

# Package Development :: CHEAT SHEET

## Package Structure

A package is a convention for organizing files into directories. This cheat sheet shows how to work with the 7 most common parts of an R package:

There are multiple packages useful to package development, including **usethis** which handily automates many of the more repetitive tasks. Load and install **devtools** which wraps together several of these packages to access everything in one step.

## Getting Started

Once per machine:

- Get set up with `use_r_profile()`

```
if (interactive()) {
  require("devtools", quietly = TRUE)
  # automatically attaches usethis
}
```

- `create_github_token()` – Set up Github credentials
- `git_vacillate()` – Ignores common special files

Once per package:

- `use_git()` – Activate git
- `use_github()` – Connect to Github
- `use_github_actions()` – Set up automated checks

Having problems with git? Get a situation report with `git_sitrep()`.

## Workflow

- `load_all()` (Ctrl/Cmd + Shift + L) – Load code
- `document()` (Ctrl/Cmd + Shift + D) – Rebuild docs and NAMESPACE
- `test()` (Ctrl/Cmd + Shift + T) – Run tests
- `check()` (Ctrl/Cmd + Shift + E) – Check complete package

## R/

All of the R code in your package goes in `R/`. A package with just an `R/` directory is still a very useful package.

- Create a new package project with `create_package("path/to/name")`.
- Create R files with `use_r("file-name")`.

- Follow the tidyverse style guide at [style.tidyverse.org](https://style.tidyverse.org)
- Click on a function and press **F2** to open its definition
- Find a function or file with **Ctrl + ,**

## DESCRIPTION

The `DESCRIPTION` file describes your work, sets up how your package will work with other packages, and applies a license.

- Pick a license with `use_mit_license()`, `use_gpl_license()`, `use_proprietary_license()`.
- Add packages that you need with `use_package()`.

Import packages users of your package need. It will install them when it installs your package.

Suggest packages that developers of your package need. Users can install or not, as they like.

## NAMESPACE

The `NAMESPACE` file helps you make your package self-contained. It won't interfere with other packages, and other packages won't interfere with it.

- Export functions for users by placing `@export` in their rxygen comments.
- Access objects from other packages with `package::object` or `@importFrom package object` (recommended) or `@import package` (use with caution).
- Call `document()` to generate `NAMESPACE` and `load_all()` to reload.

| DESCRIPTION                     | NAMESPACE                                  |
|---------------------------------|--------------------------------------------|
| Makes <b>packages</b> available | Makes <b>function</b> available            |
| Mandatory                       | Optional (can use <code>::</code> instead) |
| <code>use_package()</code>      | <code>use_import_from()</code>             |

# Package Print The Development Of Conta

**Chao Zhang**

**Package Print The Development Of Conta:**

If you ally infatuation such a referred **Package Print The Development Of Conta** book that will offer you worth, get the agreed best seller from us currently from several preferred authors. ### **Package Print The Development Of Conta Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Package Print The Development Of Conta has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Package Print The Development Of Conta has opened up a world of possibilities. Downloading Package Print The Development Of Conta provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Package Print The Development Of Conta has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Package Print The Development Of Conta. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Package Print The Development Of Conta. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Package Print The Development Of Conta, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Package Print The Development Of Conta has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Package Print The Development Of Conta Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Package Print The Development Of Conta is one of the best book in our library for free trial. We provide copy of Package Print The Development Of Conta in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Package Print The Development Of Conta. Where to download Package Print The Development Of Conta online for free? Are you looking for Package Print The Development Of Conta PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Package Print The Development Of Conta. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Package Print The Development Of Conta are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories

represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Package Print The Development Of Conta. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Package Print The Development Of Conta To get started finding Package Print The Development Of Conta, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Package Print The Development Of Conta So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Package Print The Development Of Conta. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Package Print The Development Of Conta, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop.
