Paganism in Romanian Folklore Marcu Beza, 2013-10 This is a new release of the original 1928 edition

Cross-Disciplinary Approaches to the English Language Crina Herteg, Rodica Pioariu, Teodora Popescu, 2011-09-22

Cross Disciplinary Approaches to the English Language Theory and Practice provides an overview of a less tackled field of research namely the main issues at stake when teaching English Language and Culture in Romania The approach is an interdisciplinary and cross cultural one as the authors investigate problems offering and probing solutions from a cross curricular perspective The book is a collection of 10 contributions by teachers and researchers from Romania which draw on theoretical and applied methodological explorations into the challenges posed by teaching learning English in a globalised context Organised into three main chapters the volume addresses the multifacetedness of language education as a cross discipline The complexity and universality of the research enquiries and practical insights make the topics addressed valid across the contemporary globalising educational context Cross Disciplinary Approaches to the English Language Theory and Practice will be a useful tool to specialists and practitioners from ESP and CLIL domains alike as well as graduate and postgraduate students in foreign language teaching

Islam in the Balkans H. T. Norris, 1993 From the earliest times also many Balkan Muslim soldiers and bureaucrats as well as scholars and poets made an impact on the wider Islamic world the most prominent being Mohammed Ali the founder of modern Egypt Romania Revisited Alan Ogden, 2022-08-01 Romania Revisited is the definitive story of the journeys made by English travelers to Romania between 1602 and 1941 The author Alan Ogden interweaves the impressions of previous generations into the witty account of his own journeys made in the summer and winter of 1998 Starting with the Transylvanian adventures of Captain John Smith in 1602 the bibliography is the most detailed inventory yet published of English travel writing on Romania The author's own journey is a comprehensive and perspicacious review of today's Romania Ogden focuses on the heritage and art of the country while providing a delightful account of his own experiences en route The book is illustrated with the author's own photographs based on the work of Kurt Hielscher in 1933 and with helpful maps drawn by the author Romania Revisited makes a valuable contribution to the study of the external perception of Romania over the centuries and is the perfect travel companion for today's visitor

Transcultural Montage Christian Suhr, Rane Willerslev, 2013-10-01 The disruptive power of montage has often been regarded as a threat to scholarly representations of the social world This volume asserts the opposite that the destabilization of commonsense perception is the very precondition for transcending social and cultural categories The contributors anthropologists filmmakers photographers and curators explore the use of montage as a heuristic tool for comparative analysis in anthropological writing film and exhibition making Exploring phenomena such as human perception memory visibility ritual time and globalization they apply montage to restructure our basic understanding of social reality Furthermore as George E Marcus suggests in the afterword the power of montage that this volume exposes lies in its ability

to open the very combustion chamber of social theory by juxtaposing one's claims to knowledge with the path undertaken to arrive at those claims

[Trials of the Moon](#) Ben Whitmore, 2010 The creation myths of modern witchcraft and Paganism were decisively toppled at the turn of this century in Ronald Hutton's celebrated book *Triumph of the Moon*. But did Hutton topple more than just myths? Are some truths also hidden in the rubble? Did paganism really die out centuries ago? Was witchcraft really no more than a fantasy? Were the Gods of Wicca really born out of the Romantic movement? Did Gerald Gardner lie about his initiation into witchcraft? Ben Whitmore has retraced many of Hutton's steps critically evaluating the evidence and he now suggests that the truth may be quite different and even more fascinating. Drawing on a wealth of scholarly material, Whitmore demonstrates that the field of Pagan history is anything but barren ground: it is rich and fertile and we have barely begun to cultivate it.
