Pain Has Made Me Strong:

All the Pain and Suffering Made Me Stronger Cruz Patiño, 2013-05-17 The book narrates a story of a woman who has suffered from childhood After the death of her father she felt that her life will never be the same again Since a child she suffered domestic violence and discrimination She was raped at the age of 10 and after having a baby she suffered painful criticisms from some relatives Desperate enough she left her country her son was barely a year old and went searching for the American dream After suffering psychological and physical abuse from her own brother she decided to welcome and start a relationship hoping it will change her thinking about life However that relationship turned to hell She loves her children the most so she had to work to be able to sustain their needs Even to the extent of risking her health she finds way to survive and be a mother to her kids She wants the best for her children and be able to give them a normal family She found a new relationship After a time what appeared to be a perfect relationship was changed by infidelity Death was the only perfect solution We need to trust God even during the most difficult times This is a story of inspiration and struggle for life and dreams Take a time to reflect You control your own future You decide for your own struggles its either you give up or you move forward I decided to get up and go forward you decide yours

The Long Road to Blessed Michael Williams,2018-12-14 Keep Putting One Foot in Front of the Other Have you ever felt like giving up Many of us experience struggle pain and loss and it can be hard to know what to do next Yet when we are confronted with obstacles or hardship God is there with us and will provide us with a way forward We must simply take the first step In The Long Road to Blessed author Michael Williams shares the unbelievable roller coaster of events that shaped his life While struggling to find his place in a confusing world he made many mistakes and suffered many losses Yet he overcome tremendous adversity to raise his family in a better way than he was taught Even in our most difficult moments God is there for us and he often uses what we have been through to help others learn from our experiences Hardships can

break us if we allow it but when we find something positive and rewarding to invest our time into we can have faith and the determination to stay true to ourselves and to the plan that God has set out in our lives Every great journey begins with one step forward *The Weddin' Day* Barbara L. Jent,2008-03 Turn back the pages of time to experience love and betrayal in the mountains of West Virginia one hundred years ago In *The Weddin Day* first time author Barbara L Jent calls on deep ancestral memories to spin a yarn based on the true story of her own great grandparents In their hands we see the frailties of love put to the test and the power of love to overcome all but this is much more than a tale of two star crossed lovers It is a passionate story of the land and the stubborn people who tenderly coaxed that life from the soil It is a glimpse of a bygone way of life virtually unchanged for 1 000 years or more as the winds of progress shake the mountains themselves Today those hills and valleys stand unchanged as do the recollections of the families who loved this way of life This is a tale of hardship and sacrifice but it is also a testament to the strength of family and the power of love It may be a story of a bygone place and time but it is also a reminder of all that truly matters in our world today Step back into that world of mountain life to see how deeply the heart can ache and how high it can soar on *The Weddin Day* **Sophia's Story** Susan McKay,2004-02-18 In 1995 Sophia McColgan s father was sentenced to prison for the serial rape and abuse of his children over many years He had first raped Sophia when she was only six It had taken immense courage on the part of Sophia and her family to bring the murky hidden world of family child abuse to the public gaze Then in 1998 Susan McKay published *Sophia s Story* one of the most acclaimed Irish books of modern times Now re issued with a new introduction by Susan McKay it records a triumph of the human spirit in the face of the most degrading and destructive betrayal of trust Sophia McColgan who now lives abroad was Irish Person of the Year in 1998 **Sorry** Orietta Bosch,2022-06-20 I promised to tell this story which colored by Yellow leaves you in suspense until the end I created this novel to leave a new message that one must have no regrets towards people one cared for who in the end turned out to be different to what you thought them to be Let it be them to regret on how they have behaved Enjoy loved ones close to you as long as you have the possibility to do so because afterwards life becomes cold like the marble of a tombstone My message is addressed to all those who are still fortunate enough to have a warm hearted chat with their family and for stupid trivialities and pride do not My book is also aimed at those who still have the possibility to embrace say a word of comfort or to apologize with sincerity take advantage of this because in the face of regrets there is no pity for those who remain because every unspoken phrase becomes a boulder that never stops weighing upon your life We have learned that respect is a direct by product that comes from humility to recognize one s mistakes the important thing is to realize it in time In this book I tell the story of two friends Marco and Chiara who after so much suffering found their serenity against everything and everyone they fought to win their love and live in peace because negativity had tormented them leaving them in solitude Everyone they loved had distanced themselves when they announced their desire to live together But only on that sad day when they were not anymore those who had betrayed them realised

what they had done Realising that they could no longer redress thier actions the only thing they could do was to cry until their tears ran out stricken with remorse I write this book with the presumption that these situations should never happen to anyone as I believe life is too short to live in unharmonious circumstances because one lives better in peace Peace a word that has been pronounced since the beginning of time we all seek it but in the end nobody really wants it it s ever so difficult to live with our fellow men in harmony respect and freedom I kid myself that each human being learns to be at peace with himself accepting his limitations his defects hoping that this will no doubt help him discover harmony with this magnificent world that surrounds us above all with one s family Human beings have strengthened them selves through struggles and the egotistical selfishness of conquest and become bored in short periods of peace I wish with all my heart and soul that in no family these unpleasant and hurtful situations of argueing and fighting with one another should happen and that everyone out of love and respect leave their pride and vanity outside the door and learn to apologize in the end the only ones who will really suffer will not be those who have been insulted but those who have offended I do not want to delve deeper into these unpleasant and hurtful topics I let you read this story in the hope that it makes you think and reflect There was a man who many years ago spoke of peace and love but was crucified Life is too short for you to wake up with regrets The last time I saw my friends protagonists of this book was just a few hours before a bad accident that took them away forever I had just retired and felt strange I never thought I would experience a feeling of emptyness when my working days were over
