Sects and Separatism During the Second Jewish Commonwealth Leila Leah Bronner, 1967      **The Tradition of the Elders** T. Hoogsteen, 2014-09-16 The Tradition of the Elders based on Matt 15 1 20 and Mark 7 1 23 explores how the oral law upheld and promoted the anti Christian forces of Pharisaism and Sadduceism As such they appear repeatedly in the New Testament documents often as the law and the works of the law For example consider When Gentiles who have not the law do by nature what the law requires they are a law to themselves even though they do not have the law Rom 2 14 We ourselves who are Jews by birth and not Gentile sinners yet who know that a man is not justified by works of the law but through faith in Christ Jesus even we have believed in Christ Jesus in order to be justified by faith in Christ and not by works of the law because by works of the law shall no one be justified Gal 2 15 16 Tell me you who desire to be under law do you not hear the law Gal 4 21 But which law do these legal references concern the Torah the oral law or the Decalogue This important distinction between the oral law and the Ten Commandments is what The Tradition of the Elders sets out to make clear All New Testament exegetes including teachers and students can benefit from an increased understanding of the enmity of the oral law against the Gospel      **Jewish Backgrounds of the New Testament** J. Julius Scott, Jr., 2000-08-01 This survey of intertestamental Judaism illuminates the customs and controversies that provide essential background for understanding the New Testament Scott opens a door into the Jewish world and literature leading up to the development of Christianity He also offers an accessible overview of the data through helpful charts maps and diagrams incorporated throughout the text to engage his readers      **First Century Palestinian Judaism** David Ray Bourquin, 2007-01-01 Jesus was a Jew That simple statement carries with it a millennia of cultural bias persecution and ignorance David Ray Bourquin attempts to shed some light on what it meant to be a Jew during the Roman Period with this detailed annotated bibliography of works in English Following a brief introduction and guide on how to use the book Bourquin divides his work into three major sections A Primary Sources B Books and C Periodical and Serial Articles In each section materials are arranged by subject and in each sub section in alphabetical order by main entry Entries include complete bibliographical data plus concise descriptive and analytical annotations A glossary and four detailed indexes all correlated to entry numbers complete the volume Every student of the period will want a copy of this carefully compiled bibliography      **St. Paul's Opponents and their Background** Gunther, 2014-04-09 Fourteen year old Lucas leads a lonely monotonous life in the house of his unpleasant guardian until the unexpected arrival of an unusual little girl presages a series of events that completely change his life      *Josephus and Modern Scholarship (1937-1980)* Louis H. Feldman, 2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980      *Judaism of the Second Temple Period* David Flusser, 2007 David Flusser was a very prolific scholar of the Dead Sea Scrolls and his contributions to Scrolls research apocalypticism and apocalyptic literature are inestimable With this English translation of many of his essays Flusser's insights are now available to a wider

