Roping Dreams:

Duane's Depressed Larry McMurtry, 2010-06-01 Funny sad full of wonderful characters and the word perfect dialogue of which he is the master McMurtry brings the Thalia saga to an end with Duane confronting depression in the midst of plenty Surrounded by his children who all seem to be going through life crises involving sex drugs and violence his wife Karla who is wrestling with her own demons and friends like Sonny who seem to be dying Duane can't seem to make sense of his life anymore He gradually makes his way through a protracted end of life crisis of which he is finally cured by reading Proust's Remembrance of Things Past a combination of penance and prescription from Dr Carmichael that somehow works Duane's Depressed is the work of a powerful mature artist with a deep understanding of the human condition a profound ability to write about small town life and perhaps the surest touch of any American novelist for the tangled feelings that bind and separate men and women

illuminating guide to a body of poetry that despite its greatness has until now seemed resistant to full understanding Every poem of Warren s last four sequences Now and Then Being Here Rumor Verified and Altitudes and Extensions is given a close reading with a precise laying out of words phrases and recurring images that not only enrich the texture of the poetry but are themselves the texture Runyon demonstrates the relevance of Freud s concept of the dream work of the unconscious to a reading of this tightly interwoven poetry He shows how Warren s poems assume additional meanings by the poet s very arrangement of them deepening his thesis by arguing that poems eat poems as each reuses and reconceptualizes the imagery of its predecessor frequently with ironic or parodic effect The American Dream Cody Ziemer,2009-09-03
