Donfried, Peter Richardson, 2003-12-22 Rome as the center of the first century world was home to numerous ethnic groups among which were both Jews and Christians The dealings of the Roman government with these two groups and their dealings with each other are the focus of this engaging book Peter Richardson shows that inscriptions expand considerably our knowledge about synagogues in Rome L Michael White discusses what the archeological epigraphic evidence reveals about the synagogue and society of Ostia Graydon F Snyder explores the theme of inculturation looking closely at the level of interaction of Jews with non Jews in Rome and of Christians with Roman culture Leonard Victor Rutgers examines the inconsistent nature of Rome's legal policies toward the Jews Rudolf Braendle and Ekkehard W Stegemann detail the formation of the first Christian congregations already present James S Jeffers describes the family life of Jews and Christians in Rome Carolyn Osiek discusses from an insightful and unique perspective the social character of Roman Christianity James C Walters considers the evolving relations between Christians and non Christian Jews in Rome and how their interactions were affected by Roman intervention William L Lane traces the continuities and discontinuities in Roman Christianity in the period from Nero to Nerva Finally Chrys C Caragounis finding clues in Romans and 1 Clement challenges much of the consensus concerning the social situation of Roman Christianity Based on the latest biblical and historical scholarship and archaeological evidence this volume will be a valuable resource for students of first century Judaism and Christianity **The**

Romans Debate Karl P. Donfried, 1977 **The Romans Debate** Karl P. Donfried, 1995 Sacra Pagina: Romans Brendan Byrne, 2023-06-13 This commentary adopts a literary rhetorical approach viewing the letter as an instrument of persuasion designed to transform readers through a celebratory presentation of the Gospel Reflecting upon the fate of Jews and Gentiles Paul wins his audience to a vision of a God who always acts inclusively The God who in the person of Israel's Messiah Jesus has acted faithfully to include the Gentile peoples within the community of salvation will not fail to see to the eventual inclusion of Israel as well In the victory of grace displayed already in the risen humanity of Jesus the original design of the

Creator for human communities and for the world begins to come true The interpretation of Paul s letter to Rome has accompanied and stimulated the path of Christian theology down to today Romans touches upon virtually all main issues of Christian theology as well as presenting a rewarding introduction to Paul Byrne facilitates full access to Paul and his Gospel through the letter allowing Christians today to hear his voice as intelligibly and powerfully as it has spoken to past generations

Introducing Romans Richard N. Longenecker,2011-03-25 Introducing Romans a kind of introduction ahead of time to Richard Longenecker s forthcoming commentary on Romans is a major achievement in its own right the fruit of at least fifty years of scholarship on the apostle Paul and on Romans in particular It can stand alone as an indispensable handbook for anyone venturing to write a commentary of one s own or for anyone who wants to teach or understand that classic letter Above all Longenecker succeeds admirably in putting the many issues surrounding Romans in the broadest possible historical context encompassing not just recent fashions but the legacy of centuries Seasoned scholars and beginning students alike have every reason to be grateful J Ramsey Michaels Missouri State University

Faith and Obedience in Romans Glenn Davies,2015-01-29 This study is a fresh approach to Paul s Epistle to the Romans Taking Paul s Jewish background seriously it challenges the prevailing consensus that Paul s object in the first three chapters is to conclude that everyone is under the power of sin Davies shows that in Paul s thinking there has always been a category of the righteous those who live by faith and express their faith in obedience Paul s indictment of Jews and Gentiles therefore is an indictment of only the wicked among Jews and Gentiles not of the righteous

The Rhetoric of Romans Neil Elliott,2006-12-01 In The Rhetoric of Romans Neil Elliott presents a rhetorical critical reading of the letter that indicates that Paul wrote not to counter Jewish opponents or aspects of the Jewish religion nor to legitimize the law free gentile church but to warn against elements of the Hellenistic church s Christology and an incipient Christian supersessionism that threatened the collection in Jerusalem and the heart of his apostolic work

Ancient Letters and the Purpose of Romans Aaron Ricker,2020-09-17 Aaron Ricker locates the purpose of Romans in its function as a tool of community

identity definition Ricker employs a comparative analysis of the ways in which community identity definition is performed in first century association culture including several ancient network letters comparable to Romans Ricker's examination of the community advice found in Rom 12-15 reveals in this new context an ancient example of the ways in which an inscribed addressee community can be invited in a letter to see and comport itself as a proper association network community The ideal community addressed in the letter to the Romans is defined as properly unified and orderly as well accommodating to and clearly distinct from cultures outside Finally it is defined as linked to a proper network with recognised leadership i.e. the inscribed Paul of the letter and his network Paul's letter to the Romans is in many ways a baffling and extraordinary document In terms of its community defining functions and strategies however Ricker shows its purpose to be perfectly clear and understandable

The Epistle to the Romans Richard N. Longenecker, 2016 Paul's letter to believers in Jesus at Rome has always been very highly regarded within the Christian church playing a central role in the formulation and proclamation of Christian doctrine Yet despite its status in the church and its importance for Christian thought life and proclamation Romans is not a simple writing it is one of the most difficult New Testament letters to analyze and interpret In this commentary prominent New Testament scholar Richard Longenecker offers a clear analysis of Romans that builds on the work of past commentators while still being informed by significant studies and insights of interpreters today His analysis is critical exegetical and constructive but pastoral in its application Longenecker also sets a course for the future that will promote a better understanding of this most famous of Paul's letters and a more relevant contextualization of its message

Reading Romans Luke Timothy Johnson, 2001 Paul wrote this letter to the Roman Christians to win their financial support for a new stage in his mission How could an Apostle unknown by sight to the Roman believers recommend himself except by sharing his understanding of how God was at work through the Good News that Paul proclaimed to Jews and Gentiles Romans starts with a practical goal and becomes a theological masterpiece of great historical importance and of enduring significance to all believers in the One God The fresh reading of Romans by a Catholic scholar pays close attention to Paul's theological argument as it unfolds The commentary includes several distinctive features Johnson shows how Paul understands righteousness by faith as the faith of the human person Jesus how salvation means inclusion in God's people and how the work of the Holy Spirit transforms human consciousness so that believers can share with each other the faith and the love shown them by Jesus from back cover

A Preface to Romans Christopher Bryan, 2000-06-15 Bryan approaches St Paul's letter to the Romans with a number of aims in view First he wants to show which literary type or genre would have been seen by Paul's contemporaries as being exemplified in the letter He also attempts to determine what we can surmise of Paul's attitude and approach to the Jewish bible The study involves discussion of and comparison with other literature from Paul's time place and milieu including other writings attributed to Paul

The Word of God Has Not Failed Sherwood, Aaron, 2015-11-20 In The Word of God Has Not Failed Sherwood presents a fresh reading of Romans 9:6-29 focusing on Paul

s use of Scripture Since this passage contains such a high concentration of Old Testament quotations it is vital to explore how Paul understood and interpreted those texts Only then can we really understand the thrust of Paul s message **The State of New Testament Studies** Scot McKnight,Nijay K.
