The Yalta Conference. Ed.by W. Johnson* ,1949

Roosevelt and the Russians Edward R. Stettinius Jr.,2013-10 This is a new release of the original 1949 edition

Roosevelt and the Russians. The Yalta Conference ... Edited by Walter Johnson, Etc Edward Reilly STETTINIUS,Walter JOHNSON (of Chicago.),1950 *Roosevelt's Road to Russia* George N. Crocker,2018-09-03 Many people will be made angry by this book They will be angry first at its author for daring to attack the memory of Franklin Delano Roosevelt Then as they read with an increasing sense of shame this shocking story of the summit conferences of World War II they will be moved to anger at F D R himself The trust which the American people bestowed in the leadership of Roosevelt is a matter of historical record The manner in which the four times President used that trust is only little by little coming to be realized The truth is that ever since victory was won western civilization has been at bay with men everywhere preparing for new wars What went wrong Was there a monstrous miscalculation Bad faith in high places Incompetence What really happened at the fateful summit conferences of World War II The documents notes and memoirs of men who were there at Casablanca Teheran and Yalta and the others how now dredged up the pieces of a horrendous jigsaw puzzle ROOSEVELT S ROAD TO RUSSIA for the first time puts the pieces together Crocker has presented this sad epoch in American history more interestingly and more competently than any previous writer he gives the first complete picture of just how and why we lost the peace it is an important contribution to the history of our times We are in danger of being deceived by Khrushchev as Roosevelt was deceived by Stalin Let us read this record as Crocker has faithfully compiled it and heed the warning H V Kaltenhorn A tale of colossal incompetence monstrous misunderstanding outrages of freedom it should be read by everyone who wants to understand the world today The Chicago Tribune a scholarly brief with all the logic and persuasion of a grand jury presentation Columbus Dispatch **Soviet Union's Postwar Demands from Turkey and the Origins of the Cold War**

İdlir Lika,2020-09-02 This book presents an academic perspective on Turkey's reaction to the postwar Soviet demands on the Straits and Eastern Anatolia by studying hitherto untapped Turkish archive materials and press articles of the time It argues that the Turkish elite perceived Soviet demands as an existential threat to Turkey the first step in the establishment of a pro Soviet government in Ankara The postwar Soviet demands completed a paradigmatic shift in Turkish foreign policy leading to the disintegration of twenty years of Soviet Turkish alliance and transformed Turkey into an unconditional Western ally As such this book strengthens the idea in early Cold War historiography that Turkey was one of the main testing grounds for the Cold War and makes it more cogent It concludes by discussing the implications of the findings for the matrix of current American Russian Turkish relations America and the Cold War, 1941-1991 Norman A. Graebner, Richard Dean Burns, Joseph M. Siracusa, 2010-05-05 Three distinguished diplomatic historians offer an assessment of the Cold War in the realist tradition that focuses on balancing the objectives of foreign policy with the means of accomplishing them America and the Cold War 1941 1991 A Realist Interpretation is a sweeping historical account that focuses on the policy differences at the center of this conflict In its pages three preeminent authors offer an examination of contemporary criticism of the Cold War documenting the views of observers who appreciated that many policies of the period were not only dangerous but could not resolve the problems they contemplated The study offers a comprehensive chronicle of U S Soviet relations broadly conceived from World War II to the collapse of the Soviet Union It places the origins of the Cold War as related to the contentious issues of World War II and stresses the failure of Washington to understand or seriously seek settlement of those issues It points out how nuclear weaponry gradually assumed political stature and came to dominate high level Soviet American diplomatic activity at the same time discounting the notion that the Cold War was a global ideological confrontation for the future of civilization A concluding chapter draws lessons from the Cold War decades showing how they apply to dealing with nation states and terrorist groups today **Russia at War, 1941-1945** Alexander Werth, 2017-03-14 In 1941 Russian born British journalist Alexander Werth observed the unfolding of the Soviet German conflict with his own eyes What followed was the widely acclaimed book Russia at War first printed in 1964 At once a history of facts a collection of interviews and a document of the human condition Russia at War is a stunning modern classic that chronicles the savagery and struggles on Russian soil during the most incredible military conflict in modern history As a behind the scenes eyewitness to the pivotal shattering events as they occurred Werth chronicles with vivid detail the hardships of everyday citizens massive military operations and the political movements toward diplomacy as the world tried to reckon with what they had created Despite its sheer historical scope Werth tells the story of a country at war in startlingly human terms drawing from his daily interviews and conversations with generals soldiers peasants and other working class civilians The result is a unique and expansive work with immeasurable breadth and depth built on lucid and engaging prose that captures every aspect of a terrible moment in human history Now newly updated with a foreword by Soviet historian Nicolas Werth

the son of Alexander Werth this new edition of *Russia at War* continues to be indispensable World War II journalism and the definitive historical authority on the Soviet German war **THE AMERICAN CENTURY** Walter LaFeber, Richard Polenberg, Nancy Woloch, 2013-07-22 Congressional Record United States. Congress, 1964 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873 At the President's Pleasure Sally K. Burt, 2015-05-26 At the President's Pleasure offers a new perspective on the way the United States and China interacted during World War II Sally K Burt examines President Franklin Roosevelt's methods of conducting diplomacy particularly his tendency to centralise foreign policy making into his own hands as it applied to wartime Sino US relations By critiquing the president's foreign policy leadership with China Burt provides a new perspective on US diplomacy and opens the door for further exploration of contemporary methods of conducting relations between the US and China This book then will interest scholars historians international relations specialists and practitioners and those interested in global politics both historical and in the present day **FDR and the Soviet Union** Mary E. Glantz, 2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin's expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR's ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II Focusing on the conflicts between a president who sought close relations between the two nations and the diplomatic and military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by US personnel in the USSR in formulating and implementing policies governing the American Soviet relationship She takes readers into the American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhardt and Averell Harriman and US military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attaché lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt's policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined

opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman s Cold War containment policy A case study in foreign relations high level policymaking and civil military relations FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War It adds a new dimension to our understanding of Soviet American relations as it sheds new light on the surprising power of those in low places *Military Situation in the Far East* United States. Congress. Senate. Committee on Armed Services,1951

A Macrohistory of the Communist World—the making and unmaking of a revolutionary ideal C L Lu,2025-06-23 A long term and cross regional historical perspective Detailing the rise and fall of communism A Macrohistory of the Communist World tells the history of communism the Communist Party and communist countries from a global perspective introducing important historical events and the life stories of historical figures The book is divided into five parts describing in detail the formation expansion division and collapse of the communist world The regions spanned include four continents Europe Asia America and Africa The period lasts for two hundred years from the beginning of the 19th century to the 21st century The book also makes necessary statements about the development of capitalism and socialism which are in opposition and competition with communism This is a must read book for anyone who wants to thoroughly understand the Communist Party *In the Sphere of The Soviets* Charles Merewether,2021-02-16 The book distinctive is listed in points i it focuses on Eastern European art covering the historical avant garde to the post war and contemporary periods of ii it looks at some key artists in the countries that have not been given so much attention within this content i e Georgia Dagestan Chechnya and Central Asia iii it looks beyond Eastern Europe to the influence of Russia Soviet Union in Asia It explores the theoretical models developed for understanding contemporary art across Eastern Europe and focus on the new generation of Georgian artists who emerged in the immediate years before and after the country s independence from the Soviet Union and on to discuss the legacy and debates around monuments across Poland Russia and Ukraine helps in Better understanding the postwar and contemporary art in Eastern Europe
