

ROOTS *of* PEACE

Roots Of Peace

Oliver P. Richmond

Roots Of Peace:

White Roots of Peace Paul A. W. Wallace, 1994 A faithful retelling of the orally transmitted epic of Degawidwah the Peacemaker this book introduces the reader to an enlightened spiritual master on a par with Christ or the Buddha who at the same time possessed a unique gift for politics Those who value Native American spirituality will appreciate the teachings of this charismatic leader whose unbroken spiritual and temporal lineage has united the Iroquois peoples since the 15th century 35 illustrations The White Roots of Peace Paul A. W. Wallace, 1986 **The Occupation of Alcatraz Island** Troy R.

Johnson, 1996 The occupation of Alcatraz Island by American Indians from November 20 1969 through June 11 1971 focused the attention of the public on Native Americans and helped lead to the development of organized Indian activism In this first detailed examination of the takeover Troy Johnson tells the story of those who organized the occupation and those who participated some by living on the island and others by soliciting donations of money food water clothing or electrical generators Johnson documents growing unrest in the Bay Area urban Indian population and draws on interviews with those involved to describe everyday life on Alcatraz during the nineteen month occupation To describe the federal government's reactions as Americans rallied in support of the Indians he turns to federal government archives and Nixon administration files The book is a must read for historians and others interested in the civil rights era Native American history and contemporary American Indian issues

Roots of Power Michael Sheridan, 2023-04-21 Roots of Power tells five stories of plants people property politics peace and protection in tropical societies In Cameroon French Polynesia Papua New Guinea St Vincent and Tanzania dracaena and cordyline plants are simultaneously property rights institutions markers of social organization and expressions of life force and vitality In addition to their localized roles in forming landscapes and societies these plants mark multiple boundaries and demonstrate deep historical connections across much of the planet's tropics These plants deep roots in society and culture have made them the routes through which postcolonial agrarian societies have negotiated both social and cultural continuity and change This book is a multi-sited ethnographic political ecology of ethnobotanical institutions It uses five parallel case studies to investigate the central phenomenon of boundary plants and establish the linkages among the case studies via both ancient and relatively recent demographic transformations such as the Bantu expansion across tropical Africa the Austronesian expansion into the Pacific and the colonial system of plantation slavery in the Black Atlantic Each case study is a social ecological system with distinctive characteristics stemming from the ways that power is organized by kinship and gender social ranking or racialized capitalism This book contributes to the literature on property rights institutions and land management by arguing that tropical boundary plants social entanglements and cultural legitimacy make them effective foundations for development policy Formal recognition of these institutions could reduce contradiction conflict and ambiguity between resource managers and states in postcolonial societies and contribute to sustainable livelihoods and landscapes This book will appeal to scholars and students of environmental

anthropology political ecology ethnobotany landscape studies colonial history and development studies and readers will benefit from its demonstration of the comparative method **Spirit Winds of Peace** Marcine "Niyawehnsie"

Quenzer,2013-08 Let Marcine take you on a journey into the distant past through her paintings An accomplished artist she brings to life the ancient tales of the peoples who call themselves the Haudenosaunee People of the Longhouse We know them better as the Iroquois League of Nations Thank you for your efforts to honor and uplift the work of the Peacemaker to establish a Peace that will prevail on earth It is time to raise that legacy to a higher standard of global public visibility Your art is a majestic vehicle to bring this about David Yarrow Dancing Turtle Defender of Mother Earth Healer Author Dowser Marcine Quenzer is one of the best storytellers I have ever heard Her knowledge of the Iroquoian people inspires educates and entertains She is a Master of her Art Curtis Harwell CEO of Heaven on Earth Foundation Marcine Quenzer has the gift of the true Sachem for tuning into ancient cultures and bringing forward the wisdom and lessons of their natural spirituality so needed in these days Frank Jordan Past President of National Dowser's Association Healer Author Marcine Quenzer has brought to her book Spirit Winds of Peace The Epoch of the Peacemakers the same beauty eloquence and truth that she brought to the Peacemakers journey through her inspirational artwork Her book does much to reveal this journey a revelation that is so needed at this time to remind us that love is indeed the answer Thank you Marcine for this gift to all humanity Robert Roskind author of The Beauty Path A Native American Journey into One Love The Wyandotte Nation of Oklahoma through resolution of the Board of Directors has named Marcine Quenzer as Wyandotte Nation Associate Artist of the Nation for the longstanding work she has done in artistic portrayals of Wendot history and stories cultural presentations and teaching of the youth of many First Nations Leaford Bearskin Chief and James Bland second Chief 2003 **The Tactics of Hope:** Wilford H. Welch,2023-06-20 A Simon Schuster eBook Simon Schuster has a great book for every reader

