Cote d'Ivoire and Nigeria have suffered from a lack of attention on the post conflict imperatives of building peace in order to ensure that sustainable peace is achieved. Peace building in consonance with its infrastructure is a more sustainable approach to ensuring regional peace and stability and therefore ensuring development for the peoples of West Africa. Dr. Osita Agbu is currently a Senior Research Fellow at the Nigerian Institute of International Affairs, Lagos. His areas of specialization include Peace and Conflict studies, Governance and Democratization, and Technology and Development. He was until recently a Visiting Research Fellow at the Institute of Developing Economies, Chiba, Japan.
