily Her hair compliments the reflection of the face of the Most High So beautiful wet and warm is this soul treasure A gift from God that I love and long to partake and be in heaven even if for a moment only And if I could recreate you I would change nothing Add nor take away The same curves of your body that surrounds this succulent fruit And God has made no other touch as pleasing Verily I tell you that Gloria 22 David T Hardison Lucy Garzia is the Madonna the ultimate of God s feminine creation How divine So asterios so for real And yet for me so inaccessible I mean she s so fine she s granulated My heart shall never rest till I hold you at least once more No matter how far away you are I shall never forget the night you wanted to hurry home to be loved to sleep Such colossal kisses enormous wishes and immense longings for your love To be intertwined in your arms divine as you and I eagerly disrobe Now the petting and heavy sweating oh we re climbing up the walls Oh curses its only pictures in my mind And back to reality I find my arms empty with nothing but aching longings for your love And nothing and no one could ever take your place Gloria I adore and need your love s warm embrace more than hope money wisdom dreams or a drink I need your love For when I look into your deep dark eyes the sun begins to shine and all about us is a sweet sweet melody A song so sweet the blue birds of happiness stop and listen to the sweet song about us Her eyes are a pool of calm and I am bathed in her loving glow The treasures are abundant when she embraces me and I ve found the pot of gold And the rainbow s spectrum bridges our two hearts And your tender full lips and her kisses and the touch of velvety silk are one Unlike any love I ve ever known before or since then It s like thunder Lightning The way Lucy excites me There s no going back The world did take on a new glow But now all is left are clouds dark and dank storm clouds and no one can ever take your place But when *Blog Love Omega Glee Wred*

Fright,2012-07-19 Two bloggers fall in love while the world falls apart in *Blog Love Omega Glee* a comedic story set in 2012 with each chapter taking place on a different day counting down to the end of the Mayan calendar on 21 December 2012 when the world either ends or continues on much the same as before The two central characters are Jake Falls a twenty five year old unemployed man living with his parents who spends most of his time blogging about pro wrestling and Francine Apple a twenty nine year old barely employed woman who has dropped out of the American Dream to blog about various conspiracy theories Other characters abound as well including Jake s cats family and friends and Francine s coworkers

housemates and neighbors The story is set in Cleaveland a decaying industrial city in the northern part of the USA and its suburbs on the shores of Lake Eerie It s year 12 of a fascist regime and a severed head named Dick with a soft drink vending machine for a body is president dictator but no one much notices because they re too busy watching television and obsessing over their personal lives to worry about wars overseas the government swindling taxpayers and the rich stuffing their already stuffed pockets further with rapidly depreciating currency Some people find this worrisome but most people just change the channel Regardless even though in many ways for the average person life is still better than ever before in the history of human existence since Eden most people feel a vague sense of unease as if the delicate stitching of society is about to come undone at any moment pouring forth a centuries long buildup of too many human beings anarchy in the streets environmental collapse and lots and lots of really bad coffee Between existential dread economic worries presidential electioneering electronic domineering and large sweaty men in tights touching one another as entertainment there s Blog Love Omega Glee Blog Love Omega Glee was originally published on Wred Fright s Blog as a blognovel or a blovel Unlike most blognovels and blovels this one actually was finished instead of being abandoned Since the story has four parts depending on how you look at it it s either one really long novel or a series of four novels After being serialized on the blog and as a zine to a few select zinesters Fright trades with the novel was collected as an ebook One fun way to read it is a chapter a day during the course of a year especially a leap year like 2012 was or go for reading all 230 000 words or so in one lump The novel s been noted in American Pop Lit who called Fright an innovative writer of fun new pop lit a pioneer in the fight to revive American literature Attacking The Demi Puppets Cleveland Scene Cool Cleveland who wrote and perhaps best of all it s set in 2012 in a city called Cleaveland not to be confused wink wink with our city with the slightly different spelling hmm I wonder if there s a Cool Cleaveland email newsletter in the novel The Rumpus by author Mickey Hess who blurbed Goons and patriots get ready Wred Fright s new novel scowls at your perfect sentences There are gorgeous techniques and colorful dialogue the book s action mood the author himself There are things this novelist should be allowed to do that the rest of us are not Try This At Home by novelist Eddie Willson who wrote After experimenting with multiple narrators in his novel The Pornographic Flabbergasted Emus Wred Fright continues to develop his fiction in inventive ways Here he s posting a new novel in blog form Set in the near future the regularly updated narrative charts the lives of wrestling fixated loser Jake and militant waitress Francine I ve got some catching up to do but this is addictive stuff Here and elsewhere Wred s big strength is in characterization he s got a real gift for getting you rooting for characters whose lives have got a bit bent out of shape This tale s going to be taking up my lunch breaks for the foreseeable future Highly recommended The Whirliblog who wrote that It s tastier than Cap n Crunk Xerography Debt and Zine World **Let Slip the Dogs of Love** Eugene Kachmarsky,2011-04-06 Eugene Kachnarsky grips your full attention by flinging widely open a few of the infinite portals of perception and awareness to consider why we feel the things we do as he takes a kid s eye view look at

the grown up world The intertwined tapestry of stories reveals the sublime ridiculous triumphant and tragic ways in which ordinary people deal with the often extraordinary consequences of their choices and actions These ironic and karmic accounts tell tales of love crime poverty tragedy greed and evil in a thoughtful sometimes playfully humorous youthful voice as they delve with wonder into the depths that lie beneath the surface of all things in a quiet sleepy metropolitan suburb

