Pacifist Impulse In Historical Perspective:

The Pacifist Impulse in Historical Perspective International Conference On The Pacifist Impulse I, Peter Brock, International Conference on the Pacifist Impulse in Historical perspec, 1996-01-01 This volume of twenty three essays appears in recognition of the emergence of peace history as a relatively new and coherent field of learning these essays were presented at an international conference The Pacifist Impulse in Historical Perspective Together the essays in this book explore the ideas and activities of persons and groups who for two millennia have rejected war and urged non violent means of settling conflicts

Pacifism, Just War, and Tyrannicide David M. Gides, 2012-03-02 Dietrich Bonhoeffer s perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer s theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer s political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer s malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking

The Daily Discoveries of a Bible Scholar and Manuscript Hunter: A Biography of James Rendel Harris (1852-1941) Alessandro Falcetta, 2018-05-31 This is the first full biography of James Rendel Harris 1852 1941 Bible and patristic scholar manuscript collector Quaker theologian devotional writer traveller folklorist and relief worker Drawing on published and unpublished sources gathered in the United States Europe and the Middle East many of which were previously unknown Alessandro Falcetta tells the story of Harris s life and works set against the background of the cultural and political life of contemporary Britain Falcetta traces the development of Harris s career from Cambridge to Birmingham the story of his seven journeys to the Middle East and of his many campaigns from religious freedom to conscientious objection The book focuses upon Harris s innovative contributions in the field of textual and literary criticism his acquisitions of hundreds of manuscripts from the Middle East his discoveries of early Christian works in particular the Odes of Solomon his Quaker beliefs and his studies in the cult of twins His enormous output and extensive correspondence reveal an indefatigable genius in close contact with the most famous scholars of his time from Hort to Harnack Nestle the Sisters of Sinai and Frazer

Red Cross Interventions in Weapons Control Ritu Mathur, 2017-10-24 This book explores how the International Committee of the Red Cross ICRC a

leading humanitarian actor addresses the problem of weapons A triangulation of strategies such as testimonialization medicalization and legalization are investigated with the help of critical security studies literature to cultivate an understanding of an effects based approach to weapons The attempt here is not only to introduce some innovative conceptual tools but also to provide a coherent and critical narrative of the experiences of the ICRC vis vis states to regulate and prohibit weapons This experiential account of the ICRC s engagement with the problem of weapons is significant as it produces an empowering alternative discourse making visible subjugated knowledge in the field of arms control and disarmament

Bertrand Russell and Albert Einstein - Builders of Peace Claudio Giulio Anta, Bertrand Russell and Albert Einstein had very different cultural backgrounds and personalities At the same time they were united in their tenacious battle for peace it began with the Great War and culminated in their famous 1955 Manifesto Through various kinds of pacifism they sought to encapsulate the dilemmas and problems that derived from the changed political conditions of his time the beginning of the Great War the creation and failure of the League of Nations the affirmation of totalitarian regimes the outbreak of the Second World War the origin of the atomic age and the escalation of the Cold War the establishment of the UN with its political and institutional weakness and the need for a world government in the form of a world federation Their reflections on the subject of peace led them into dialogue with some of the greatest figures of their time R Rolland Th Woodrow Wilson V I Lenin F D Roosevelt J F Kennedy N Khrushchev F Castro S Freud L Szil rd and E Reves

Worth Fighting For Lara Campbell, Michael Dawson, Catherine Gidney, 2015-04-02 Historians veterans museums and public education campaigns have all documented and commemorated the experience of Canadians in times of war But Canada also has a long rich and important historical tradition of resistance to both war and militarization This collection brings together the work of sixteen scholars on the history of war resistance Together they explore resistance to specific wars including the South African War the First and Second World Wars and Vietnam the ideology and nature of resistance national ethical political spiritual and organized activism against militarization such as cadet training the Cold War and nuclear arms As the federal government continues to support the commemoration and celebration of Canada s participation in past wars this collection offers a timely response that explores the complexity of Canada s position in times of war and the role of social movements in challenging the militarization of Canadian society

Crisis of Conscience Amy J. Shaw, 2009-07-01 The First World War s appalling death toll and the need for a sense of equality of sacrifice on the home front led to Canada s first experience of overseas conscription While historians have focused on resistance to enforced military service in Quebec this has obscured the important role of those who saw military service as incompatible with their

religious or ethical beliefs *Crisis of Conscience* is the first and only book about the Canadian pacifists who refused to fight in the Great War The experience of these conscientious objectors offers insight into evolving attitudes about the rights and responsibilities of citizenship during a key period of Canadian nation building **Encyclopedia of Protestantism** Hans J. Hillerbrand, 2004-08-02 This Encyclopedia is the definitive reference to the history and beliefs that continue to exert a profound influence on Western thought *European Feminisms, 1700-1950* Karen M. Offen, 2000 This ambitious book explores challenges to male hegemony throughout continental Europe over the past 250 years For general readers and those interested primarily in the historical record it provides a comprehensive comparative account of feminist developments in European societies as well as a rereading of European history from a feminist perspective By placing gender or relations between women and men at the center of European politics it aims to reconfigure our understanding of the European past and to make visible a long but neglected tradition of feminist thought and politics On another level the book seeks to disentangle some misperceptions and to demystify some confusing contemporary debates about the Enlightenment reason nature and public vs private equality vs difference In the process the author aims to show that gender is not merely a useful category of analysis but that sexual difference lies at the heart of human thought and politics
