LittleFork

Chronicles D.E. Gilmore, 2023-07-20 Somewhere between the tiny northern Minnesota towns of Littlefork and Ray flows the raging Rat Root River If one was to follow the river north toward International Falls one would come upon an animal kingdom called Timbertown This is not really a town in the sense that we would know it but more a collection of dens and burrows and beaver houses where animals who have lived in harmony for some time have learned to congregate and communicate There are probably many such animal communities in northern Minnesota however Timbertown is different because it has a story to tell There is a legend that came out of Timbertown about a bear a beaver and a boar I don't know when this legend started for I of course wasn't there but I think it was some time ago many generations ago perhaps
