A Grand Complication Stacy Perman,2013-02-19 The race between two ambitious complicated men in the early 1900s to create the most extravagant complicated timepiece ever *"Ask the Man Who Owns One"* Arthur W. Einstein, Jr.,2014-01-10 A major force in the American automobile scene through the 1950s Packard made a mark on American advertising as well The cars themselves seemed built for promotion the red hexagon in the hubcap the yoke grille and the half arrow belt line molding acted as a logo of sorts setting a new standard in visual continuity and branding The company s image became so

firmly established in fact that Packard eventually ran advertisements which pictured the cars but purposely omitted the name instead asking readers to guess what name it bears This book traces Packard s advertising history from 1900 through 1958 based on original research that includes several first hand interviews with the people who made it happen Filled with reproductions of Packard ads some in color the book looks beyond the surface to examine how the advertisements reflect and interpret the company s management and business convictions how they were influenced by business conditions and competitive pressure and how they changed with the times The Lincoln Story Thomas E. Bonsall,2004 Lincoln s heritage is as rich as that of any car built anywhere in the world and more impressive than all but a few Generations of Americans have known it as the Car of Presidents since the days of Franklin Roosevelt the White House has exhibited a marked preference for Lincolns This comprehensive illustrated history describes in detail the successes and failures of the Lincoln from World War II up to the present day Aviator It discusses the forces in the market and in Ford Motor Company that have affected the Lincoln and is a must read for anyone interested in this classic marque The Cadillac Story Thomas E. Bonsall,2004 The Cadillac story is more than the story of a car company It is in many ways the story of the American automobile industry itself which as much as any industry drove America s growth in the twentieth century and defined who we are as a people For generations of Americans Cadillac epitomized expansive prosperity This illustrated history of Cadillac presents all the triumphs and failures of the marque s last sixty years from the good times through the disastrous 1980s and up to the current reconstitution of the brand **A History of the Packard Motor Car Company from 1899 to 1929** John Parker,1949 **Coast to Coast by Automobile** Curt McConnell,2000 McConnell cuts through the fiction legends and industry produced propaganda that have long surrounded the first transcontinental automobile trips as he relates long lost personal accounts by pioneering travelers 140 illustrations
