Building Blocks for Father Involvement, Building Block 5: Bringing a Fatherhood Plan to Life, June 2004 ,2009

At A Time Like This In Scuppernon Valley Gloria Prather,2018-05-22 The story is appalling It gives an account of a destitute teenager born in a meager place where only the strong survive She made one bad decision that insulted the villainous overseer To escape his often abusive retaliation she ran away and became a shadow street child in a big city This is an incredible story about struggle survival and the darker sides of life that many teenagers will never see in a lifetime The ups and downs experienced while wandering an unfamiliar city taught her many life lessons as she tried to find a safe place on park benches in tunnels abandoned buildings and alleyways She was sustained by her belief that her God fearing grandmother s teaching would see her through Being empowered by such belief she aligned herself with determination and became a great success story a force of stability and healing for other teenagers
