empowers us to recognize God's loving presence in our life every day. There are many books that discuss how to celebrate the holidays. *Inviting God In* explains why we should celebrate. Using biblical references, anecdotes, and teaching tales, Rabbi David Aaron takes us through the Jewish calendar year and explains how each holiday, from the most joyous to the most somber, reveals God's ever-present love for us. Passover, for example, celebrates unconditional love. Shavuot reminds us of freedom and our power to take responsibility. Rosh Hashanah is about the joy of accountability, and Yom Kippur sanctifies compassion and forgiveness. Rabbi Aaron helps us to awaken our soulful connection to the dramatic events that occurred on those days and to experience the holidays as opportunities to revitalize our personal relationship with God. Rabbi Aaron is an enthusiastic guide, and his fresh view of the holidays will enliven and enrich traditional celebration. *Inviting God In* will inspire both practicing Jews who want to reinvigorate their observance of the holidays and secular Jews searching for a meaningful way to reconnect with their Jewish roots.

Through A Bible Lens Mel Alexenberg, 2019-01-08. *Through a Bible Lens: Biblical Insights for Smartphone Photography and Social Media* by Professor Mel Alexenberg teaches people of all faiths how biblical insights can transform smartphone photography and social media into creative ways for seeing spirituality in everyday life. It develops conceptual and practical tools for observing, documenting, and sharing reflections of biblical messages in all that we do. It speaks to Jews and Christians who share an abiding love of the Bible by inspiring the creation of a lively dialogue between our emerging life stories and the enduring biblical narrative. The author is an artist, educator, and writer exploring the interface between biblical consciousness, creative process, and postdigital culture. His artworks are in the collections of museums worldwide. He was professor at Columbia University and research fellow at MIT Center for Advanced Visual Studies. In Israel, head of Emunah College School of the Arts and professor at Ariel and Bar Ilan universities. He is author of *The Future of Art in a Postdigital Age: From Hellenistic to Hebraic Consciousness*. *Through a Bible Lens* speaks in the language of today's digital culture of smartphones and social media. It demonstrates to both young and old the most up-to-date thoughts on the interactions between The Bible and the impact of new technologies on contemporary life. Christians and Jews will enjoy sharing the book's spiritual messages with their children and grandchildren. Professor Alexenberg draws on six Divine attributes in the biblical verse: Yours, God, are the Compassion, the Strength, the Beauty, the Success, the Splendor, and the Foundation of everything in heaven and earth. Chronicles 1:29 to demonstrate how smartphone photographers become God's partners in creation when photographing daily life through a Bible lens. He describes how the lives of biblical personalities exemplify these Divine attributes. Abraham and Ruth embody Compassion; Isaac and Sarah are models of Strength; Jacob and Rebecca represent Beauty; Success is demonstrated by Moses and Miriam; Splendor by Aaron and Deborah; and Foundation by Joseph and Tamar. There is a confluence emerging in the 21st century between biblical consciousness and a postdigital culture that addresses the humanization of digital technologies. Both share a structure of consciousness and its cultural expression that honors creative process and seeing with a different spirit, like Caleb who saw
