Pagano-Papismus: or, an Exact Parallel between Rome-Pagan, and Rome-Christian, in their doctrines and ceremonies. Copious MS. notes Joshua Stopford,1844 **The Last Pagans of Rome** Alan Cameron,2011 Rufinus vivid account of the battle between the Eastern Emperor Theodosius and the Western usurper Eugenius by the River Frigidus in 394 represents it as the final confrontation between paganism and Christianity It is indeed widely believed that a largely pagan aristocracy remained a powerful and active force well into the fifth century sponsoring pagan literary circles patronage of the classics and propaganda for the old cults in art and literature The main focus of much modern scholarship on the end of paganism in the West has been on its supposed stubborn resistance to Christianity The dismantling of this romantic myth is one of the main goals of Alan Cameron s book Actually the book argues Western paganism petered out much earlier and more rapidly than hitherto assumed The subject of this book is not the conversion of the last pagans but rather the duration nature and consequences of their survival By re examining the abundant textual evidence both Christian Ambrose Augustine Jerome Paulinus Prudentius and pagan Claudian Macrobius and Ammianus Marcellinus as well as the visual evidence ivory diptychs illuminated manuscripts silverware Cameron shows that most of the activities and artifacts previously identified as hallmarks of a pagan revival were in fact just as important to the life of cultivated Christians Far from being a subversive activity designed to rally pagans the acceptance of classical literature learning and art by most elite Christians may actually have helped the last reluctant pagans to finally abandon the old cults and adopt Christianity The culmination of decades of research *The Last Pagans of Rome* will overturn many long held assumptions about pagan and Christian culture in the late antique West *The Christian World* ,1852 **Abstinence and Holiness, Embracing Self-Deprivation** Joshua A. Fogel,2023-12-15 The Babylonian Talmud is a product of late antique rabbinical discourse and debate It is an immense complex multi volume work divided by topics into tractates which are written in a mixture of Hebrew and Aramaic Tractate

Nazir deals with a person male or female who basically assumes three abstentions for a defined period of time no wine or product of the grapevine no cutting of bodily hair and no contact with a human corpse The practice itself is controversial within Judaism Nonetheless virtually every conceivable factor involved in a vow to be a nazir is debated by the rabbis in this tractate and in great detail This volume is arranged by Talmudic folio pages and is aimed at explaining the intricacies of the original text It may be read on its own and in conjunction with the tractate itself as an aid to understanding *The Pagan In Recovery: The Twelve Steps From A Pagan Perspective* Deirdre A. Hebert, 2011-06-11 The Twelve Steps developed by Alcoholics Anonymous are powerful tools to transform the lives of people who struggle with addiction co dependency and compulsive behaviors Unfortunately Pagans in recovery are likely to struggle with the Christian assumptions and language found in many of these programs This book is intended to support a Pagan s participation in any Twelve Step program by showing that the effectiveness and relevance of these tools does not depend on a specific religious or spiritual tradition This book attempts to bridge the gap between the Christian and Pagan understanding of the Twelve Steps while remaining faithful to the original Twelve Step process The Pagan in Recovery is the result of Deirdre Hebert s ability to live her Pagan faith in the midst of a program with a deeply Christian heritage and demonstrates that anyone of any faith can experience freedom from addictions compulsive or co dependent behaviors through this process **Pagan Paths** Peter Jennings, 2008-09-04 Revised 20th anniversary edition Embrace your magickal awakening with this essential guide to modern paganism From Wicca to Druidry Shamanism to Heathenry Paganism is bound together by a collection of spiritual paths that are rooted in the ancient religions of our world In this enlightening guide pioneer of the modern Pagan movement Pete Jennings introduces the core concepts of each unique strand of Paganism explaining their foundations beliefs and practices to help you in your own personal spiritual journey Exploring magick sacred sites celebrations and organisations and the pivotal role of nature and the divine this is your guide to finding the path that feels good and true to you Thoughts on A Pagan Life: Collected Essays Shanddaramon, 2010-08-24 A collection of essays by the Pagan author Shanddaramon
