

# Roosevelts Farmer Claude R Wickard In The New Deal

**John Lewis Gaddis**

### **Roosevelts Farmer Claude R Wickard In The New Deal:**

**Roosevelt's Farmer** Dean Albertson, 1961 Intimate unauthorized biography of the Indiana farmer chosen by President F D Roosevelt as Secretary of Agriculture who served from the later years of the New Deal to the close of World War II

Texas, Cotton, And The New Deal Keith Joseph Volanto, 2005 Cotton growing Government policy Texas History 2 Cotton trade government policy Texas History 3 New Deal 1933 1939 Texas 4 United States      **Hard Times and New Deal in Kentucky** George T. Blakey, 2014-07-15 The Great Depression and the New Deal touched the lives of almost every Kentuckian during the 1930s Fifty years later the Commonwealth is still affected by the legacies of that era and the policies of the Roosevelt administration George T Blakey has written the first full study of this turbulent decade in Kentucky and he offers a fresh perspective on the New Deal programs by viewing them from the local and state level rather than from Washington Thousands of Kentuckians worked for New Deal programs such as the Civilian Conservation Corps and the Works Projects Administration thousands more kept their homes through loans from the Home Owners Loan Corporation Tobacco growers adopted new production techniques and rural farms received their first electricity because of the Agricultural Adjustment and Rural Electrification administrations The New Deal stretched from the Harlan County coal mines to a TVA dam near Paducah and it encompassed subjects as small as Social Security pension checks and as large as revived Bourbon distilleries The impact of these phenomena on Kentucky was both beneficial and disruptive temporary and enduring Blakey analyzes the economic effects of this unprecedented and massive government spending to end the depression He also discusses the political arena in which Governors Laffoon Chandler and Johnson had to wrestle with new federal rules And he highlights social changes the New Deal brought to the Commonwealth accelerated urbanization enlightened land use a lessening of state power and individualism and a greater awareness of Kentucky history Hard Times and New Deal weaves together private memories of older Kentuckians and public statements of contemporary politicians it includes legislative debates and newspaper accounts government statistics and personal reminiscences The result is a balanced and fresh look at the patchwork of emergency and reform activities which many people loved many others hated but no one could ignore

Decision in the Atlantic Marcus Faulkner, Christopher M. Bell, 2019-05-17 The Battle of the Atlantic was the longest campaign of the Second World War This volume highlights the scale and complexity of this bitterly contested campaign one that encompassed far more than just attacks by German U boats on Allied shipping The team of leading scholars assembled in this study situates the German assault on seaborne trade within the wider Allied war effort and provides a new understanding of its place within the Second World War Individual chapters offer original perspectives on a range of neglected or previously overlooked subjects how Allied grand strategy shaped the war at sea the choices facing Churchill and other Allied leaders and the tensions over the allocation of scarce resources between theaters how the battle spread beyond the Atlantic Ocean in both military and economic terms the management of Britain's merchant shipping repair yards the

defense of British coastal waters against German surface raiders the contribution of air power to trade defense antisubmarine escort training the role of special intelligence and the war against the U boats in the Arctic and Pacific Oceans

The Farm Security Administration and Rural Rehabilitation in the South Charles Kenneth Roberts, 2024-01-12 This book fills an important void in the historical literature on New Deal reform and significantly updates Sidney Baldwin's 1968 book on the FSA Through the lens of the programs of the FSA Charles Kenneth Roberts does an excellent job of relating how New Deal programs attempted to rehabilitate poor rural southerners Aaron D Purcell author of *Arthur Morgan A Progressive Vision for American Reform* As the roaring twenties turned into the depressed thirties southern farmers far removed from the urban prosperity Americans had enjoyed during the 1920s heyday found already difficult farming conditions greatly intensified by the onset of the Great Depression Agricultural incompetence plagued the rural South through the misuse of land depletion of natural resources and a system of single crop farming that failed to adequately provide for growing families on small farms especially in the cotton producing Southeast Poverty and desperation came to define the farming communities of the rural South both in reality and in Americans collective conscious In *The Farm Security Administration and Rural Rehabilitation in the South* Charles Kenneth Roberts traces the administrative and political history of the Farm Security Administration FSA and reconciles the administration's goals with Franklin D Roosevelt's overall vision for the New Deal Roberts takes a grassroots approach to dissecting the FSA's history While other studies have focused on FSA photography or community building or even policy making in terms of top down government directives Roberts focuses on the people and state governments who faced an immediate need to aid southern farmers within their own borders and to boost their states crumbling agricultural economic bases Roberts focuses on rural rehabilitation as a key aspect of the FSA and defines the agency's legacy not in terms of its failures but rather in terms of an idealistic program whose modest successes were ultimately too few to effect real change for southern farmers Though Roosevelt failed to adequately recognize the plight of the southern farmer and political infighting hindered many of the administration's goals the creation of the FSA stands as one of the first efforts to provide sustained relief to struggling southern farmers In light of other federal programs of the era the FSA may seem like a mere footnote to the New Deal outside of its small but revered photography program But as Roberts shows the FSA's legacy has endured to the present day Charles Kenneth Roberts is a lecturer in history at Georgia Perimeter College His articles have appeared in the *Alabama Review* *Southern Historian* and *Agricultural History*     The Era of Franklin D. Roosevelt , 1967     **Bibliography of Agriculture** , 1962     **An Opportunity Lost** Virgil W. Dean, 2006 Examines Charles Brannan's agricultural plan the farm policy debate and Harry S Truman's quest for a long range agricultural program Assesses Truman's relationships with farmers and with politicians and the search for a workable peacetime program especially as it related to the parity price foundation and price supports Provided by publisher     FDR's Long New Deal Robert E. Wright, 2024-10-28 During his presidency FDR led the American public to believe that the US

