**South East Asia, Colonial History: Imperialism before 1800** Paul H. Kratoska,2001 The six volumes that make up this unique set provide an extensive overview of colonialism in South East Asia In the majority of cases authors chosen were specialists writing about their individual areas of expertise and had first hand experience in the region Outline of contents I Imperialism before 1800 Edited by Peter Borschberg II Empire Building in the Nineteenth Century III High Imperialism IV Imperial Decline Nationalism and the Japanese Challenge V Peaceful Transitions to Independence VI Independence through Violent Struggle      **South East Asia:Colonl Hist V2** Paul Kratoska,2021-12-16 The six volumes that make up this set provide an overview of colonialism in South East Asia The first volume deals with Portuguese Spanish and Dutch Imperialism before 1800 the second with empire building during the Nineteenth Century and the third with the imperial heyday in the early Twentieth Century The remaining volumes are devoted to the decline of empire covering nationalism and the Japanese challenge to the Western presence in the region and the transition to independence The authors whose works are anthologised include both official participants and scholars who wrote about events from a more detached perspective Wherever possible authors have been chosen who had first hand experience in the region      *South East Asia, Colonial History: Empire-building in the nineteenth century* Paul H. Kratoska,2001 The six volumes that make up this unique set provide an extensive overview of colonialism in South East Asia In the majority of cases authors chosen were specialists writing about their individual areas of expertise and had first hand experience in the region Outline of contents I Imperialism before 1800 Edited by Peter Borschberg II Empire Building in the Nineteenth Century III High Imperialism IV Imperial Decline Nationalism and the Japanese Challenge V Peaceful Transitions to Independence VI Independence through Violent Struggle      [South East Asia:Colonl Hist V1](#) Paul Kratoska,2022-01-26 First published in 2004 The six volumes that make up

this set provide an overview of colonialism in South East Asia The first volume deals with Portuguese Spanish and Dutch Imperialism before 1800 the second with empire building during the Nineteenth Century and the third with the imperial heyday in the early Twentieth Century The remaining volumes are devoted to the decline of empire covering nationalism and the Japanese challenge to the Western presence in the region and the transition to independence The authors whose works are anthologised include both official participants and scholars who wrote about events from a more detached perspective Wherever possible authors have been chosen who had first hand experience in the region Volume I includes Imperialism in South East Asia before 1800

**South East Asia, Colonial History: Independence through revolutionary war** Paul H. Kratoska, 2001 The six volumes that make up this unique set provide an extensive overview of colonialism in South East Asia In the majority of cases authors chosen were specialists writing about their individual areas of expertise and had first hand experience in the region Outline of contents I Imperialism before 1800 Edited by Peter Borschberg II Empire Building in the Nineteenth Century III High Imperialism IV Imperial Decline Nationalism and the Japanese Challenge V Peaceful Transitions to Independence VI Independence through Violent Struggle

**South East Asia: Colonial Hist V6** Paul Kratoska, 2021-12-16 First published in 2004 The six volumes that make up this set provide an overview of colonialism in South East Asia The first volume deals with Portuguese Spanish and Dutch Imperialism before 1800 the second with empire building during the Nineteenth Century and the third with the imperial heyday in the early Twentieth Century The remaining volumes are devoted to the decline of empire covering nationalism and the Japanese challenge to the Western presence in the region and the transition to independence The authors whose works are anthologised include both official participants and scholars who wrote about events from a more detached perspective Wherever possible authors have been chosen who had first hand experience in the region

**France, Mexico and Informal Empire in Latin America, 1820-1867** Edward Shawcross, 2018-02-06 This book explores French imperialism in Latin America in the nineteenth century taking Mexico as a case study The standard narrative of nineteenth century imperialism in Latin America is one of US expansion and British informal influence However it was France not Britain which made the most concerted effort to counter US power through Louis Napoleon's military intervention in Mexico begun in 1862 which created an empire on the North American continent under the Habsburg Archduke Ferdinand Maximilian Despite its significance to French and Latin American history this French imperial project is invariably described as an illusion an adventure or a mirage This book challenges these conclusions and places the French intervention in Mexico within the context of informal empire It analyses French and Mexican ideas about monarchy in Latin America responses to US expansion and the development of anti Americanism and pan Latinism the consolidation of Mexican conservatism and finally the collaboration of some Mexican elites with French imperialism An important dimension of the relationship between Mexico and France explored in the book is the transatlantic and transnational context in which it developed where competing conceptions of Mexico and France as nations the role of

Europe and the United States in the Americas and the idea of Latin America itself were challenged and debated **French Policy Towards the Bakufu and Meiji Japan 1854-95** Richard Sims,1998 Little serious work has been done on the policies towards Japan of countries other than the US or Britain in the seminal Meiji period This study looks to fill this gap by investigating French policy from the opening of Japan to the Japanese triumph in the Sino Japanese war Lost Goddesses Trudy Jacobsen,2008 Women had a high status in premodern Southeast Asia this is constantly stated especially in relation to discussions on the status of women today in the region Why then is it that the position of women there today is far from equitable Few studies have examined how when or even why this change came about This is the first study ever to address the place of women in Cambodian history A narrative and visual tour de force it revises accepted perspectives in the history and geopolitical organization of Cambodia since c 230 C E In so doing the book examines the relationship between women and power and analyzes the extent of female political and economic participation as revealed in historical sources including the ways in which women were represented in art and literature Select List of Recent Publications East-West Center. Library,1963 Routledge Handbook of Modern Korean History Michael J Seth,2016-01-29 Beginning in the mid nineteenth century when Korea became entangled in the world of modern imperialism and the old social economic and political order began to change this handbook brings together cutting edge scholarship on major themes in Korean History Contributions by experts in the field cover the Late Choson and Colonial periods Korea s partition and the diverging paths of North and South Korea Topics covered include The division of Korea Religion Competing imperialisms Economic change War and rebellions Nationalism Gender North Korea Under Kim Jong Il Global Korea The Handbook provides a stimulating introduction to the most important themes within the subject area and is an invaluable reference work for any student and researcher of Korean History Reader's Guide to Military History Charles Messenger,2013-10-31 This book contains some 600 entries on a range of topics from ancient Chinese warfare to late 20th century intervention operations Designed for a wide variety of users it encompasses general reviews of aspects of military organization and science as well as specific wars and conflicts The book examines naval and air warfare as well as significant individuals including commanders theorists and war leaders Each entry includes a listing of additional publications on the topic accompanied by an article discussing these publications with reference to their particular emphases strengths and limitations Immigrant Acts Lisa Lowe,1996 Argues that understanding Asian immigration to the United States is fundamental to understanding the racialized economic and political foundations of the nation Lowe discusses the contradictions whereby Asians have been included in the workplaces and markets of the U S nation state yet through exclusion laws and bars from citizenship have been distanced from the terrain of national culture In this uniquely interdisciplinary study Lowe examines the historical political cultural and aesthetic meanings of immigration in relation to Asian Americans back cover Southeast Asian Warfare, 1300-1900 Michael Charney,2018-12-24 This study of warfare in Southeast Asia between the fourteenth and nineteenth centuries examines the

chief aspects of warfare in the region It begins with an examination of the cultural features that made warfare in the region unique followed by a discussion of the main weapons used and the two major sites of fighting sieges and naval contests Three chapters examine the role played by animals such as elephants and horses The final two chapters examine the shift from mercenary armies and masses of levies to smaller standing armies The study closes with an examination of the tumultuous nineteenth century in which European naval power won the coast and rivers while Southeast Asians held the advantage further inland