audience than ever before Here Flusser examines the influence of apocalypticism on various Jewish sects He states that the teachings of Jesus while reflecting first and foremost the views of the sages were also influenced by Jewish apocalypticism Examining the Essenes their effect on Hebrew language the split of sects and much more Flusser s collected essays offer an important source of study for any Dead Sea Scrolls scholar Publisher *Jewish and Christian Communal Identities in the Roman World* Yair Furstenberg,2016-06-21 Jews and Christians under the Roman Empire shared a unique sense of community Set apart from their civic and cultic surroundings both groups resisted complete assimilation into the dominant political and social structures However Jewish communities differed from their Christian counterparts in their overall patterns of response to the surrounding challenges They exhibit diverse levels of integration into the civic fabric of the cities of the Empire and display contrary attitudes towards the creation of trans local communal networks The variety of local case studies examined in this volume offers an integrated image of the multiple factors both internal and external which determined the role of communal identity in creating a sense of belonging among Jews and Christians under Imperial constraints Comparing Judaism and Christianity E. P. Sanders,2016-10-01 Few scholars have so shaped the contemporary debate on the relation of early Christianity to early Judaism as E P Sanders and no one has produced a clearer or more distinctive vision of that relationship as it was expressed in the figures of Jesus of Nazareth and Paul the apostle Gathered for the first time within one cover here Sanders presents formative essays that show the structure of his approach and the insights it produces into Paul s relationship to Judaism and the Jewish law Sanders addresses matters of definition common Judaism covenantal nomism diversity the Judaism of the Dead Sea Scrolls and the Diaspora and key exegetical and historical questions relative to Jesus Paul and Christian origins in relationship to early Judaism These essays show a leading scholar at his most erudite as he carries forward and elaborates many of the insights that have become touchstones in New Testament interpretation **The Flourishing of Jewish Sects in the Maccabean Era: An Interpretation** Albert I. Baumgartner,2021-12-06 This volume asks why Jewish groups Sadducees Pharisees Essenes and the Dead Sea Scroll sect flourished during the Maccabean era It argues that such a result is uncommon requiring special explanation In the introduction sectarianism is defined and its varieties in Second Temple Judaism assessed Among the causes of the known results suggested are the encounter with an outside culture that seemed to be weakening the external national perimeter the impact of expanded literacy the move to the city from the farm as well as eschatological hope aroused by Maccabean victory In proposing these conclusions full advantage is taken of recently published Qumran sources such as 4QMMT The objective is to discover the connection between context and consequence which will explain why sectarianism was so prominent at that time **Sects and Sectarianism in Jewish History** Sacha Stern,2011-04-21 Several Jewish groups from Antiquity until today have been traditionally identified as sects or as sectarian most famously the Qumran community and the Qaraites This volume questions the appropriateness of this interpretation of social and religious movements in Jewish history

**Proximity to Power and Jewish Sectarian Groups of the Ancient Period** Hillel Newman, 2006-10-31 This book deals with the values lifestyle and code of law of four Jewish sectarian groups in the Hellenistic and Roman Second Temple period in the land of Israel It reviews the groups according to their proximity to power highlighting the fact that political involvement has a decisive impact on the life and development of these social groups The groups under review the Pharisees Sadducees Essenes and Qumran receive a new historical description from the viewpoint of their proximity to power The issue of what determines the course of a social group whether normative or sectarian is discussed and the traditional terminology is re examined Original terminology is established The first part of the book deals with the question of terminology the available sources and the presentation of the different groups

**Separatist Christianity** David A. Lopez, 2004-10 By establishing the coherence and ubiquity of this separatist philosophy Lopez offers a fresh new interpretation of the history of the early church

**A Jew to the Jews** David Rudolph, 2016-10-21 David J Rudolph raises new questions about Paul s view of the Torah and Jewish identity in this post supersessionist interpretation of 1 Corinthians 9 19 23 Paul s principle of accommodation is considered in light of the diversity of Second Temple Judaism and Jesus example and rule of accommodation

**The Evolution of Love** Sheldon W. Liebman, 2021-04-06 This book an examination of Judaism as it evolved over a period of approximately 1 500 years is an analysis of the Hebrew Bible and other ancient Jewish writings with special emphasis on theology and morality By

the middle of the first millennium with the writing of Deuteronomy the Psalms and the works of the prophets Judaism had embraced the idea that God is a compassionate father that His relationship with His people is based on love rather than fear and that His response to their commission of sins is based on the assumption that they are capable of repentance and worthy of forgiveness In the final stage of its development culminating in the first and second centuries AD Judaism was understood to require its adherents to enact the will of God specifically to establish a community based on political economic and social laws that enforce the principles of justice and mercy And that process came to be seen as inevitably dependent on human agency the need for human beings to fulfill God s commandments In Judaism loving neighbors and strangers came to be understood as the principal and for many Jews the only way of loving God     The Construction of Homosexuality David F. Greenberg, 2008-10-29 At various times homosexuality has been considered the noblest of loves a horrible sin a psychological condition or grounds for torture and execution David F Greenberg s careful encyclopedic and important new book argues that homosexuality is only deviant because society has constructed or defined it as deviant The book takes us over vast terrains of example and detail in the history of homosexuality Nicholas B Dirks New York Times Book Review
