Secrets Of Voodoo:

Secrets of Voodoo Milo Rigaud, 1985-06 *Secrets of Voodoo* traces the development of this complex religion in Haiti and the Americas from its sources in the brilliant civilizations of ancient Africa. This book presents a straightforward account of the gods or loas and their function, the symbols and signs, rituals, the ceremonial calendar of Voodoo, and the procedures for performing magical rites. Voodoo derived from words meaning introspection and mystery is a system of belief about the formation of the world and human destiny with clear correspondences in other world religions. Rigaud makes these connections and discloses the esoteric meaning underlying Voodoo's outward manifestations which are often misinterpreted. Translated from the French by Robert B. Cross. Drawings and photographs by Odette Mennesson. Rigaud, Milo. Rigaud was born in Port au Prince, Haiti, in 1903 where he spent the greater part of his life studying the Voodoo tradition. In Haiti, he studied law, and in France, ethnology, psychology, and theology. The involvement of Voodoo in the political struggle of Haitian blacks for independence was one of his main concerns. **Secrets of Voodoo** Milo Rigaud, Cross, Robert

Voodoo and Interested to Learn It Here's How to Kickstart Your Voodoo Skill. What is Voodoo? There's more to Voodoo than making dolls that control people. This practice goes way back in history, but because many people still take interest in it, its rituals have been passed around and carried on by modern-day practitioners in the form of seemingly harmless magic hoodoo. However, it isn't harmless at all. Dealing with magic means you're dealing with unnatural things. Voodoo is a religion to which some people who practice it explain that there is another being that possesses magic powers using them. Despite it being from so long ago, this religion has continued to adapt, grow, and evolve throughout the years. But how much do we really know about them? The rituals are seen as intriguing since they are from a different worldview or culture as they originated in Africa. However, when hearing the word Voodoo, zombies and dolls with needles are usually what's imagined. With the help of *Voodoo for Beginners*, you could have a deeper understanding of what Voodoo really is and have a chance to practice it yourself. In this book, you'll find: History of Voodoo: How did Voodoo reach America and what's involved when practicing it? Elements of Voodoo: What are the essential elements of this practice and how to set them up? Voodoo Rituals: How to perform some rituals that you could use for others. Aside from the information it gives about Voodoo itself, it will also guide you to start your journey into it. This religion is greatly misunderstood. There is more to it than dolls. But you could still read and learn how to create a Voodoo doll in this book among others. Scroll up, click on Buy Now with 1 Click, and Get Your Copy Now **Voodoo.
