Room For One:

Reports from Commissioners Great Britain. Parliament. House of Commons, 1866 *Bulletin* United States. Office of Education, 1921 **Architects' Data** Ernst Neufert, Peter Neufert, 2012-03-26 Neufert's Architects Data is an essential reference for the initial design and planning of a building project. It provides in one concise volume the core information needed to form the framework for the more detailed design and planning of any building project. Organised largely by building type, it covers the full range of preliminary considerations and with over 6200 diagrams, it provides a mass of data on spatial requirements. Most illustrations are dimensioned and each building type includes plans, sections, site layouts and design details. An extensive bibliography and a detailed set of metric/imperial conversion tables are included. Since it was first published in Germany in 1936, Ernst Neufert's handbook has been progressively revised and updated through 39 editions and many translations. This fourth English language edition is translated from the 39th German edition and represents a major new edition for an international English speaking readership. *Reviews of the Previous Edition* Neufert's Architects Data was the first book I bought when I started my studies in architecture. It was invaluable for me then and it is still a useful aid in my designs. Cesar Pelli. With this thorough rewrite, Neufert has produced yet again an invaluable reference book. *The Architects Journal* *Hearings* United States. Congress. House. Committee on Veterans' Affairs, 1965 **Prophecy of the Kings - Book 1** David Burrows, 2010-01-14 Vastra is a man possessed. Where other men require food to sustain them, his craving is for power. He seeks an Eldric talisman, ensnaring two men to aid him. Fate guides his hand and unwittingly he chooses Kaplyn, who is seeking to escape his own destiny and Lars, shipwrecked and friendless, an outcast on the Allund shore. An unlikely trio, they form a fragile alliance, but recklessly ambitious Vastra will betray them in a heartbeat. Throughout their journey, there are clear signs that demons are active, stealing souls to slake their hunger. Their journey takes them to a mysterious tower beset by traps, where Kaplyn triggers a chain of events, unleashing the full power of a prophecy that could doom them all. Deep in the heart of a mountain lies a power that not even Vastra has the audacity to envision. But who really is guiding Vastra's destiny? Kaplyn has the talisman, and for all of Vastra's threats, he is unwilling to part with it.
