Uncle Ronald Brian Doyle,2004 In 1895 to escape his violent father Mickey is sent to stay with his Uncle Ronald and his twin aunts in the hills north of Ottawa and learns to feel safe for the first time in his life Ronald Reagan David T. Byrne,2018-11-01 In this ambitious work David T Byrne analyzes the ideas that informed Ronald Reagan s political philosophy and policies Rather than appraising Reagan s personal and emotional life Byrne s intellectual biography goes one step further it establishes a rationale for the former president s motives discussing how thinkers such as Plato and Adam Smith influenced him Byrne points to three historical forces that shaped Reagan s political philosophy Christian values particularly the concept of a universal kingdom of God America s firm belief in freedom as the greatest political value and its aversion to strong centralized government and the appeasement era of World War II which stimulated Reagan s aggressive and confrontational foreign policy Byrne s account of the fortieth president augments previous work on Reagan with a new model for understanding him Byrne shows how Reagan took conservatism and the Republican Party in a new direction departing from the traditional conservatism of Edmund Burke and Russell Kirk His desire to spread a Kingdom of Freedom both at home and abroad changed America s political landscape forever and inspired a new conservatism that persists to this day **Ronald Reagan** United States. Logsdon,2018-11-26 When Ronald Reagan was elected in 1980 limits on NASA funding and the lack of direction under the Nixon and Carter administrations had left the U S space program at a crossroads In contrast to his predecessors Reagan saw outer space as humanity s final frontier and as an opportunity for global leadership His optimism

and belief in American exceptionalism guided a decade of U S activities in space including bringing the space shuttle into operation dealing with the 1986 Challenger accident and its aftermath committing to a permanently crewed space station encouraging private sector space efforts and fostering international space partnerships with both U S allies and with the Soviet Union Drawing from a trove of declassified primary source materials and oral history interviews John M Logsdon provides the first comprehensive account of Reagan s civilian and commercial space policies during his eight years in the White House Even as a fiscal conservative who was hesitant to increase NASA s budget Reagan s enthusiasm for the space program made him perhaps the most pro space president in American history

Public Papers of the Presidents of the United States: Ronald Reagan, 1984 Reagan, Ronald,1986-01-01 Public Papers of the Presidents of the United States **Ronald Reagan** Peter Wallison,2009-04-28 An icon of the twentieth century Ronald

Reagan has earned a place among the most popular and successful U S presidents In this compelling firsthand account of Reagan s presidency Peter J Wallison former White House Counsel to President Reagan asserts that Reagan took office with a fully developed public philosophy and strategy for governing that was unique among modern presidents I am not a great man Reagan once said just committed to great ideas Wallison shows how Reagan s unyielding attachment to certain key ideas communicated through his speeches created a cohesive administration and revived the spirit of the nation Reagan limited his personal efforts to those issues he considered central to his presidency choosing to delegate to his cabinet and staff those matters he viewed as secondary to his agenda This leadership style was responsible for Reagan s accomplishments but also for his missteps and the criticism he received from his detractors During his presidency Reagan experienced both enormous success in the unprecedented growth of the economy the first arms reduction agreement with the former Soviet Union and the revival of confidence in America and near disaster in the Iran Contra affair In Ronald Reagan Wallison describes what it was like to be on Reagan s White House staff and how Reagan s attachment to principle produced both the best and worst days of his presidency *Second Chances at the Little Love Café* Lucy Mitchell,2024-08-01 From the author of *The Car*
