Noack,1996-06-01 *From Emotional Pain to Peace* Mary Mactoria Carlton,2020-06-25 God has given our bodies the capability to heal both physically and emotionally He has given medical doctors the wisdom and knowledge to help our bodies heal physically and He has given psychologists the wisdom and knowledge to help us heal emotionally The healing process for physical and emotional pain is similar Let s take a peek inside to see how From Pain to Peace Vince M. Polizzi,2011-12-08 Bipolar Disorder carries a great stigma in the world today This is a true story of a survivor who never gave up Bipolar is a horrible disease that can paralyze the human spirit Life can be lived and dreams can still come true Trust God and let him show you the way **Raging Against Cages From Pain to Peace Coraje en contra de las barreras del dolor a la paz** Paloma de Pilar,2021-08-03 This book is written for survivors of traumatic events It is written in a poetic format since the author could not stay in those psychological and emotional spaces for long The book starts with poems dedicated to the loves of my life and mostly to my children so they are aware of my experiences as I was developing into their mother The economic hardships experienced as a young child in addition to the physical violations coupled with severe medical issues in my childhood these experiences left scars on my soul I have carried this story for many years and now can finally tell it without feeling afraid of facing it in retrospect It begins with asking for a witness to the pain and moves to a pledge to my Salvadoran abuelo during his last trip to the U S to see his children in the U S in 1991 His daughter s my mother s forty years of sacrificing her personal happiness to provide a home for us any way she could including allowing herself to bear domestic violence and economic abuse is also represented in these pages The second chapter explores the psychological labor pains of giving birth to my present independent self psychologically tearing down the ghost of memories and reckoning with my buried past life Writing and using the pen as my sword allowed me to conquer those memories and moments in the past where I was helpless to defend myself The memories described here shaped me but

they did not break me Setting these memories free like butterflies allowed me to open the cages in my mind setting my true self free I could no longer hold onto them they needed to flutter in freedom as I did I when I let them go "Line of Pain".. (War to peace) "Based on a true story" Rozina Khanam,2025-07-25 The book I ve written chronicles my parents extraordinary journey which began in India and took them to East Pakistan where they faced tension war and civil war ultimately leading to the birth of Bangladesh They then became prisoners of war in India and their life in captivity is part of the story Finally they returned to West Pakistan This personal and historical narrative spans multiple countries and significant events offering a unique perspective on the region s turbulent past From the turmoil of war to the resilience of the human spirit and hope My parents story is one of courage survival and the unbreakable bonds of family I m grateful to my parents who helped me write this story At the time of freedom my father was 33 years old and my mother was 27

Living the Truth in Love Janet Smith, Ph.D.,2015-10-05 Living the Truth in Love grew out of the desire to provide answers to the questions posed in the Lineamenta for the Synod on Marriage of 2015 in Rome How can the Christian community give pastoral attention to families with persons with homosexual tendencies What are the responses that in light of cultural sensitivities are considered to be most appropriate While avoiding any unjust discrimination how can such persons receive pastoral care in these situations in light of the Gospel How can God s will be proposed to them in their situation 40 People who want to be instruments of Christ s love to those who experience same sex attraction among them our children brothers and sisters aunts and uncles parents friends and coworkers seek guidance on how best to do so We need to listen to the stories of those who experience SSA and the stories of those who have accompanied them on their journeys We also need to ground our responses in a genuine

Christian understanding of the human person and of human sexuality More and more of those who have left the gay life style are telling their stories stories that disclose that engaging in homosexual sexual acts has not delivered the happiness sought Fortunately for many there is a second chapter to the story a beautiful story of falling in love with Jesus and his Church of finding an ennobling understanding of the truth of the human person Their journeys and transformations have often been facilitated by family members and friends counselors and spiritual directors who have been affirming and accepting of those who experience same sex attraction without approving all their choices Those who courageously face the realities of their lives and resolutely make the changes necessary a process generally involving a significant amount of suffering prayer commitment to the sacraments and a refashioning of relationships eventually find peace not misery in accepting the Church's teaching on sexuality In their willingness to undergo conversions of many kinds and in their desire to seek holiness and live lives of complete self giving they become witnesses of the saving power of Jesus love and the graces he bestows on those who love him This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of St Pope John Paul II's personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ's healing love Several of those who experience SSA tell their touching and inspiring stories

Where Pain Meets Peace Jana Hernandez, 2017-11-27 As we contemplate our lives it is difficult to imagine that pain will be a piece of this beautiful puzzle called life a necessary component to becoming who we are meant to become Pain simply put is a part of the human experience Each of us will experience pain differently some will travel the ups and downs of life with ease while others remain in the valley until the view from the mountain fades to a distant memory It is easy to stand on mountain tops and experience gratitude and joy in the smallest things in life It is easy to pour our hearts out in prayer to a God that we know stands directly beside us It is in the valleys where pain breeds sorrow that we become lost and often question if God is even with us We are blinded to the truth that He remains with us in darkness illuminating its true beauty It is at this point that for many of us faith begins to fade and hope feels lost In the valley not only does He remain with us but He also shows us how to grow and how to experience true joy amid the pain we are guaranteed to experience The pain will not disappear but it will dissipate as the experience changes It is at this point that you will likely discover that your deepest pain will become something that you can be truly grateful for Whether mountain or valley the view remains the same breathtaking In the moments we are lost the Creator of the universe leaves us a message He surrounds us each day in nature Nature holds the answers to survive and thrive in our deepest pain the place where pain meets peace
