Foster, 2011-02-22 A trapped cosmic creature may drive the whole world mad unless the spellsinger can set it free Foster knows how to spin a yarn Starlog It's an ordinary day in the Bellwoods save for the fact that Jon Tom the spellsinger has awoken as a six foot blue crab He soon reverts to normal as normal as a college student trapped in a world of magic and talking animals can be anyway but the bizarre changes keep happening affecting not just him but the whole of this strange world His wizardly mentor suspects these are the effects of the perambulator a cosmic being whose presence distorts reality One has been imprisoned in the mountains and unless they free it it will rip the world to shreds one insane illusion at a time So Jon Tom sets out backed by the wizard a boozehound owl a gutter minded otter and a warrior koala with a taste for leather Saving the world will be a cinch as long as they don't lose their minds along the way

The Unknown Bridesmaid Margaret Forster,2019-10-08 A child psychologist struggles to come to grips with her own dark childhood memories in this mesmerizing unsettling novel The New York Times When eight year old Julia was asked to be a bridesmaid at her cousin s wedding she was thrilled Nothing not even her mother s resentment of the expensive inconvenient traveling could dull her excitement But when the day finally arrived and she took her cousin s baby on a secret stroll around the block in his pram her entire world shifted She couldn t possibly know the impact the fateful trip would have on her future A lifetime later Julia is a child psychologist working with young girls at risk In her sessions Julia has a knack for determining which of her young patients are truly troubled and which are simply at the mercy of the oppressive adults around them In this quietly powerful story of the relationship between past and current reality Julia s own troubled childhood begins to invade her present and she is forced to confront the events of that day and discover whether the truth about her past and her guilt is as devastating as she has always feared The book it most reminded me of was Julian Barnes s The Sense of an Ending There is the same sense of psychological detective story of piecing together the fragments of an unresolved past The Guardian A gripping read The Observer