government could set policy that would transform the economy This book argues that this assumption which ultimately became embedded into the general American psyche has impacted our economy today in more ways than one Robert E Wright breaks down the negative societal impact of the New Deal throughout this book The chapters highlight the lasting influence of these policies providing new perspectives and never before seen archival research related to FDR s policies The book provides insight into how assumptions of governmental intervention in the economy have shifted the direction of the economy over time It also dives into socioeconomic topics related to social justice critiquing the New Deal in its original and historical contexts Wright brings a long term public choice perspective to the New Deal providing interdisciplinary insights into socioeconomic topics such as gender race and climate The resulting book is ideal for those interested in economics American history law and policy *Prologue*, 1993 *Historical Dictionary of the Great Depression, 1929-1940* James S. Olson, 2001-09-30 Today when most Americans think of the Great Depression they imagine desperate hoboes riding the rails in search of work unemployed men selling pencils to indifferent crowds bootleggers hustling illegal booze to secrecy shrouded speakeasies FDR smiling or Judy Garland skipping along the yellow brick road Hard times have become an abstraction But there was a time when economic suffering was real when hunger stalked the land and Americans tried to forget their troubles in movie theaters or in front of a radio From the stock market crash of October 1929 to Germany s invasion of Norway France and the Low Countries in 1940 the Great Depression blanketed the world economy Its impact was particularly deep and direct in the United States This was the era when the federal government became a major player in the national economy and Americans bestowed the responsibility for maintaining full employment and stable prices on Congress and the White House making the Depression years a major watershed in U S history In more than 500 essays this book provides a ready reference to those hard times covering the diplomacy popular culture intellectual life economic problems public policy issues and prominent individuals of the era **The American Experience in World War II: The United States and the road to war in Europe** Walter L. Hixson, 2003 *Franklin D. Roosevelt* Roger Daniels, 2016-02-15 Having guided the nation through the worst economic crisis in its history Franklin Delano Roosevelt by 1939 was turning his attention to a world on the brink of war The second part of Roger Daniels s biography focuses on FDR s growing mastery in foreign affairs Relying on FDR s own words to the American people and eyewitness accounts of the man and his accomplishments Daniels reveals a chief executive orchestrating an immense wartime effort Roosevelt had effective command of military and diplomatic information and unprecedented power over strategic military and diplomatic affairs He simultaneously created an arsenal of democracy that armed the Allies while inventing the United Nations intended to ensure a lasting postwar peace FDR achieved these aims while expanding general prosperity limiting inflation and continuing liberal reform despite an increasingly conservative and often hostile Congress Although fate robbed him of the chance to see the victory he had never doubted events in 1944 assured him that the victory he had done so much to bring about would not be

