Selected And New Poems 1961 1981:

Selected & New Poems, 1961-1981 Jim Harrison, 1989 This collection marked Jim Harrison's return to the world of poetry after a seven year hiatus. Spanning the entirety of Harrison's long productive career, these poems begin with *Plain Song*, his first volume of poetry, and end with a sampling of some of his most recent verse. As with his prose, Harrison's poetry is informed by his distinctive blend of courage, intelligence, and wit. Avoiding both academic formalism and the vogue of hygienic confessions, these poems speak from the heart with a power that derives from keen observation and a prodigious command of the language. *Selected and New Poems* Jim Harrison, 1982-08

Conversations with Jim Harrison, Revised and Updated Robert DeMott, 2018-12-18 *Conversations with Jim Harrison, Revised and Updated* offers a judicious selection of interviews spanning the writing career of Jim Harrison, 1937-2016, from its beginnings in the 1960s to the last interview he gave weeks before his death in March 2016. Harrison labeled himself and lived as a quadra schizoid writer. He worked in fiction, poetry, nonfiction, and screenwriting, and he published more than forty books that attracted an international following. These interviews supply a lively narrative of his progress as a major contemporary American author. This collection showcases Harrison's pet peeves, his candor and humility, his sense of humor, and his patience. He does not shy from his authorial obsessions, especially his efforts to hone the novella, for which he is considered a contemporary master. The frequency with which he defied polite narrative conventions and created memorable, resolute female characters. Each conversation attests to the depth and range of Harrison's considerable intellectual and political preoccupations, his fierce social and ecological conscience, his aesthetic beliefs, and his stylistic orientations in poetry and prose. **Devouring Time**

Todd Goddard, 2025-11-04 *Devouring Time* is the definitive biography of Jim Harrison, one of America's most beloved writers and a penetrating deep dive into the life of the talent behind *Legends of the Fall*, *Dalva*, and *True North*. Jim Harrison, 1937-2016, was widely considered one of the finest voices of his generation. His twenty-one books of fiction and fourteen books of poetry influenced a generation of writers. Harrison helped to shape the course of contemporary American literature, revitalizing in particular the novella form, of which he was a recognized master. Harrison's literary achievements were matched only by the literary persona that he cultivated during a fecund time in American letters and in the company of a remarkable cohort of friends, writers, actors, and artists, including Thomas McGuane, Peter Matthiessen, Jimmy Buffett, and Jack Nicholson. His articles for such magazines as *Sports Illustrated*, *Playboy*, *Esquire*, and *Outside* in the 1970s won him a loyal readership who reveled in his high spirits and prodigious appetites. For all his notoriety as a writer of prose, however, poetry remained his first and longest abiding love. He cherished his geographic remoteness from what he called the dream coasts of New York City and Los Angeles, preferring to hunt fish and drink in the backwoods bars of Michigan, Arizona, and Montana. Based on more than one hundred original interviews and drawing upon Harrison's collected papers, *Devouring Time* is the first and only literary biography of this beloved author whose playful, irreverent, and spiritual work continues to find and
