The Dominican Mission Frontier of Lower California Peveril Meigs, 2023-12-22 The network of missions founded under the Dominicans in the latter part of the eighteenth century in northern Baja California established there a new and distinct culture landscape Although at the very doorway of Alta California these missions have remained almost unknown A geographic analysis of them has not heretofore been attempted and history has so greatly neglected them that the very existence of the last two missions has been overlooked or questioned The present study based upon field work from 1925 to 1929 and upon such written knowledge as is available delineates this almost forgotten scene of activity This title is part of UC Press's Voices Revived program which

commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 *Voices Revived* makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1935 **The California Padres and Their Missions** Charles Francis Saunders, Joseph Smeaton Chase, 1915 History and description of the California missions **The Missions and Missionaries of California** Zephyrin Engelhardt, 1908 Comprehensive history of the Jesuit Franciscan and Dominican missionaries in Lower California and of the Franciscans in Upper California *The Missions and Missionaries of California* Zephyrin Engelhardt, 1908 *Intimate Frontiers* Albert L. Hurtado, 2016-04-25 This book reveals how powerful undercurrents of sex gender and culture helped shape the history of the American frontier from the 1760s to the 1850s Looking at California under three flags those of Spain Mexico and the United States Hurtado resurrects daily life in the missions at mining camps on overland trails and sea journeys and in San Francisco In these settings Hurtado explores courtship marriage reproduction and family life as a way to understand how men and women whether Native American Anglo American Hispanic Chinese or of mixed blood fit into or reshaped the roles and identities set by their race and gender Hurtado introduces two themes in delineating his intimate frontiers One was a libertine California and some of its delights were heartily described early in the 1850s Gold dust was plentier than pleasure pleasure more enticing than virtue Fortune was the horse youth in the saddle dissipation the track and desire the spur Not all the times were good or giddy and in the tragedy of a teenage domestic who died in a botched abortion or a brutalized Indian woman we see the seamy underside of gender relations on the frontier The other theme explored is the reaction of citizens who abhorred the loss of moral standards and sought to suppress excess Their efforts included imposing all the stabilizing customs of whichever society dominated California during the Hispanic period arranged marriages and concern for family honor were the norm among the Anglos laws regulated prostitution missionaries railed against vices and proper women were brought in to help civilize the frontier [The Missions and Missionaries of California: Lower California](#) Zephyrin Engelhardt, 1908
