## **Roots And New Frontiers In Social Group Work:**

**Roots and New Frontiers in Social Group Work** Marcos Leiderman, Martin L. Birnbaum, Barbara Dazzo, 1988 This exciting book captures the rich heritage of social group work and links the origin of social group work to its present and future frontiers The first 100 years of social group work are celebrated in this volume as social workers address a wide range and diversity of group work practice theory research and education with information on health and mental health institutions substance abuse programs rehabilitation centers the correctional system family service agencies nursing homes and other specialized areas including industry child and spouse abuse and incest **Roots and New Frontiers in Social Group Work** consists of selected proceedings from the Seventh Consecutive Symposium of the Committee for the Advancement of Social Work With Groups sponsored by Rutgers University School of Social Work

**Group Work Practice in a Troubled Society** Roselle Kurland, Robert Salmon, 2013-10-08 This book presents the wide range and diversity of effective group work practice in today's troubled society Representing the best in current practice chapters discuss modern group work and contain rich examples of practice and theory **Group Work Practice in a Troubled Society** examines the social realities in which group work is now practiced and addresses present day social issues and problems Contributing authors to **Group Work Practice in a Troubled Society** discuss innovations in practice programs and theory and a wide variety of work with clients in many different settings There is a breadth and strength and diversity in contemporary group work practice and the authors practitioners and educators from the United States Canada and Hong Kong represent the vitality of current practice and theory Among the many topics they discuss are contextual group work practice latent content in work with groups group work in administration cultural sensitivity and diversity in small group practice group work in other cultures and with immigrant populations feminist group work and unique considerations in work with women's groups group work with sexually abused children with incest survivors and with sexual offenders group work in community centers group work with mentally ill chemical abusers group work use in an innovative 12 step modality **Group Work Practice in a Troubled Society** provides a wealth of information and ideas for social workers and students of social work who are interested or involved in group work and who wish to learn more about current practice and developments in the field

**Stories Celebrating Group Work** Roselle Kurland, Andrew Malekoff, 2012-11-12 **Stories Celebrating Group Work** It's Not Always Easy to Sit on Your Mouth celebrates the 25th anniversary of the esteemed journal *Social Work with Groups* with a collection of 21 narratives from group work practitioners and educators These highly personal stories from a range of social workers young and old famous and not so famous reflect each author's development and experience serving as both instruction and inspiration for practitioners and educators This unique collection by turns humorous moving profound and down to earth gets to the heart of what it means to be a member of the social work community Each chapter of **Stories Celebrating Group Work** draws on its contributor's area of expertise and interest in a specific topic chronicling the development of the author's

understanding appreciation and skill Authors address the everyday concerns of social work professionals such as maximizing mutual aid promoting positive norms maintaining authority in group work managing conflict dealing with taboo subjects building a group work culture in a human services organization working with a co leader tapping the strengths of group members and addressing social change The individual stories of working with men women and children suffering through abuse homelessness addiction and teenage pregnancy in places as diverse as East Harlem Maine Canada Nebraska Long Island Haiti Uruguay help form a collegial spirit as group workers gain insight from the theory and practice of those who went before The personal stories you ll find in Stories Celebrating Group Work include How I Became a Social Worker The Power of Group Work with Kids How the Relational Model of Group Work Developed My Love Affair with Stages of Group Development But I Want to Do a Real Group Racial Difference and Human Commonality The Worker Client Relationship and many more Stories Celebrating Group Work It s Not Always Easy to Sit on Your Mouth is a one of a kind collection of stories at once entertaining and educational It s an essential read for beginning and seasoned human services practitioners and educators involved with or interested in working with groups

