## See The Child A Novel:

**The Child, the State and the Victorian Novel** Laura C. Berry, The Child the State and the Victorian Novel traces the the story of victimized childhood to its origins in nineteenth century Britain Almost as soon as childhood became a distinct category Laura C Berry contends stories of children in danger were circulated as part of larger debates about child welfare and the role of the family in society Berry examines the nineteenth century fascination with victimized children to show how novels and reform writings reorganize ideas of self and society as narratives of childhood distress Focusing on classic childhood stories such as Oliver Twist and novels that are not conventionally associated with particular social problems such as Dickens s Dombey and Son the Bront sisters Wuthering Heights and The Tenant of Wildfell Hall and George Eliot s Adam Bede Berry shows the ways in which fiction that purports to deal with private life particularly the domain of the family nevertheless intervenes in public and social debates At the same time she examines medical legal charitable and social relief writings to show how these documents provide crucial sources in the development of social welfare and modern representations of the family

Greenwell,2024-11-20 The Child Gaze Narrating Resistance in American Literature theorizes the child gaze as a narrative strategy for social critique in twentieth and twenty first century US literature for children and adults Through a range of texts including James Baldwin s Little Man Little Man Mildred D Taylor s Roll of Thunder Hear My Cry Toni Morrison s The Bluest Eye Gene Luen Yang s American Born Chinese and more Amanda M Greenwell focuses on children and their literal acts of looking Detailing how these acts of looking direct the reader she posits that the sightlines of children serve as signals to renegotiate hegemonic ideologies of race ethnicity creed class and gender In her analysis Greenwell shows how acts of looking constitute a flexible and effective narrative strategy capable of operating across multiple points of view focalizations audiences and forms Weaving together scholarship on the US child visual culture studies narrative theory and other critical traditions The Child Gaze explores the ways in which child acts of looking compel readers to look at and with a child character whose gaze encourages critiques of privileged visions of national identity Chapters investigate how child acts of looking allow texts to redraw circles of inclusion around the locus of the child gaze and mobilize childhood as a site of resistance The powerful child gaze can thus disrupt dominant scripts of power widening the lens through which belonging in the US can be understood **Condensed novels: New Burlesques** Bret Harte,1902 **Child Murder and British Culture, 1720-1900** Josephine McDonagh,2003-12-08 In this wide ranging study Josephine McDonagh examines the idea of child murder in British culture in the eighteenth and nineteenth centuries Analysing texts drawn from economics philosophy law medicine as well as from literature McDonagh highlights the manifold ways in which child murder echoes and reverberates in a variety of cultural debates and social practices She places literary works within social political and cultural contexts including debates on luxury penal reform campaigns slavery the treatment of the poor and birth control She traces a trajectory from Swift s A Modest Proposal through to the debates on the New Woman at the turn of the twentieth century by way of Burke Wordsworth Wollstonecraft George Eliot George Egerton and Thomas Hardy among others McDonagh demonstrates the haunting persistence of the notion of child murder within British culture in a volume that will be of interest to cultural and literary scholars alike **The Child and His Book** Mrs. E. M. Field,1891 *History and the Construction of the Child in Early British Children's Literature* Jackie C. Horne,2016-04-22 How did the flat characters of eighteenth century children s literature become round by the mid nineteenth While previous critics have pointed to literary Romanticism for an explanation Jackie C Horne argues that this shift can be better understood by looking to the discipline of history Eighteenth century humanism believed the purpose of history was to teach private and public virtue by creating idealized readers to emulate Eighteenth century children s literature with its impossibly perfect protagonists and its equally imperfect villains echoes history s exemplar goals

Exemplar history however came under increasing pressure during the period and the resulting changes in historiographical practice an increased need for reader engagement and the widening of history's purview to include the morals manners and material lives of everyday people find their mirror in changes in fiction for children Horne situates hitherto neglected Robinsonades historical novels and fictionalized histories within the cultural social and political contexts of the period to trace the ways in which idealized characters gradually gave way to protagonists who fostered readers sympathetic engagement Horne's study will be of interest to specialists in children's literature the history of education and book history