Government of Peace Ranabir Samaddar,2016-03-03 Government of Peace addresses a major question in world politics today how does post colonial democracy produce a form of governance that copes with conflicts insurgencies revolts and acute dissents The contributors view social governance as a crucial component in answering this question and their narratives of governance aim to show how certain appropriate governing modes make social conflicts more manageable or at least also occasions for development They show how government often expands to cope with acute conflicts money is made more readily available the transfer of resources acquires frantic pace and so society becomes more attuned to a money centric modern life Yet this style of governance is not the only approach Dialogues from below challenge this accepted path to peacebuilding and new subjectivities emerge from movements for social justice by women migrants farmers dalits low caste and other subaltern groups The idea of a government of peace sits at the core of the interlinked issues of social governance peace building and security By exploring this idea and analysing the Indian experience of insurgencies and internal conflicts the contributors collectively show how rules of social governance can and have evolved **Getting to the**

Roots of Social Studies Vocabulary Levels 6-8 Timothy Rasinski, Nancy Padak, 2014-01-01 Expand your students content area vocabulary and improve their understanding with this roots based approach This standards based resource geared towards secondary grades helps students comprehend informational text on grade level topics in social studies using the most common Greek and Latin roots Each lesson provides tips on how to introduce the selected roots and offers guided instruction to help easily implement the activities Students will be able to apply their knowledge of roots associated with specific subject areas into their everyday vocabulary

Pursuing the Spiritual Roots of Protest Gordon Oyer, 2014-02-28 2015 Thomas Merton Louie award winner for a publication that provides fresh direction and provocative insight to Merton Studies presented by the International Thomas Merton Society In the fall of 1964 Trappist monk Thomas Merton prepared to host an unprecedented gathering of peace activists About all we have is a great need for roots he observed but to know this is already something His remark anticipated their agenda a search for spiritual roots to nurture sound motives for protest This event s originality lay in the varied religious commitments present Convened in an era of well kept faith boundaries members of Catholic lay and clergy mainline Protestant historic peace church and Unitarian traditions participated Ages also varied ranging from twenty three to seventy nine Several among the fourteen who gathered are well known today among faith based peace advocates the Berrigan brothers Jim Forest Tom Cornell John Howard Yoder A J Muste and Merton himself During their three days together insights and wisdom from these traditions would intersect and nourish each other By the time they parted their effort had set down solid roots and modeled interreligious collaboration for peace work that would blossom in coming decades Here for the first time the details of those vital discussions have been reconstructed and made accessible to again inspire and challenge followers of Christ to confront the powers and injustices of today

Cultivating a Landscape of Peace Matthew Dennis, 2018-10-18 This book examines the peculiar new worlds of the Five Nations of the Iroquois the Dutch and the French who shared cultural frontiers in seventeenth century America Viewing early America from the different perspectives of the diverse peoples who coexisted uneasily during the colonial encounter between Europeans and Indians he explains a long standing paradox the apparent belligerence of the Five Nations a people who saw themselves as promoters of universal peace In a radically new interpretation of the Iroquois Dennis argues that the Five Nations sought to incorporate their new European neighbors as kinspeople into their Longhouse the physical symbolic embodiment of Iroquois domesticity and peace He offers a close original reading of the fundamental political myth of the Five Nations the Deganawidah Epic and situates it historically and ideologically in Iroquois life Detailing the particular nature of Iroquois peace he describes the Five Nations diligent efforts to establish peace on their own terms and the frustrations and hostilities that stemmed from the fundamental contrast between Iroquois and European goals expectations and perceptions of human relationships