**Group Work** Timothy Kelly B, 2012-12-06 Explore the latest research and practice information in group work Group Work Strategies for Strengthening Resiliency is a collection of research and information presented at the Twentieth Annual International Symposium on Social Work with Groups Resiliency issues are explored in relation to children couples managers survivors of torture poor women HIV AIDS affected youth and other population groups The contributors were keynote speakers and paper presenters at the symposium They represent a wide range of fields of practice and experience For social workers students educators and practitioners this volume examines how group work can improve resiliency in your community Here s a sample of what you ll find inside Keynote Speaker Jeremy Woodcock s experiences in his groundbreaking resiliency work with victims of torture Alex Gitterman s brilliant exposition of the notions of resiliency and vulnerability he outlines the current thinking and puts it into a group work context case examples that illustrate resiliency in children a discussion of how residential settings can function like a 24 hour group and how to use that group effectively to strengthen the resiliency of the residents a way to use groups to help develop social and economic capital for poor women through investment clubs group themes and practice strategies for group work with couples who have differing HIV status Group Work Strategies for Strengthening Resiliency also contains chapters reflecting the personal experiences of the authors One shares her transformation from a worker who did case work in a group into a social group worker Another shares a reminiscence of a personal journey during her formative years as a budding group worker From its description of how the use of group work principles and skills can benefit managers and programs to its challenge to group workers to incorporate some community work skills into their repertoire Group Work Strategies for Strengthening Resiliency is more than a fascinating read it is a tool to help you keep abreast of the latest theory and practice in this ever changing field

Skills for Direct Practice in Social Work Ruth R. Middleman, Gale Goldberg Wood, 1990 And

social workers     A Quarter Century of Classics (1978-2004) Andrew Malekoff, Roselle Kurland, 2005 A Quarter Century of Classics 1978 2004 presents the most compelling articles published in Social Work with Groups since the journal's inception in 1978 Culled from more than 100 issues the book captures the heart and spirit of group work and offers teachers and practitioners a solid foundation for group work theory and practice This best of the best collection includes seminal articles on group developmental theory the use of activities in group work group work with vulnerable populations differentiating group work from case work in a group and social action methods     *Handbook of Social Work with Groups* Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-02-13 This comprehensive handbook presents major theories of social work practice with groups and explores contemporary issues in designing and evaluating interventions Students and practitioners gain an in depth view of the many ways that groups are used to help people address personal problems cope with disabilities strengthen families and communities resolve conflict achieve social change and more Offering authoritative coverage of theoretical practical and methodological concerns coupled with a clear focus on empowerment and diversity this is an outstanding text for group work and direct practice courses     *Handbook of Social Work with Groups, Second Edition* Charles D. Garvin, Lorraine M. Gutierrez, Maeda J. Galinsky, 2017-06-26 Revised edition of Handbook of social work with groups 2006     *Social Work with Groups* N. Sullivan, L. Mitchell, D. Goodman, N.C. Lang, E.S. Mesbur, 2013-10-11 Help change the world by bringing ideas of social justice into your group work practice Social workers who use hip hop music to reach out to troubled adolescents Practitioners who compare First Nations talking circles with social work practice with groups A retired professor who transforms the way her fellow senior living center residents participate in their world Fathers of children with spina bifida who help one another through an online discussion group These and other examples you'll discover in Social Work with Groups Social Justice Through Personal Community and Societal Change will help you to assist groups to gain a sense of empowerment and create change in their own lives and communities In Social Work with Groups Social Justice Through Personal Community and Societal Change you'll also find definitions of social justice within the context of social work a proposal to help focus on social justice in teaching guidelines for group facilitators making decisions about self disclosure studies of innovative group work discussion of the challenges to achieving social justice in group work valuable ways to ground social group work in rich cultural traditions This new book rides the crest of the growing wave of justice in social work with groups Culled from the proceedings of the 22nd International Symposium of the Association for the Advancement of Social Work with Groups it gives you the innovations and current thinking of professionals who while coming from different cultural and professional backgrounds are focused on helping all people enjoy the same rights and opportunities If you want to use group work to challenge social inequality Social Work with Groups will be a welcome addition to your library Social action that gets results has to start somewhere let it begin with you     Making Joyful Noise Andrew Malekoff, Robert Salmon, Dominique Moyse Steinberg, 2014-01-02 This diverse collection of articles by group work

