People Love Dead Jews: Reports from a Haunted Present Dara Horn, 2021-09-07 Winner of the 2021 National Jewish Book Award for Contemporary Jewish Life and Practice Finalist for the 2021 Kirkus Prize in Nonfiction A New York Times Notable Book of the Year A Wall Street Journal Chicago Public Library Publishers Weekly and Kirkus Reviews Best Book of the Year A startling and profound exploration of how Jewish history is exploited to comfort the living Renowned and beloved as a prizewinning novelist Dara Horn has also been publishing penetrating essays since she was a teenager Often asked by major publications

to write on subjects related to Jewish culture and increasingly in response to a recent wave of deadly antisemitic attacks Horn was troubled to realize what all of these assignments had in common she was being asked to write about dead Jews never about living ones In these essays Horn reflects on subjects as far flung as the international veneration of Anne Frank the mythology that Jewish family names were changed at Ellis Island the blockbuster traveling exhibition Auschwitz the marketing of the Jewish history of Harbin China and the little known life of the righteous Gentile Varian Fry Throughout she challenges us to confront the reasons why there might be so much fascination with Jewish deaths and so little respect for Jewish lives unfolding in the present Horn draws upon her travels her research and also her own family life trying to explain Shakespeare's Shylock to a curious ten year old her anger when swastikas are drawn on desks in her children's school the profound perspective offered by traditional religious practice and study to assert the vitality complexity and depth of Jewish life against an antisemitism that far from being disarmed by the mantra of Never forget is on the rise As Horn explores the not so shocking attacks on the American Jewish community in recent years she reveals the subtler dehumanization built into the public piety that surrounds the Jewish past making the radical argument that the benign reverence we give to past horrors is itself a profound affront to human dignity Now including a reading group guide *Paperbound Books in Print*, 1983
