Pathways Thru The Bible:

Pathways Through the Bible Mortimer J. Cohen, 2002-02-01 JPS first published *Pathways Through the Bible* in 1946 selling over 250 000 copies It featured selections from the 1917 translation of the JPS Tanakh bridged by narrative summaries written by Rabbi Cohen Rabbi Stein replaced the 1917 JPS translation with the 1985 translation and has updated the prose and made the language gender sensitive This new edition shares the same essential features as the original especially the core principle that *Pathways Through the Bible* in Cohen s words is not intended to replace The Holy Scriptures it is rather to be regarded as preparatory to the reading of the Bible itself Its purpose is to open for you pathways into the magic realm of the greatest literature ever written 24 gold framed sepia illustrations *The Child's Pathway Through Bible and Gospel History* Mrs. Raymond BARKER, 1861 **The Pathway Through Bible & Gospel History in Questions and Answers** Ebenezer Cobham Brewer, 1874 *The Bible's Top 50 Ideas* Rabbi Dov Peretz Elkins, Abigail Treu, 2013-09-01 All the important moral ideas of the modern world are based on the key biblical verses analyzed in this collection What generally happens when someone picks up a copy of the Bible Often it is put down within seconds because readers see endless verses which turn them off Finally here is an accessible book about the Bible that focuses on its great moral principles Human beings are created in the image of God Love your neighbor as yourself You shall not stand idly by the blood of your neighbor You shall love the Lord your God with all your heart and with all your soul and with all your might Justice justice shall you pursue Dov Peretz Elkins believes that if a reader understands fifty verses of the five thousand in the Bible only 1 percent he or she will begin to grasp the essence of the Bible This remarkable explanation of the Bible shows readers how it can serve as a light that illuminates a path through the confusion and problems in their personal and communal lives The result is a life that is better and more serious a life with meaning purpose and direction The Bible s Top 50 Ideas Presents the Bible s essential ideas in readable engaging fashion Focuses on the contemporary value of the Bible Uses commentaries and explanations from sources that are modern as well as ancient Christian as well as Jewish and popular as well as scholarly Elkins not only simplifies the Bible but also demonstrates how its fundamental ideas and concepts have inspired four thousand years of civilization to follow its teachings The result is a moral legal and literary foundation that remains the basis of all democratic and principled societies to this day [JPS: the Americanization of Jewish Culture, 1888-1988](#) Jonathan D. Sarna, 2021-10 Published to mark the 100th anniversary of The Jewish Publication Society Jonathan Sarna s engaging blend of anecdote and analysis presents the personalities and the controversies the struggles and the achievements behind a century of publishing by the oldest English language publisher of Jewish books in the world Includes black and white photographs and extensive listings of JPS officers and editors governing boards and authors translators and illustrators up to 1988 **Arthur Szyk** Joseph P. Ansell, 2004-11-25 Best known among Jews for his illustrated Haggadah Arthur Szyk was also a political artist whose work went beyond a narrow definition of the Jewish cause In the early twentieth

century he worked tirelessly to strengthen the Jews position in Poland later in the United States he put his art at the service of the war effort and then on behalf of the Zionist cause A singular contribution to the history of Polish Jewish relations and of Jewish art

Reckless Rites Elliott Horowitz,2018-06-26 Historical accounts of Jewish violence particularly against Christians have long been explosive material Some historians have distorted these records for anti Semitic purposes Others have discounted dismissed or simply ignored the evidence often for apologetic purposes In *Reckless Rites* Elliott Horowitz takes a new and forthright look at both the history of Jewish violence since late antiquity and the ways in which generations of historians have grappled with that history In the process he has written the most wide ranging book on Jewish violence in any language and the first to fully acknowledge and address the actual anti Christian practices that became part of the playful theatrical violence of the Jewish festival of Purim He has also examined the different

ways in which the book of Esther upon which the festival is based was used by Jews and Christians over the centuries whether as an ancient mirror of modern tribulations or as the scriptural basis for anti Semitic claims regarding the bloodthirstiness of the Jews *Reckless Rites* reassesses the historical interpretation of Jewish violence from the alleged massacre of thousands of Christians in seventh century Jerusalem to later medieval attacks on Christian symbols such as the crucifix transgressions that were often committed in full knowledge that their likely consequence would be death A book that calls for major changes in the way that Jewish history is written and conceptualized *Reckless Rites* will be essential reading for scholars and students of history religion and Jewish Christian relations **The Best of Bible Pathway** John A.
