Murder Of Jill Dando:

Who Murdered Jill Dando and Why? James Phillips,2010-08-04 Jill Dando a British Television Programmmes Presenter was murdered in a bizarre Professional Commando Style on the doorstep of her home with her head forced into ground and a one shot bullet with most of the propellant removed to fit a one shot gun It was specially silenced to kill her quietly with a soft brain tissue kill A fall guy Patsy was charged by Police very quickly in a few days but only after the Police had spent a year of no success in the investigation The fall guy was convicted in an appalling Miscarriage of Justice trial on flimsy evidence After 6 years in prison a second trial jury set him free as innocent of the crime another 1 million victim compensation and 25 million wasted by Police Yet again another in a long line of continuous poor British Police investigations that British taxpayers are forced to endure by their rotten Governments with nobody ever loosing their jobs when corruption and misfeasance allegedly may have occurred in the Police

All about Jill David James Smith,2002 On 26 April 1999 BBC presenter and Golden Girl Jill Dando was gunned down outside her home in a quiet West London street in broad daylight It was a seemingly senseless killing that stunned the nation There were rumours of hired gunmen and revenge killings but the man seen leaving the scene of the crime was not identified until much later when local man Barry George was charged and put on trial and subsequently found guilty of Jill s murder Three years after Jill s death prizewinning reporter David James Smith s book written with the co operation of Jill s family fiance Alan Farthing and the police supplies the richly detailed context of one of the most enduring murder mysteries of modern times

Fight to Clear Barry George Mike Burke,2012-06-20 When I first heard that Barry George was arrested for the murder of Jill Dando I was shocked but did not think that he was guilty I decided that I would offer Barry and his mother my unconditional support which was accepted I helped him to get a good defence team and followed the case with close interest I thought the Crown might produce hard evidence at the committal hearing and was horrified when he was sent for trial on the little evidence which they had When seven months after his arrest the Home Office bowed to pressure and finally allowed me to visit him I became a regular visitor I was there when he was convicted and the following day I told the UK that he was innocent A rift in his supporters then opened but we all had the same aim justice for Barry One day a respected reporter asked me If Barry did not kill Jill Dando then who did I had never given that any thought but I would in the future What I discovered was disturbing and I came to believe that the real killer may have slipped under the radar while potentially vital evidence was ignored the crime scene destroyed red herrings chased as the trail went cold Following Barrys failed appeal I set up website and later formed a small but well supported campaign group We took every opportunity to

highlight doubts and discrepancies After a few bleak years with our help the BBC Panorama exposed serious flaws in the Crowns case We were on the road to victory and two years later we arrived Barry and I then went our separate ways but reconciled eventually But this story will not end until the murder of Jill Dando is properly solved or explained I have not given up hope on that and I would like to think that this book might inspire the powers that be to have a more in depth review of all the evidence old and new Not to do so would be remiss of them and an affront to justice Mike Burke June 2012 [The Jill Dando Murder Mystery](#) Thomas McKenzie,2023-09-24 The murder of the BBC television presenter Jill Dando shocked Britain in 1999 But who really killed her by shooting her on the doorstep of her home Was it a professional hitman or a disturbed stalker Was it a Serb hit squad Was it an establishment conspiracy There are certainly no shortage of theories In this book we shall attempt to solve this mystery once and for all [Jill Dando](#) Brian Cathcart,2001-01-01 She was attractive successful and at the age of 37 about to marry the man she loved Then with a single bullet to the head on her own doorstep and in broad daylight she became Britain s most famous murder victim *Who Killed Jill Dando? the Case of Barry S.
