Williams, 2011-03 When you look at yourself in the mirror who do you see Do you see someone who is bold confident and determined or do you see someone who is timid shy and unsure How we see ourselves or our self perception can be an advantage that shines light on the pathway to our success or it can be the storm cloud that guides us to our demise How we perceive ourselves will ultimately determine the outcome of our lives be it victorious or disastrous and these perceptions tend to be affected by how others see us But there is only one precise standard we can use to measure the accuracy of our self perception the Word of God Unfortunately many of us will never experience the lives God has for us because we won't perceive ourselves as He does It's time for that to change We can and we will reclaim ourselves Once you discover who you are in Christ you can move toward the destiny God has for you In this inspirational book you'll find the key components to changing your life for the better Understand who you are in Christ via perceptions Move beyond negativity and wrong associations Rebuild those things that were once alive and vibrant in your life Experience complete restoration Increase your confidence in God and yourself Allow Pamela Harris Williams to provide you with a mirror so you can Take Another Look and see yourself the way God sees you *Truly Beautiful* Margy Hill, 2013-02-25 Jesus often used the word truly to preface

Ekanem, 2010-03-23 God has given every human being tremendous abilities but many times we fail to utilize them because we don't recognize them as such The main reasons for not recognizing our abilities are because sometimes they can come too naturally and too easily to be real and other times because of lack of self esteem Abilities that are not discovered cultivated and nurtured remain dormant untapped and wasted Many people have plodded along all their lives and sometimes gone to their graves without discovering and utilizing their abilities Consequently they have not really been of benefit to themselves and to their own generation This book provides the keys to discovering your inner abilities The book will help you to break free from low self esteem inadequacies rejection and to appreciate that you have what it takes to accomplish your purpose in life Your abilities are like gold you have to dig for them in order to bring them out **Thinking Beyond Your Means**