professionals who work in the classroom and in the field captures not only the art and science of social work with groups but also its soul highlighting practice teaching and writing ideas that promote the power of group work and the people who do it Making Joyful Noise reinforces the value and uniqueness of group work as a positive optimistic empowering and affirming way of working with people The articles presented here cover a wide range of age groups populations and settings and include examples on the use of activity and discussion in groups a poetry club for children the meaning of camp for preadolescents a boxing group for adolescents who live in the inner city self defense classes for adults and caregiver support for the elderly The book also steps into the classroom to promote the teaching of social group work and the education of advanced group work practitioners and to encourage practitioners to write about their group work practice Finally the book presents and illustrates a number of concepts that are unique to group work and that encourage front line practitioners to be bold and to stay in the mess While organized as a tribute to the late Dr Roselle Kurland Making Joyful Noise is in and of itself an important collection of articles and essays on social group work and one that is certain to provide all practitioners who are interested in group work with a spark a smile and some needed inspiration for their important work Making Joyful Noise includes essentials for preserving promoting and portraying group work practice the critical relationship between human and professional ethics in group work six common mistakes that practitioners make in regard to group purpose using organizational analysis to improve group work practice creatively blending activity and discussion in diverse settings cultivating collegiality to reduce isolation and enhance practice developing a capacity to stay in the mess in group work with people of all ages skills for effectively working with transitions separation and loss in group guidelines for practitioners wishing to write for publication and much more This book is a rich and diverse collection that is required reading for anyone working to promote social work with groups An Introduction to Using Theory in Social Work Practice James A.

Forte, 2014-01-21 An Introduction to Using Theory in Social Work Practice equips the reader to use fourteen key social work theories to guide each phase of the planned change process from engagement through to evaluation Suitable for a generalist approach this book illustrates the value of applying theory to practice in a variety of social work roles across diverse fields and facing assorted challenges The first section provides a practical foundation for beginning to use theory in your social work practice Section two looks at how you can translate and integrate fourteen theories commonly found in social work across each phase of the planned change process The theories discussed are behavioural interpretive anthropology psychodynamic evolutionary biology cognitive symbolic interactionism strengths social constructionism exchange economics role ecological critical feminist and systems theory The final section addresses some key issues for real life social work practice including common barriers to using theory in practice the potential for multi professional communication and theory sharing and developing an integrative theoretical model for your own personal practice Linking to core competencies identified by the Council of Social Work Education this text supports social work students and practitioners in developing

vital skills including critical thinking applying theory and the effective use of the planned change process      **Social Action in Group Work** Abe Vinik, Morris Levin, 2012-10-12 One of the most effective ways of dealing with social problems is getting rid of the cause of the problem not just finding a remedy for the result Social Action in Group Work provides a useful overview of the history philosophy theory and practice of social group work and action in the promotion of societal change It shows practitioners how to use their skills effectively to achieve social change This helpful book incorporates ideas developed in social movements identifies their contributions to social group work practice and illustrates effective practice in case experience with specific examples It provides a much needed understanding of the need for and process of social action along with new ideas for theory building teaching and practice in group work Numerous case examples from a variety of different settings become models that will be extremely useful for social work students educators professionals and those who work directly with groups This invigorating book is divided into three sections each with a unique focus and tied together by overlapping concepts theories and models The first section Ideas of Social Action examines the history of social action in group work and proposes an integrated global framework for social work organization education and practice Advocacy and Empowerment the middle section is replete with case examples The third section Principles and Practice explores the application of social group work in a variety of situations including inter ethnic conflict and a group of homeless men and women Together the sections make a strong stand for a more sensitive empowerment oriented practice and for more advocacy by the worker and group Everyone involved or interested in the process of social change through social action with groups will find Social Action in Group Work a wealth of practical information      **Rebuilding Communities** Harvey Bertcher, Alice E Lamont, Linda Farris Kurtz, 2014-03-05 Rebuilding Communities Challenges for Group Work is a collection of research and information presented at the 18th Annual Symposium of the Association for the Advancement of Social Work with Groups Social workers students educators and practitioners will examine how group work can improve multicultural relations within the community Through your use of the valuable suggestions in this book you will discover new ways to help the poor in your community help themselves while giving them a sense of power and self esteem to help them battle racism sexism and shrinking economic opportunities Through Rebuilding Communities you will also discover a formula for global group work that will help you make a difference by applying your hometown skills to the global community This valuable book discusses the need for you to combine energy with humility offer assistance with the ability to listen to intervene when necessary and to comprehend diversity for successful and beneficial group programs This informative guide brings to light the skills and values needed for effective group work and how combining knowledge base and practice base will assist you in making a positive impact on your community With this important book you will find a rich source of current thinking about group work practice in relation to women violence health problems child welfare and other areas as well as group work theory to help you find the best way to help the various people of your community Rebuilding Communities will provide you

with specific ways to improve your group work skills and positively affect the individuals in your community such as learning that your role of caring and advocacy as a group worker must be a complete and lifelong commitment and that you must be prepared to use your skills throughout your everyday life to make a difference using the World Wide Web to form groups whose members can support one another through the anger joy pain and challenges of life learning how group work can help calm the stormy transitions that adolescent immigrants face by helping them relate to other children who are in similar circumstances examining how parents of pediatric urology patients find solace through groups where they can address such sensitive issues as the future of sexual functioning and fertility for their children discovering how marathon group sessions in South Africa are helping to provide basic services to the disadvantaged with programs to facilitate interracial contact and understanding among women and programs for adolescents boys in foster care