No Greater Love Etta Donovan, Marie Donovan, 2004-01-01 No Greater Love was written throughout the last 40 years I have dedicated this book to my mother grandmother and mother in law Each of these beautiful women contributed such a valuable part to my life and my growth My mother Margaret Frieze was such a loving and tender woman She has left me with so many really fantastic memories I was truly fortunate to have been placed in her life since i was raised by my grandparents i always felt like both a daughter and a sister to my mom it was as we both grew older that our lives became so entwined i always understood her always respected her and always loved her with my entire heart the last words she ever spoke to me were I LOVE YOU My grandmother Marie Jenkins was such a pioneer she was the most dependable reliable and steady person i think i have ever known her death was my first time for losing someone so very special to me she would be followed by my mother in law and stepfather in 1987 my brother Michael in 1990 and then my son Michael and his cousin Matthew Jenkins within 8 weeks of each other in the end of 2002 and beginning of 2003 it is my grandmother to whom i give the most credit for giving me the tenacity to face difficult situations and still remain strong if i hadn4t had her example before me things would have been much more difficult My mother in law Lenora Derryberry was an angel she embodied the essence of love hope faith and caring A more beautiful person you would be wont to find She was the most wonderful person i ever knew the faith that she shared with me became my foundation when my life has taken a strange twist or two if i did not have my faith i never would have been able to survive this last year So my second book No Greater Love is a testament of what was given me love without reservations unconditional love no matter what we all make mistakes in our life but it is our growth from life4s upsets that defines who we are i would like everyone coming

Gods of Desterrados Jeannie Mane, 2020-03-11 Rocko stood up approaching Sinner and Saint menacingly E mafai ona e tau mai ia te au lou uso laitiiti pe aisea na auina mai ai au e le tam Can you tell me my little brothers why father sent me away Sinner and Saint flinched and immediately blinked in disbelief Tilesa told me everything If I find out you two knew anything about this I m gonna kill you both Rocko snapped Sinner confronted Rocko through his simmering expression of defiance Saint was also fuming before he offered a retort I dunno what kinda joke you re trying to pull on our kind Rocko abruptly seized Saint s wrist Sinner cocked his fist back to deal a blow to Rocko s face But before Sinner could connect Rocko slammed both of them to the ground on their stomachs He bent down and whispered in their ears Take your essence back pu ki o asshole You re lucky I didn t screw your wife because she s not a part of this little brother You two are going with me to waste Lilia for killing my children and then I m going after Malosi E te faalogo mai ia te au Do you hear me

A Journey in to Divine Love Michelle Turner, 2011-11-03 In this book

Owsley,2012-03-14 According to some ancient scrolls like the book of giants God didn't directly make the dinosaurs since they unexpectedly came forth through some satanic intervention Even though God made life Genesis 6:2 later on said that there were some fallen sons of God who took mortal women as wives producing some great giants that were called the Nephilim Therefore it only makes sense that Jehovah didn't directly create those giants of old As a matter of fact the book of Genesis also reveals that the Lord stressed to his following animal creations that everything green would serve them to be as their meat And since we know that our Most High is the same yesterday today and tomorrow it's also logical that He never would have created such a blood thirsty creation as a T Rex And those before mentioned scrolls additionally stress that it was partially due to the elimination of those thunder beasts that God brought forth His flood And this book shall also offer evidence that some dinosaurs indisputably lived with man And now days anyone on the internet can easily Google Puluxie dinosaur footprints and see a flawless dinosaur print together with a perfect one from a human Nor is that something that's common knowledge due to suppression from evolutionists For it's very clear that this sole fossil easily blows evolution right out of the water

Golden Drops of Comfort James A. Rousseau Jr.,2019-01-31 An invasion of supernatural other worldly beings has exploded into this world with one purpose in mind They have come to be used by God Jesus Christ to be a blessing to the inhabitants of a world that seems to be bent on bringing about its own destruction They are so consumed and filled to overflowing with golden drops of the comfort of who they are that they are willing to sacrifice their own lives out of a love for us in order that we may see the love that Jesus Christ has for us The question is do we have eyes to see these other worldly beings who are all around us everyday Maybe if we will look through the eye gate of our heart we may see them more clearly There is enduring Kindness looking for ways to pour out the golden drops of comfort of who she is upon us to help us in our time of need There is the unending stamina of beautiful Joy bringing the golden drops of who she is and pouring this joy upon us in our time of need Then we find the strength of Gentleness sharing her gentle touch of love upon a cold hard and cruel world As these other worldly beings shower their golden drops of comfort upon us how will we receive them Will we embrace them and allow them to introduce us to Jesus Christ or will we seek to crucify them and have nothing to do with them The choice is ours **Joel Whitburn Presents Across the Charts** Joel Whitburn,2008 Book Across the Charts The 1960s is the complete story of a full ten years of music on five Billboard charts One comprehensive combined A Z Artist Section lists in