long delayed A compelling reconsideration of Roosevelt the president and campaigner The War Years 1939 1945 provides new views and vivid insights about a towering figure and six years that changed the world **New York Herald Tribune Book Review** ,1961 *In the Shadow of FDR* William E. Leuchtenburg,2011-03-15 A ghost has inhabited the Oval Office since 1945 the ghost of Franklin Delano Roosevelt FDR s formidable presence has cast a large shadow on the occupants of that office in the years since his death and an appreciation of his continuing influence remains essential to understanding the contemporary presidency This new edition of *In the Shadow of FDR* has been updated to examine the presidency of George W Bush and the first 100 days of the presidency of Barack Obama The Obama presidency is evidence not just of the continuing relevance of FDR for assessing executive power but also of the salience of FDR s name in party politics and policy formulation *The United States and the Origins of the Cold War, 1941-1947* John Lewis Gaddis,2000 This book moves beyond the focus on economic considerations that was central to the work of New Left historians examining the many other forces domestic politics bureaucratic inertia quirks of personality and perceptions of Soviet intentions that influenced key decision makers in Washington **William J. Spillman and the Birth of Agricultural Economics** Laurie M. Carlson,2005 Biography of William J Spillman scientist and educator for the United States Department of Agriculture Explores Spillman s role in the development of the agricultural economics the agricultural New Deal genetics research agricultural education and the Cooperative Extension Service the post World War I overproduction crisis and the Law of Diminishing Returns Provided by publisher **American Economic History** James S. Olson,Abraham O. Mendoza,2015-04-28 Covering figures events policies and organizations this comprehensive reference tool enhances readers appreciation of the role economics has played in U S history since 1776 A study of the U S economy is important to understanding U S politics society and culture To make that study easier this dictionary offers concise essays on more than 1 200 economics related topics Entries cover a broad array of pivotal information on historical events legislation economic terms labor unions inventions interest groups elections court cases economic policies and philosophies economic institutions and global processes Economics focused biographies and company profiles are featured as sidebars and the work also includes both a chronology of major events in U S economic history and a selective bibliography Encompassing U S history since 1776 with an emphasis on recent decades entries range from topics related to the early economic formation of the republic to those that explore economic aspects of information technology in the 21st century The work is written to be clearly understood by upper level high school students but offers sufficient depth to appeal to undergraduates In addition the general public will be attracted by informative discussions of everything from clean energy to what keeps interest rates low **American Dreamer: A Life of Henry A. Wallace** John C. Culver,John Hyde,2001-09-17 The great politician agriculturalist economist author and businessman loved and reviled and finally now revealed The great politician agriculturalist economist author and businessman loved and reviled and finally now revealed The first full biography of Henry

A Wallace a visionary intellectual and one of this century's most important and controversial figures Henry Agard Wallace was a geneticist of international renown a prolific author a groundbreaking economist and a businessman whose company paved the way for a worldwide agricultural revolution He also held two cabinet posts served four tumultuous years as America's wartime vice president under FDR and waged a quixotic campaign for president in 1948 Wallace was a figure of Sphinx like paradox a shy man uncomfortable in the world of politics who only narrowly missed becoming president of the United States the scion of prominent Midwestern Republicans and the philosophical voice of New Deal liberalism loved by millions as the Prophet of the Common Man and reviled by millions more as a dangerous misguided radical John C Culver and John Hyde have combed through thousands of document pages and family papers from Wallace's letters and diaries to previously unavailable files sealed within the archives of the Soviet Union Here is the remarkable story of an authentic American dreamer A Washington Post Best Book of the Year 32 pages of b w photographs A careful readable sympathetic but commendably dispassionate biography Arthur Schlesinger Jr Los Angeles Times Book Review In this masterly work Culver and Hyde have captured one of the more fascinating figures in American history Doris Kearns Goodwin author of No Ordinary Time Wonderfully researched and very well written an indispensable document on both the man and the time John Kenneth Galbraith A fascinating thoughtful incisive and well researched life of the mysterious and complicated figure who might have become president Michael Beschloss author of Taking Charge The Johnson White House Tapes 1963 1964 This is a great book about a great man I can't recall when if ever I've read a better biography George McGovern A lucid and sympathetic portrait of a fascinating character Wallace's life reminds us of a time when ideas really mattered Evan Thomas author of The Very Best Men The Early Years of the CIA Everyone interested in twentieth century American history will want to read this book Robert Dallek author of Flawed Giant The most balanced complete and readable account Walter LaFeber author of Inevitable Revolutions At long last a lucid balanced and judicious narrative of Henry Wallace a first rate biography Douglas Brinkley author of The Unfinished Presidency A fine contribution to twentieth century American history James MacGregor Burns author of Dead Center Clinton Gore Leadership and the Perils of Moderation Eminently readable a captivating chronicle of American politics from the Depression through the 1960s Senator Edward M Kennedy A formidable achievement an engrossing account Kai Bird author of The Color of Truth McGeorge Bundy William Bundy Brothers in Arms Many perceptions of Henry Wallace not always favorable will forever be changed Dale Bumpers former US Senator Arkansas

*Chronological Landmarks in American Agriculture* ,1990 This chronology lists major events in the history of U S agriculture A source to which the reader may turn for additional information on the subject is included with most of the events Generally each source appears only once although it may apply to more than one chronological citation pp The reader interested in a particular subject can compile a short bibliography by consulting each citation for that subject
