Romania At The Moment Of Truth:

Romania at the Moment of Truth Ion Iliescu, 1994 **The Moment of Truth** Wayne McDill, 1999-07-01 Sermon Delivery
it is more than the mere presentation of a persuasive speech on a religious theme It is God's way of keeping the original vision alive This book will show you how **La Roumanie à l'heure de la vérité** Ion Iliescu, 1994 *Romania under Communism* Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceaușescu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry *In Search of Romania* Dennis Deletant, 2022-04-28 The imposition of Communist ideology was a misfortune for millions in Eastern Europe but never for Dennis Deletant Instead it drew him to Romania The renowned historian's association with the country and its people dates back to 1965 when he first visited Since then Romania has made Dennis appreciate the value of shrewd dissimulation in the face of the state's gross intrusion in the life of the individual This vivid memoir charts his first hand experience of the Communist era coloured by the early 1970s surveillance of his future wife Andrea his contacts with dissidents and his articles and BBC World Service broadcasts which led to his being declared persona non grata in 1988 *In Search of Romania* also considers how life went on under dictatorship even if it was largely mapped out by the regime How did individual citizens negotiate the challenges placed in their path How important was the political police the Securitate in maintaining compliance How did dissent towards the regime manifest How did all this affect the moral compass of the individual Why did utopia descend into dystopia under Ceaușescu And how has his legacy influenced the difficult transition to democracy since the collapse of Communism **The Communist Genocide in Romania** Gheorghe Boldur-Lățescu, 2005 *Communist Genocide in Romania* *The 1940 Vrancea Earthquake. Issues, Insights and Lessons Learnt* Radu Vacareanu, Constantin Ionescu, 2016-03-02 These proceedings include most of the available information on this major seismic event and its consequences With an estimated moment magnitude of 7.7 and a heavy toll in terms of human and economic losses it ranks as the largest intermediate depth earthquake in Europe in the twentieth century Nevertheless because of the difficult conditions in the 1940s the lessons learnt after the Vrancea earthquake were not extensively shared with the international scientific community and thus this book fills a gap in the literature discussing the knowledge acquired after major disasters Past experience together with current understanding of the 1940 Vrancea earthquake are presented along with the latest information on Romanian seismicity seismic hazard and risk assessment and seismic evaluation and rehabilitation of buildings and structures Moreover it includes excerpts from Romanian post disaster reports and textbooks concerning the

earthquake *Justice, Memory and Redress in Romania* Lavinia Stan, Lucian Turcescu, 2017-01-06 Are there any lessons Romania can teach transitional justice scholars and practitioners This book argues that important insights emerge when analyzing a country with a moderate record of coming to terms with its communist past Taking a broad definition of transitional justice as their starting point contributors provide fresh assessments of the history commission court trials public identifications of former communist perpetrators commemorations and unofficial artistic projects that seek to address and redress the legacies of communist human rights violations Theoretical and practical questions regarding the continuity of state agencies the sequencing of initiatives their advantages and limitations the reasons why some reckoning programs are enacted and others are not and these measures efficacy in promoting truth and justice are answered throughout the volume Contributors include seasoned scholars from Romania Canada the United States and the United Kingdom and current and former leaders of key Romanian transitional justice institutions **In Pursuit of Liberalism** Rachel A. Epstein, 2008-09-29 Though the fall of the Soviet Union opened the way for states in central and eastern Europe to join the world of market oriented Western democracies the expected transitions have not been as easy common or smooth as sometimes perceived Rachel A Epstein investigates how liberal ideas and practices are embedded in transitioning societies and finds that success or failure depends largely on creating a social context in which incentives held out by international institutions are viewed as symbols of an emerging Western identity in the affected country Epstein first explains how a liberal worldview and institutions like the European Union World Bank the International Monetary Fund and the North Atlantic Treaty Organization go hand in hand and why Western nations assume that a broad and incremental program of incentives to join will encourage formerly authoritarian states to reform their political and economic systems Using Hungary Poland Romania and the Ukraine as case studies she demonstrates the limits of conditionality in the face of national social perceptions and elucidates the three key points around which a consensus within the state must emerge before international institutions can expect liberalization domestic officials must be uncertain about how changing policies will affect their interests the status of international and domestic institutions must not be in jeopardy and the proposed policies must seem credible In making her case Epstein cleverly bridges the gap between the rationalist and constructivist schools of thought Offering new data on and fresh interpretations of reforming central bank policies privatizing banks with foreign capital democratizing civil military relations and denationalizing defense policy *In Pursuit of Liberalism* extends well beyond the scope of previous book length studies **Moments of Truth in Genetic Medicine** M. Susan Lindee, 2008-10-15 Medical genetics [Art, Religion and Resistance in \(Post-\)Communist Romania](#) Maria Alina Asavei, 2020-10-22 This book illuminates the interconnections between politics and religion through the lens of artistic production exploring how art inspired by religion functioned as a form of resistance directed against both Romanian national communism 1960 1989 and latterly consumerist society and its global market It investigates the critical tactical and subversive employments of religious motifs and themes in contemporary art

pieces that confront the religious affair in post communist Romania In doing so it addresses a key gap in previous scholarship which has paid little attention to the relationship between religious art and political resistance in communist Central and South East Europe