Rebuilding Communities offers you a deeper understanding of the total positive effect that group work can have on various sectors of your community to help you provide better services to those in need This unique book focuses your attention on the importance of group work to community development and even provides you with a glimpse into the future of group work With Rebuilding Communities you will discover a multifaceted approach to solving problems that communities face to help you choose the best options for your own community and give the best possible services to the people you assist *Canadian Social Work Review* ,2002 **Journal of Education for Social Work** ,2000 Theory and Practice in Social Group Work Kenneth L. Chau,Marie Weil,Dannia Southerland,2019-06-04 Here is an important look at creative ways to successfully blend theoretical knowledge with skillful intervention in social group work Theory and Practice in Social Group Work represents leading works in conceptual development that creatively connect practice with theory and also reflect the current diversity of interventions in group work practice The book calls for more carefully articulated connections between knowledge and action and maps a strategy for strengthening social work curriculum and expanding group work practice Some of the areas discussed include group work in medical and health settings group work with people undergoing life cycle transitions and group work interventions with vulnerable populations A wide range of possibilities for applying theories in group work situations are presented in this thought provoking volume Some specific examples discussed include group work interventions with persons affected by the AIDS crisis and persons at high risk of contracting HIV a group model for the management of chronic pain group intervention services for the homeless mentally ill delivered through a mobile outreach team a bingo group in an SRO hotel group work with adults molested as children and a model of practice for work with minority populations and communities **Social Group Work Today and Tomorrow** Benjamin L Stempler,Marilyn Glass,2013-10-18 A comprehensive introduction to policy and planning approaches methods models ways of thinking and techniques Social Group Work Today and Tomorrow is presented in a reader friendly fashion for persons with no prior formal training in this area The book teaches social workers group counselors educators and students and practitioners how to apply group work theory to practice in an increasingly

time limited and managed care oriented society Social Group Work Today and Tomorrow converts sophisticated policy and planning concepts and techniques into a form which even non experts can understand relate to and apply in their own practice Chapters reflect the work of the giants of social group work and also recognize contributions being made by the current generation of educators and practitioners The contributors chapters span many topical areas among them an interactionist theoretical perspective on creative uses of groups a moving look at the second decade of the AIDS epidemic creative use of dance with group work creative group work with ill elderly practice groups for students to prepare them for professional work with groups women s issues and empowerment creative ways to use groups to educate among homosexual men on safe sexual practices the use of one session groups to respond to job related trauma Chapters strike a strong note for social group work s base in an interactionist perspective and for the overall efficacy and uniqueness of the method Throughout the text readers learn and explore group types and formats ranging from verbal to activity from one session to beyond a year from education to support and from developmental to rehabilitation Ethics self esteem identity and empowerment themes are prominent throughout this work s pages Social Group Work Today and Tomorrow is an accurate reflection of the quality creativity and energy that made up the Fourteenth Annual Symposium on Social Work With Groups The creativity and innovativeness reflected in these pages offers new ideas and direction to all of social workers counselors and educators who choose the experience of working with groups **The Journal of Baccalaureate Social Work** ,1998

**Trabajo Social de Grupo: producción escrita, docencia y modelos de intervención** Peralta Moreno, Lady Johanna, Martínez Roa, Janneth Alejandra, 2014-12-24 En esta publicación se presenta una revisión sintética de la historia de las disciplinas asociadas y de los conceptos primarios del Trabajo Social de Grupo El análisis de las relaciones existentes entre el acumulado escrito sobre TSG y el saber que se imparte en las cátedras de esta asignatura en las unidades académicas de Trabajo Social de Bogotá permite identificar y analizar los tipos de bibliografía que concurren a su enseñanza en relación a los objetivos de formación de cada unidad y determinar los perfiles particulares de la enseñanza y de la formación profesional en este ámbito del trabajo social *The Skills of Helping* Lawrence Shulman, 1992
