Rosalynn Carter Steel Magnolia

Rae Lindsay

Rosalynn Carter Steel Magnolia:

Rosalynn Carter Ruth Turk,1997 Presents the life of the former First Lady from the time of her childhood in Plains Georgia through her years in the White House and to the present *The Smithsonian First Ladies Collection* Lisa Kathleen Graddy,Amy Pastan,2014-05-06 Admire the nationally famous collection of first ladies gowns and learn about the contributions made by the women who wore them The Smithsonian First Ladies Collection is a beautifully illustrated book inspired by one of the most popular attractions at the Smithsonian the first ladies exhibit at the National Museum of American History This striking book showcases the treasures from first ladies throughout history ranging from Martha Washington s silk dress and dressing mirror to Michelle Obama s 2009 inaugural gown and jewelry These and many other unforgettable objects including gowns tableware and invitations from beloved first ladies such as Mamie Eisenhower Jacqueline Kennedy Barbara Bush Hilary Clinton and more tell the story of the first ladies as public and private figures They illustrate how these women thrust into an influential and visible role by happenstance of marriage adapted themselves and the role of first lady by taking on responsibilities as campaigners hostesses and policy advocates The Smithsonian First Ladies Collection features many treasures not on view at the exhibit Complete with an insider s look at the acquisition conservation and exhibition of the pieces as well as a timeline of all forty six first ladies this is a must have for anyone fascinated by these incredible women and their roles in American culture and political life **America's First Ladies** Nancy Hendricks,2015-10-13 Meet the First Ladies of the United States sometimes inspiring sometimes tragic always fascinating women who though often unsung helped hold the nation together in its infancy and advance it as a world power More than simply serving as America s hostesses many of the nation s First Ladies played vital roles in shaping their husband s presidency and serving as political activists in their own right From Martha Washington to Michelle Obama their inspiring stories come alive in this handsomely illustrated encyclopedia Within its pages the First Ladies are revealed as human beings who one day awoke to find the eyes of the world upon them The book differs from others by showcasing America s First Ladies in their own words as flesh and blood individuals Readers will discover which First Lady held off Napoleon s army with a toy sword why women had to be pale frail and ailing and which First Lady was called Sunshine and which was Hellcat Each entry includes a biographical essay that details the life of the woman and places her within the political social and cultural context of her time Each also offers a related primary document that helps define the First Lady s legacy as well as a short bibliography for further information Written in a lively compelling style this highly readable volume is perfect for junior high high school and college students as well as the general public *The Politics of the President's Wife* MaryAnne Borrelli,2011-08-15 As the West Wing has grown in power and organizational complexity during the modern presidency so has the East Wing office home to the First Lady of the United States This groundbreaking work by MaryAnne Borrelli offers both theoretical and substantive insight into behind the scenes developments from the time of Lou Henry Hoover to the

unfolding tenure of Michelle Robinson Obama Political scientists and historians have recognized the personal influence the First Lady can exercise with her husband and they have noted the moral ethical and sometimes policy leadership certain presidents wives have offered Nonetheless scholars and commentators alike have treated the personal relationship and the professional relationship as overlapping Borrelli offers a compelling counter perspective that the president s wife exercises power intrinsic to her role within the administration Like others within the presidency she has sometimes presented the president s views to constituents and sometimes presented constituents views to the president thus taking on a representative function within the system In mediating president constituent relationships she has given a historical and social frame to the presidency that has enhanced its symbolic representation she has served as a gender role model enriching descriptive representation in the executive branch and she has participated in policy initiatives to strengthen an administration s substantive representation These contributions have been controversial as might be predicted for a gender outsider but they have unquestionably made the First Lady a representative of and to the president and by extension the president s administration

Media Relations and the Modern First Lady Lisa M. Burns, 2020-02-06 Media Relations and the Modern First Lady From Jacqueline Kennedy to Melania Trump examines the communication strategies first ladies and their teams have used to manage press and public interest in their private lives to promote causes close to their hearts and to shape their public image Starting with Jacqueline Kennedy who was the first to have a staffer with the title press secretary each chapter explores the relationship between a first lady and the media the role played by her press secretary and communication staff in cultivating this relationship and the first lady s media coverage Contributors exploring the following questions How effective were the media relations and communication strategies of this first lady and her team What worked and what did not Was the first lady a communication asset to her husband s administration And what can we learn from their media relations strategies Along with contributing to the scholarship on presidential spouses the contributions to this volume also highlight the important role media relations plays in strategic political communication Scholars of communication media studies gender and women s studies political science and public relations will find this book particularly useful

The Smithsonian Book of the First Ladies Edith Mayo, 1996-04-15 Documents the lives of the presidents wives and official hostesses while exploring their political achievements and considering the electorate s influence on each woman

The Magazine Girls 1960s - 1980s The Magazine Girls, 2023-03-28 The Magazine Girls captures a flash bulb moment in counter culture in a time of raw excitement great creativity opportunity and sheer magical zeitgeist This unique multi narrative memoir presents a rare perspective on publishing just as the media youth market was set to boom Through seven personal stories it charts from the 1960s and into the 1990s the lives and times of young women who as teenage school leavers found themselves working on the top teen magazines of the day Rave Mirabelle Valentine Loving Petticoat and 19 Opportunities abounded in the 1960s and the girls were soon writing about and mixing with a new kind of aristocracy the bands the fashion

designers photographers make up artists and models Famous names they interviewed included David Bowie David Cassidy Marc Bolan Elton John the Who and Bob Marley amongst others They were to mature into high profile fashion and beauty editors PRs stylists features and showbusiness writers working on best selling women s magazines such as Woman s Own Woman and Good Housekeeping Hello and national newspapers The Magazine Girls strikes a chord not only with those who lived through those extraordinary decades but also with younger generations of today who wish they d been there *Jimmy Carter* Laura Hamilton Waxman,2006-01-01 Biography of the American president also known for his humanitarian work

