Romance Of The Calendar How Man Has Measured Time:

24/7 Robert Hassan, 2007 24 7 is the first collection of essays dealing with the nature and our experience of temporality in the network society *Romanticism and Time* Sophie Laniel-Musitelli, Céline Sabiron, 2021-03-10 Eternity is in love with the productions of time This original edited volume takes William Blake's aphorism as a basis to explore how British Romantic literature creates its own sense of time It considers Romantic poetry as embedded in and reflecting on the march of time regarding it not merely as a reaction to the course of events between the late eighteenth and mid nineteenth centuries but also as a form of creative engagement with history in the making The authors offer a comprehensive overview of the question of time from a literary perspective applying a diverse range of critical approaches to Romantic authors from William Blake and Percy Shelley to John Clare and Samuel Rogers Close readings uncover fresh insights into these authors and their works including *Frankenstein* the most familiar of Romantic texts Revising current thinking about periodisation the authors explore how the Romantic poetics of time bears witness to the ruptures and dislocations at work within chronological time They consider an array of topics such as ecological time futurity operative time or the temporality of Venice As well as surveying the Romantic canon's evolution over time these essays approach it as a phenomenon unfolding across national borders Romantic authors are compared with American or European counterparts including Beethoven Irving Nietzsche and Beckett *Romanticism and Time* will be of great value to literary scholars and students working in Romantic Studies It will be of further interest to philosophers and historians working on the connections between philosophy history and literature during the nineteenth century **The Fraternal Monitor**, 1936 *Journal of Calendar Reform*, 1952 **The Atlantic Monthly**, 1937 *The Windsor Magazine*, 1906 *The Advance*, 1905 *The Unitarian Advance*, 1915 *The Collected Works* B. M. Bower, 2022-11-13 In *The Collected Works* B M Bower presents a compilation of stories that encapsulate the essence of the early 20th century Western genre Renowned for her vivid depictions of frontier life Bower employs a narrative style that seamlessly intertwines humor and pathos reflecting a nuanced understanding of her characters motivations and the landscape they inhabit Her prose is characterized by sharp dialogues and evocative descriptions which transport readers to the rugged American West a setting that serves as both backdrop and character in her multifaceted storytelling This collection showcases her ability to portray female perspectives in a typically male dominated genre allowing for a fresh examination of themes such as resilience independence and community dynamics B M Bower born in 1871 in Virginia was a trailblazer in her own right often drawing from her own experiences as a rancher in Montana Her background infused with genuine affection for the frontier lifestyle significantly shaped her narratives lending authenticity and depth to her characters Bower's works not only reflect the socio political dynamics of her era but also contribute significantly to the canon of American literature emphasizing the often overlooked roles women played in shaping the West This collected volume is a must read for anyone interested in the evolution of Western literature or the role of women in American history Bower's

distinctive voice and rich storytelling afford readers a profound insight into a transformative period Her stories resonate with both delight and poignancy making The Collected Works an essential addition to the library of any literary enthusiast
