## **Ronsons Art Metal Works:**

**Ronson's Art Metal Works** Stuart L. Schneider, 2001-01-01 Ronson's place as a leader and pioneer in the manufacture of fine decorative metal wares from the 1900s to the mid 1930s is documented here. In addition to cigarette lighters for which Ronson is most readily known, the company then known as Art Metal Works also produced a diverse selection of metal bookends, hood ornaments, statuary, aquarium and plant stands, clocks, pipe holders, desk sets and accessories, figurines, novelty items, lamps, boxes, toys, incense burners and much more. With descriptive captions and information from original company catalogs and advertisements alongside full color detailed photographs, this book is like no other on the market today. Whether you are a collector of art metal or a student of art and design, you are guaranteed insight into the style, beauty and value of some of the finest metal wares manufactured. **United States Army Cap Insignia 1902-1975** Michael F.

Tucker, 2021-03-10 **United States Army Cap Insignia 1902-1975** By Michael F. Tucker. America was entering a new century. Fresh from defeating Spain in the Spanish American War, the young country was assuming its new position in the old world order. Filled with confidence and economic strength, the United States looked towards the future with the many opportunities and changes presented to it and its people. These changes also applied to the United States Army and its uniforms, in particular the uniform cap and its insignia. Presented here are those changes in US Army cap insignia during the twentieth century. Shown in photographs and words drawn from US Government and US Army archives with dimensions and close up images of insignia, a thorough history can now be revealed.