Best Little Stories from the White House C. Brian Kelly,2012-08-01 Behind the White House s impressive facade lies the long history of the men who have lived and governed within it s walls From births to deaths weddings to funerals the White House has seen it all In Best Little Stories from the White House author C Brian Kelly takes us on a tour of the White House s fascinating history giving us a glimpse of the most memorable presidential moments Theodore Roosevelt s children once snuck their pony upstairs in the White House elevator to cheer up their sick brother Winston Churchill once suffered a minor heart episode while struggling with a stuck window in the White House John Quincy Adams was known to skinny dip in the Potomac Woodrow Wilson liked to chase up and down the White House corridors playing rooster fighting with his daughter Nellie

Murder Keeps a Secret Haughton Murphy,2016-01-26 When his godson is pushed out of a window Reuben Frost looks for a killer who s trying to rewrite history Reuben Frost waits patiently for his turn to purchase the tickets that will allow him to get his hands on a weak martini Though wary of his fellow guests at the annual charity dinner the brilliant lawyer recently put out to pasture by his white shoe firm will endure his watered down

drink for the sake of his godson David Rowan is a rising star in the publishing world and his blockbuster biographies have earned him the 100 000 Reuff Prize for American History and a seat at the head of the banquet But Rowan is about to learn that when stars stop rising they come crashing back down to earth When he falls to his death from his office window his godfather is convinced that the young man must have been murdered But who would kill a scholar With the help of his loyal wife this septuagenarian sleuth will find that history is a dangerous subject Murder Keeps a Secret is the 4th book in the Reuben Frost Mysteries but you may enjoy reading the series in any order *The Triumph of Nancy Reagan* Karen Tumulty,2022-04-12 The made in Hollywood marriage of Ronald and Nancy Reagan was the partnership that made him president Nancy understood how to foster his strengths and compensate for his weaknesses and made herself a place in history Tumulty shows how Nancy s confidence developed and reveals new details surrounding Reagan s tumultuous presidency that shows how Nancy became one of the most influential first ladies in history adapted from jacket **The New Encyclopedia of Southern Culture** Nancy Bercaw,Ted Ownby,2014-02-01 This volume of The New Encyclopedia of Southern Culture reflects the dramatic increase in research on the topic of gender over the past thirty years revealing that even the most familiar subjects take on new significance when viewed through the lens of gender The wide range of entries explores how people have experienced understood and used concepts of womanhood and manhood in all sorts of obvious and subtle ways The volume features 113 articles 65 of which are entirely new for this edition Thematic articles address subjects such as sexuality respectability and paternalism and investigate the role of gender in broader subjects including the civil rights movement country music and sports Topical entries highlight individuals such as Oprah Winfrey the Grimke sisters and Dale Earnhardt as well as historical events such as the capture of Jefferson Davis in a woman s dress the Supreme Court s decision in Loving v Virginia and the Memphis sanitation workers strike with its slogan I AM A MAN Bringing together scholarship on gender and the body sexuality labor race and politics this volume offers new ways to view big questions in southern history and culture The Carter Years Burton Ira Kaufman,2009 An A to Z reference guide to the people places policies and events significant during the presidency of Jimmy Carter **Mr. and Mrs. President** Gil Troy,2000 With a new chapter devoted to Hillary and Bill Clinton s tainted partnership in office and to the present First Lady s senatorial ambitions this second edition offers fresh insights into America s paradoxical expectations for its presidential wives and husband Deeply engrossing Publishers Weekly 33 photos First Ladies and the Press Maurine H. Beasley,2005-12 Looking at the personal interaction between each first lady from Martha Washington to Laura Bush and the mass media of her day Maurine H Beasley traces the growth of the institution of the first lady as a part of the American political system **Divided We Stand** Marjorie J. Spruill,2018-08-28 The fascinating true story of the characters in Hulu s Mrs America and a broader portrait of the two women s movements that spurred an enduring rift between liberals and conservatives The many admirers of Mrs America will find great satisfaction in Divided We Stand a clear compelling and deeply insightful volume The

Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement Divided We Stand reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting the course of American politics America's First Ladies Diana Dixon Healy, 1988 Thumbnail sketches of presidential wives from Martha Washington to Nancy Reagan His Very Best Jonathan Alter, 2021-09-21 Drawing on fresh archival material and extensive access to Carter and his family New York Times bestselling author Jonathan Alter tells the epic story of a man of faith and his improbable journey from barefoot boy in the vicious Jim Crow South to global icon We learn how Carter evolved from a timid child into an ambitious naval nuclear engineer and an indefatigable born again governor how as a president he failed politically amid the bad economy of the 1970s and the seizure of hostages in Iran but succeeded in engineering peace between Israel and Egypt amassing a historic environmental record moving the government from tokenism to diversity setting a new global standard for human rights and normalizing relations with China among dozens of other unheralded achievements After leaving office Carter revolutionized the postpresidency with the bold global accomplishments of the Carter center Cover **The Presidents' First Ladies** Rae Lindsay, 2001 Describes the various First Ladies that have lived in the White House and discusses their duties and privileges