Messenger of Peace , 1925

Research Anthology on Approaches to Social and Sustainable Entrepreneurship Management Association, Information Resources, 2022-12-27 Social entrepreneurship has grown in

popularity in recent decades as a way to use business models and innovation to address social and environmental issues While these ventures are helpful to many emerging opportunities and challenges in the field still need to be explored It is essential to remain knowledgeable on the emerging research within the field of social entrepreneurship so that we may better implement entrepreneurial solutions to social issues The Research Anthology on Approaches to Social and Sustainable Entrepreneurship presents a comprehensive collection of the recent research into the developments challenges and opportunities of social and sustainable entrepreneurship in the modern era Covering topics such as ecotourism leadership styles and poverty alleviation this major reference work is an indispensable resource for business leaders and executives entrepreneurs government officials community leaders students and educators of higher education economists sociologists librarians researchers and academicians

The Transformation of Peace Oliver P. Richmond, 2024-06-06 The second edition of this influential book examines the transformation of the discourse and praxis of peace from its early beginnings in the literature on war and power to the development of intellectual and theoretical discourses of peace contrasting this with the development of practical approaches to peace and examining the intellectual and policy evolution regarding peace Now with reflections on each chapter and a new introduction and conclusion the book is essential reading for researchers and students of peace and conflict studies and beyond

The Peace Corps and Latin America Thomas J. Nisley, 2018-09-15 For almost 60 years the United States government has sent more than 230 000 of its citizens abroad to serve as Peace Corps Volunteers PCVs for two year tours often in very poor countries As these Volunteers work in grassroots development helping to build local capacity they also serve as citizen diplomats and contribute to U S public diplomacy The unique experience of the Peace Corps provides the Volunteers knowledge and a profound understanding of another country or region of the world Volunteers continue to serve their country as they bring their experience and knowledge back to the United States Many of them go on to serve in the State Department and in the United States Agency for International Development Some have even risen to the top ranks of the Foreign Service Thomas Nisley argues that the Peace Corps is an important tool of U S foreign policy that contributes on multiple levels As these citizen diplomats do their work they help to improve the popular image of the United States contributing to U S soft power Soft power is a co optive power getting others to want what you want After a general exploration of how the Peace Corps contributes to U S foreign policy the book takes a direct focus on Latin America Dr Nisley provides evidence along with a theoretical explanation that PCVs do indeed improve the popular perception of the United States in Latin America He then examines three different periods in U S foreign policy toward Latin America and shows how the Peace Corps made its contribution Not all U S policy makers have equally recognized the role of the Peace Corps in U S foreign policy Some have even dismissed it outright This book argues that the Peace Corps plays an important role in U S foreign policy Although the Peace Corps is much stronger today than it was in the late 1970s and early 1980s U S foreign policy would be well served if the Peace Corps were further strengthen and expanded not only in Latin America but in

