Murder On The Lovers Bridge:

Murder on the Lovers' Bridge Ellen Godfrey, 1999-06 Janet Barkin and the Women s Rescue Company decide to protect Nita Monez from her harassing lover Paul Moro When Paul is shot the finger of suspicion is pointed at Janet **Murder on the Lover's Bridge** Godfrey, *Mystery Women, Volume Three (Revised)* Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **The Death of a Constant Lover** Lev Raphael, 2000-05-22 Murder erupts in the cutthroat world of academia and Nick Hoffman wonders with his review coming up if it isn't more than his job that's on the line **The Crime Movie and TV Lover's Guide to London** Charlotte Booth, Brian Billington, 2024-12-30 London has been a favorite city for film directors to shoot on location for decades as it houses some of the most iconic British landmarks as well as beautiful historic buildings With the constant regeneration of the city there are also inevitably some shifty looking derelict sites just perfect for despicable criminal activities to be shot That is what this book is about Have you ever wondered where Hatcher Harry's office was in *Lock Stock and Two Smoking Barrels* where Mitchel gets stabbed in *London Boulevard* where the final fight took place between the Millwall and Chelsea gangs in the *Football Factory* or where Poirot's flat was in the iconic TV series You will be able to visit all of these locations using this book You can also take a tour of your favorite movie's locations go on a crime movie pub crawl although be warned there are a lot of pubs in crime movies take a chilled walk through cemeteries and churches or even create your own tours based on postcode In this book you will find more than 630 locations from 76 crime movies and 12 crime related TV shows The book also has more than 100 images taken around the city showing the locations as you will see them today to help you channel your inner Danny Dyer Poirot or even Kingsman
