## **Romanov Effect The:**

**The Last Days of the Romanovs** Helen Rappaport, 2009-02-03 Rappaport an expert in the field of Russian history brings you the riveting day by day account of the last fourteen days of the Russian Imperial family in this first of two books about the Romanovs Her second book **The Romanov Sisters** offering a never before seen glimpse at the lives of the Tsar's beautiful daughters and a celebration of their unique stories will be published in 2014 The brutal murder of the Russian Imperial family on the night of July 16 17 1918 has long been a defining moment in world history **The Last Days of the Romanovs** reveals in exceptional detail how the conspiracy to kill them unfolded In the vivid style of a TV documentary Helen Rappaport reveals both the atmosphere inside the family's claustrophobic prison and the political maneuverings of those who wished to save or destroy them With the watching world and European monarchies proving incapable of saving the Romanovs the narrative brings this tragic story to life in a compellingly new and dramatic way culminating in a bloody night of horror in a cramped basement room

**Sherlock Holmes and the Romanov Conspiracies** Phil Growick, 2017-11-30 For the first time a very special edition combining two of the most intricately intertwined Sherlock Holmes adventures In **The Secret Journal of Dr Watson** it's the height of the Russian Revolution Holmes and Watson are sent by the British PM David Lloyd George deep into the nascent Soviet Union to rescue the Imperial Romanovs before they're assassinated by the Bolsheviks But with Lenin the Cheka MI 6 and The Black Faction at their throats who can rescue Holmes and Watson And if they succeed what will ultimately happen to them all Can we believe that Holmes meets his death And with a stunning surprise ending how many questions will be left unanswered In **The Revenge of Sherlock Holmes** those questions are answered But how does Prohibition in America the birth of organized crime there with murderers like Lucky Luciano and Bugsy Siegel impact Watson the Romanovs and the man who claims to be Holmes And once again all these tension filled events keep racing towards another incredible surprise ending

**The Race to Save the Romanovs** Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin's autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented

enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs **Nuclear Science Abstracts** ,1975 *Military Review* ,1986 *The Last Days of the Romanovs* Robert Wilton,1920 A compilation and translation of the evidence obtained in an investigation by the Kolchak government of the murder of Czar Nicholas II and his family supplemented by the personal narrative of Robert Wilton cf Publishers s note **Romanovs** Oliver Thomson,2011-11-08 The Romanovs were one of the most extraordinary families in world history producing a succession of brilliant yet often dysfunctional rulers whose whims affected the lives of millions Oliver Thomson delves deep into the dynasty s rise to power from the moment when Anastasia Romanovna was plucked from obscurity to become the wife of the tsar later known as Ivan the Terrible He traces the remarkable careers and personal traumas of the Romanov tsars and emperors larger than life characters like Peter I and Catherine the Great as well as the tragic stories of Paul and Nicholas II Including maps portraits of family members and stunning colour photographs of the main surviving Romanov buildings this absorbing book charts the rise and fall of one of history s most powerful dynasties and at the same time examines the lives of the often flawed human beings who were part of it **Professional Journal of the United States Army** ,1986