the world We should consider the wider policy benefits of the Peace Corps **Rethinking the Roots of Terrorism** J. Franks,2006-04-12 Rethinking the Roots of Terrorism seeks to explain why terrorism occurs This study provides a comprehensive interdisciplinary survey that investigates the motivations reasons and causes of terrorism at all levels in society and more specifically in the context of the Middle East On Developing Theology of Peace in Islam Asgharali Engineer,2005 Most of the essays contains in this book were written as an attempt to understand the Qur an and its values in their true peaceful spirit These essays do not advocate rigidity but firm faith and there is difference between the two The River Is in Us Elizabeth Hoover,2017-11-01 Winner of the Labriola Center American Indian National Book Award 2017 Mohawk midwife Katsi Cook lives in Akwesasne an indigenous community in upstate New York that is downwind and downstream from three Superfund sites For years she witnessed elevated rates of miscarriages birth defects and cancer in her town ultimately drawing connections between environmental contamination and these maladies When she brought her findings to environmental health researchers Cook sparked the United States first large scale community based participatory research project In The River Is in Us author Elizabeth Hoover takes us deep into this remarkable community that has partnered with scientists and developed grassroots programs to fight the contamination of its lands and reclaim its health and culture Through in depth research into archives newspapers and public meetings as well as numerous interviews with community members and scientists Hoover shows the exact efforts taken by Akwesasne s massive research project and the grassroots efforts to preserve the Native culture and lands She also documents how contaminants have altered tribal life including changes to the Mohawk fishing culture and the rise of diabetes in Akwesasne Featuring community members such as farmers health care providers area leaders and environmental specialists while rigorously evaluating the efficacy of tribal efforts to preserve its culture and protect its health The River Is in Us offers important lessons for improving environmental health research and health care plus detailed insights into the struggles and methods of indigenous groups This moving uplifting book is an essential read for anyone interested in Native Americans social justice and the pollutants contaminating our food water and bodies *A Natural History of Peace* Thomas Gregor,1996 A stimulating and innovative consideration of the concept causes and practice of peace in societies both ancient and modern human and primate We know a great deal about aggression conflict and war but relatively little about peace partially because it has been such a scarce phenomenon throughout history and in our own times Peace is more than the absence of war Peace requires special relationships structures and attitudes to promote and protect it *A Natural History of Peace* provides the first broadly interdisciplinary examination of peace as viewed from the perspectives of social anthropology primatology archeology psychology political science and economics Among other notable features this volume offers a major theory concerning the evolution of peace and violence through human history an in depth comparative study of peaceful cultures with the goal of discovering what it is that makes them peaceful one of the earliest reports of a new theory of the organization and collapse of ancient Maya

civilization a comparative examination of peace from the perspective of change including the transition of one of the world's most violent societies to a relatively peaceful culture and the decision making process of terrorists who abandon violence and a theory of political change that sees the conclusion of wars as uniquely creative periods in the evolution of peace among modern nations

Geographies of Peace Fiona McConnell, Nick Megoran, Philippa Williams, 2014-06-20 From handshakes on the White House lawn to Picasso's iconic dove of peace the images and stereotypes of peace are powerful widespread and easily recognizable Yet if we try to offer a concise definition of peace it is altogether a more complicated exercise Not only is peace an emotive and value laden concept it is also abstract ambiguous and seemingly inextricably tied to its antithesis war And it is war and violence that have been so compellingly studied within critical geography in recent years This volume offers an attempt to redress that balance and to think more expansively and critically about what peace means and what geographies of peace may entail The editors begin with an examination of critical approaches to peace in other disciplines and a helpful genealogy of peace studies within geography The book is then divided into three sections The opening section examines how the idea of peace may be variously constructed and interpreted according to different sites and scales The chapters in the second section explore a remarkably wide range of techniques of peacemaking This widens the discussion from the archetypal image of top down diplomatic state led initiatives to imperial boundary making practices grassroots cultural identity assertion boycotts self immolation ex paramilitary community activism and protective accompaniment The final section shifts the scale and focus to everyday personal relations and a range of practices around the concept of coexistence In their concluding chapter the editors spell out some of the key questions that they believe a geography of peace must address What spatial factors have facilitated the success or precipitated the failure of some peace movements or diplomatic negotiations Why are some ideologies productive of violence in some places but co operation in others How have some communities been better able to deal with religious racial cultural and class conflict than others How have creative approaches to sharing sovereignty mitigated or transformed territorial disputes that once seemed intractable

Geographies of Peace is the first book wholly devoted to exploring the geography of peace Drawing on both recent advances in social and political theory and detailed empirical research covering four continents it makes a significant intervention into current debates about peace and violence

The Messenger of Peace ,1926

Eventually, you will no question discover a additional experience and skill by spending more cash. nevertheless when? do you receive that you require to get those all needs later having significantly cash?
