Records and Briefs* California (State)., *The Travelers* Joseph Lima Sconce,2013-08-19 From the creative and highly imaginative author Joseph Lima Sconce comes a highly engaging and deeply meaningful volume that believes that death should not be feared Instead it is something to be celebrated for The Travelers deems that death is the gateway to another world It is the transition to real substantial eternal and wondrous afterlife It tries to show to readers that death does not exist When one dies he goes to an afterlife but soon the reward will become immensely more worthwhile and joyful if one chooses to go to heaven This book reveals that the afterlife is real and substantial and that all of humans when they arrive there at some point will soon realize this Their spiritual bodies are very much like natural bodies except that the

spiritual bodies are in perfect shape in addition to basic telepathy and the speaking of a universal language People in the spiritual world live in real places beautiful cities or country location in Heaven noisome slums in hell People there work like on earth willingly and happily in heaven not so in hell and also enjoy time off from work which are marvelous in heaven and within strict limits somewhat enjoyable in hell They are full human beings in the afterlife in every aspect But in the spiritual world time and space function differently being fluid and connected to a persons thoughts and emotions that deception and lying are nearly impossible and the economy is a moneyless one **The Thunder of Silence** Denay Lynn Denay,Lynn
